Kuzo izinyoni nezinhlobo zazo, nakuzo izinkomo nezinhlobo zazo, nakuzo izilwanyana ezinwabuzelayo emhlabeni ngezinhlobo zazo, kuzofika kuwe ezimbili zezinhlobo zonke, ukuba uzigcine ziphila. Futhi uzothatha konke ukudla okudliwayo, ukubuthela kuwe; kuyakuba ngukudla kwakho, kanye nokwazo. Ngakho uNowa wenze njalo; njengakho konke uNkulunkulu amyale ngakho, ngakho wenza kanjalo.

Ingabe manje seniyaqonda ukuthi uNowa ungubani ngemva kokufunda le ngxenye? Uluhlobo olunjani lomuntu uNowa? Umbhalo wokuqala uthi: “UNowa wayengumuntu olungile nongasoleki esizukulwaneni sakhe.” Ngokokuqonda kwabantu bamanje, kwakuwuhlobo olunjani lomuntu indoda eqotho endulo? Indoda eqotho kufanele kube umuntu ophelele. Ingabe niyazi noma le ndoda ephilele, iphelele emehlweni omuntu noma iphelele emehlweni kaNkulunkulu? Ngaphandle kokungabaza, le ndoda ephilele, iphelele emehlweni kaNkulunkulu hhayi emehlweni omuntu. Lokhu kuliqiniso! Lokhu kungenxa yokuthi umuntu uyimpumpithe akaboni, futhi uNkulunkulu kuphela obuka kuwo wonke umhlaba nakuwo wonke umuntu, futhi nguNkulunkulu kuphela uNowa aphelele kuye. Ngakho, icebo likaNkulunkulu lokubhubhisa umhlaba ngozamcolo laqala ngomzuzu abiza ngawo uNowa.

Ukuthi uNowa wabizwa uNkulunkulu iqiniso elilula, kodwa iphuzu eliyinhloko lalokho esikhuluma ngakho—isimo sikaNkulunkulu, intando Yakhe, nesiqu Sakhe kule ndaba—akulula. Ukuze siqonde lezi zinto ezehlukahlukeni zikaNkulunkulu, kumele siqale siqonde uhlobo lomuntu uNkulunkulu afisa ukulubiza, futhi ngalokhu, siqonde isimo, intando nesiqu sikaNkulunkulu. Lena indaba ebucayi. Ngakho emehlweni kaNkulunkulu, usuke eluhlobo olunjani lomuntu, umuntu ambizayo? Lona kumele kube umuntu ongalalela amazwi Akhe, ongalandela iziyalezo Zakhe. Ngesikhathi esifanayo, lona kumele kuphinde kube umuntu onokwethenjela, umuntu oyokwazi ukuphatha kahle izwi likaNkulunkulu ngokuliphatha njengesibopho noma umsebenzi azibophezele ukuwufeza. Ingabe kuyadingeka ukuthi lo muntu kube othile owazi uNkulunkulu? Cha. Endulo, uNowa wayengazange ezwe okuningi ngezimfundiso zikaNkulunkulu, noma abone umsebenzi kaNkulunkulu. Ngakho, lwaluluncane kakhulu ulwazi lukaNowa ngoNkulunkulu. Nakuba kulotshiwe ukuthi uNowa wahamba noNkulunkulu, ingabe walubona uqobo lukaNkulunkulu? Impendulo ngu-cha ongangatshazwa! Ngoba ngalezo nsuku, kwakuyizithunywa zikaNkulunkulu kuphela ezaziza kubantu. Nakuba zazimelela uNkulunkulu ekukhulumeni nasekwenzeni izinto, zazimane zedlulisa intando nezinhloso zikaNkulunkulu. Uqobo lukaNkulunkulu abambulwanga kumuntu ubuso nobuso. Kule ngxenye yemibhalo, okuwukuphela kwento esiyibonayo yilokho uNowa okwakufanele akwenze neziyalezo uNkulunkulu ayemnike zona. Ngakho uNkulunkulu wembula siphilisa isiqu lapha? Yonke into uNkulunkulu ayenza isuke ihlelwe ngokusezingeni eliphezulu. Lapho ebona isimo noma okuthile kwenzeka, kuzoba nesilinganiso esithile emehlweni akhe, futhi lesi silinganiso siyonquma ukuthi uyaqala yini ukusungula isu lokusingatha leyo nto noma ukuthi uzobhekana kanjani naleso simo naleyo nto. Akayena umuntu ongenandaba noma ongenamizwa ngayo yonke into. Empeleni ungokuphambene kakhulu nalokho. Kunevesi lapho uNkulunkulu athi khona kuNowa: “Ukuphela kwenyama yonke kufikile ngaphambi kwami; ngokuba umhlaba ugcwele ubudlova ngenxa yabantu; bheka, ngiyakubabhubhisa kanye nomhlaba.” Ezwini likaNkulunkulu kulokhu, ingabe wathi uzobhubhisa abantu kuphela? Cha! UNkulunkulu wathi uzobhubhisa zonke izinto eziphilayo zenyama. Kungani uNkulunkulu afuna ukubhubhisa? Kunesinye isambulo sesimo sikaNkulunkulu lapha: Emehlweni kaNkulunkulu, ukubekezelela Kwakhe inkohlakalo yomuntu, ukungcola, ubudlova, nokungalaleli kwayo yonke inyama kunemingcele. Ikuphi imingcele Yakhe? UNkulunkulu wathi: “UNkulunkulu wawubuka umhlaba, wawubona futhi, ukuthi wonakele; ngokuba yonke inyama yayonakalisile indlela yayo emhlabeni.” Asho ukuthini la mazwi athi “ngokuba yonke inyama yayonakalisile indlela yayo emhlabeni”? Asho ukuthi noma yini ephilayo, kuhlenganisa nalabo abalandela uNkulunkulu, labo ababiza igama likaNkulunkulu, labo abake banikela iminikelo eshiswayo kuNkulunkulu, labo abamqaphelayo ngezwi futhi baze bamdumise uNkulunkulu—uma ukuziphatha kwabo kwase kugcwele inkohlakalo kwabonwa uNkulunkulu, kwakuzodingeka ukuthi ababhubhise.

Leyo imingcele kaNkulunkulu. Ngakho uNkulunkulu wababekezelela ngezinga elingakanani abantu nayo yonke inyama eyonakele? Ngezinga lokuthi bonke abantu, kungaba abalandeli bakaNkulunkulu noma abangakhohla, babengahambi endleleni efanele. Ngezinga lokuthi kwakungasekhona nje ukuthi umuntu unesimilo esikhohlakele futhi esigcwele ububi, kodwa wayengasekho okholelwa ekutheni uNkulunkulu ukhona, ingasaphathwa-ke eyokuthi kube khona ngisho oyedwa okholelwa ukuthi umhlaba ubuswa uNkulunkulu futhi uNkulunkulu angabaqondisa endleleni efanele abantu. Ngezinga umuntu angakuthandi ngalo ukuba khona kukaNkulunkulu futhi akamvumelanga uNkulunkulu ukuba abe khona. Uma inkohlakalo yomuntu isifinyelele kuleli zinga, kwakumphelela ukubekezela uNkulunkulu. Yini eyayingena esikhundleni sakho? Ukuza kwentukuthelo nesijeziso sikaNkulunkulu. Ingabe leso akusona isambulo sesimo sikaNkulunkulu? Kule nkathi, ingabe usekhona umuntu olungile emehlweni kaNkulunkulu? Ingabe usekhona umuntu ophelele emehlweni kaNkulunkulu? Ingabe kule nkathi, ukuziphatha kwayo yonke inyama emhlabeni kukhohlakele emehlweni kaNkulunkulu? Kulolu suku nenkathi, ngaphandle kwalabo uNkulunkulu afuna ukubaphelelisa, labo abangalandela uNkulunkulu futhi bamukele insindiso Yakhe, akukhona yini ukuthi yonke inyama ikubekela inselele ukubekezela kukaNkulunkulu? Akulona yini iqiniso ukuthi yonke into eyenzeka eceleni kwenu, eniyibona ngamehlo enu futhi eniyizwa ngezindlebe zenu, nezinto enizibona imihla namalanga kuleli zwe, akugcwele yini ubudlova? Emehlweni kaNkulunkulu, akufanele yini izwe elinjalo, inkathi enjena, kuqedwe ngayo? Nakuba imvelaphi yenkathi esikuyo yehluke kakhulu kwekaNowa, imizwa nenzondo uNkulunkulu anayo ngokukhohlakala komuntu kusafana ncamashi nokwangaleso sikhathi. UNkulunkulu ukwazi ukubekezela ngenxa yomsebenzi Wakhe, kodwa ngenxa yazo zonke izinhlobo zezimo, leli zwe kufanele ngabe kudala labhujiswa emehlweni kaNkulunkulu. Isimo sesihluke kakhulu kulokhu esasiyikho endulo ngesikhathi izwe libhujiswa ngozamcolo. Kodwa uyini umehluko? Lena kuphinde kube yinto eyethusa kakhulu inhliziyi kaNkulunkulu, futhi mhlawumbe okungekho muntu kini ongayazisa.

Lapho ebhubhisa izwe ngozamcolo, uNkulunkulu wabiza uNowa ukuze akhe umkhumbi futhi enze namalungiselelo omsebenzi. UNkulunkulu wabiza umuntu oyedwa—uNowa—ukuze azomenzela lezi zinto eziningi. Kodwa kule nkathi, uNkulunkulu akanamuntu angambiza. Kungani kunjalo? Wonke umuntu olana kungenzeka uyasiqonda futhi usazi kahle isizathu salokho. Ingabe nidinga ukuthi sishiwo Yimi? Ukusimemeza kunganenza niphoxeke futhi wonke umuntu athukuthele. Abanye bangase bathi: “Nakuba singebona nje abantu futhi singebona abantu abaphelele emehlweni kaNkulunkulu, uma uNkulunkulu esiyala ukuba senze into ethile, siyokwazi ukuyenza. Ngaphambi kwesikhathi lapho ethi kuza inhlekelele enkulu, saqala ukulungisa ukudla nezinto esasizozidinga ngaleyo nhlekelele. Ingabe lokhu asikwenzanga ngenxa yezinjongo zikaNkulunkulu? Ingabe asibambisani kahle nomsebenzi kaNkulunkulu?

---

Ingabe lezi zinto esizenzile azinakuqhathaniswa nezenziwa uNowa? Ingabe ukwenza lokho esakwenza akukhona yini ukulalela kweqiniso? Ingabe besingalandeli iziyalezo zikaNkulunkulu? Asikwenzanga yini okushiwo uNkulunkulu ngenxa yokuthi sinokholo emazwini kaNkulunkulu? Kungani uNkulunkulu esadabukile? Kungani uNkulunkulu ethi akanamuntu angambiza?” Ingabe ukhona umehluko phakathi kwezenzo zenu nezikaNowa? Ukuphi umehluko? (Ukulungisa ukudla ngenxa yenhlekelele ezayo kwakuyizinhloso zethu.) (Izenzo zethu ngeke zifinyelele “ukulunga,” kuyilapho uNowa eyindoda elungile emehlweni kaNkulunkulu.) Enikushilo akukubi kakhulu. Okwenziwa uNowa kuhluke kakhulu kulokhu okwenziwa abantu namuhla. Ngesikhathi uNowa enza njengoba uNkulunkulu ayemyalile, wayengazi ukuthi zaziqini izinjongo zikaNkulunkulu. Wayengazi ukuthi uNkulunkulu wayefuna ukufeza ini. UNkulunkulu wayemnike kuphela umyalo, wamyala ukuba enze okuthile, ngaphandle kwencazelo eyenabile, futhi wahlabela phambili wakwenza. Akazamanga ukuthola izinhloso zikaNkulunkulu ngasese, futhi akamphikanga uNkulunkulu noma abe nenhliziyo embaxambili. Wamane wakwenza ngenhliziyo ehlanzekile nemsulwa. Noma yini uNkulunkulu ayemvumela ukuba ayenze wayenza, futhi ukulalela nokuzwa izwi likaNkulunkulu kwamqinisekisa ukuthi enze lezi zinto. Yileyo ndlela eqondile nelula akusingatha ngayo uNkulunkulu ayemphathise khona. Isiqu Sakhe— isisekelo sezenzo Zakhe kwakuwukulalela, hhayi ukuzama ukumhambela phambili, ukwenqaba, okukhulu nakakhulu, ngisho nokucabanga ngezinto azithandayo, ayengazithola, nezazizomlahlekela. Ngaphezu kwalokho, lapho uNkulunkulu ethi uzobhubhisa izwe ngozamoto, uNowa akabuzanga ukuthi nini noma abuze ukuthi kuyokwenzekani ngezinto, futhi akabuzanga uNkulunkulu ukuthi wayezolibhubhisa kanjani izwe. Wamane wenza njengoba uNkulunkulu ayemyalile. Nokho uNkulunkulu wayazi ukuthi wayefuna kwenziwe ini futhi yenziwe ngani, wenza njengoba uNkulunkulu ayemcelile futhi waqala ngokushesha ukusebenza ngemva kwalokho. Wenza ngokwemiyalelo kaNkulunkulu enombono wokufuna ukwanelisa uNkulunkulu. Ingabe wayekwenzela ukuba kusizakale yena agweme inhlekelele? Cha. Ingabe wabuza uNkulunkulu ukuthi kwase kusele isikhathi esingakanani ngaphambi kokuba kubhujiswe izwe? Akazange. Ingabe wabuza uNkulunkulu noma ingabe wayazi ukuthi kwakuzothatha isikhathi esingakanani ukwakha umkhumbi? Nalokho futhi wayengakwazi. Wamane walalela, wezwa, futhi wenza njengoba etsheliwe. Abantu banamuhla bona bahlukile: Ngokushesha nje ngemva kokwembula kolwazi oluthile ezwini likaNkulunkulu, ngokushesha uma bephawula inhlekelele, bayogijimela ekwenzeni okuthile, akunandaba ukuthi lokho kuzodinga ini, bazolungisa abazokudla, abazokuphuza, futhi basebenzise leso sikhathi ukuze bazilungiselele indlela yokuphunyuka lapho kugadla inhlekelele. Okuhle nakakhulu ukuthi manje, izingqondo zabantu “sezikhaliphe” kakhulu. Ngaphansi kwezimo lapho uNkulunkulu zingekho iziyalezo azinikezile, umuntu wayehlala konke ngendlela efanele. Ningalisebenzisa igama elithi “ephelile” ukuze niyichaze. Ngokwalokho uNkulunkulu akushoyo, izinhloso zikaNkulunkulu eziyikho,

noma lokho okufunwa uNkulunkulu, akekho onendaba futhi akekho ngisho ozamayo ukukwazisa. Ingabe lowo akuwona umehluko omkhulu phakathi kwabantu banamuhla noNowa?

Kule ndaba elotshiwe kaNowa, ingabe niyayibona ingxenye yesimo sikaNkulunkulu? Ukubekezelela kukaNkulunkulu inkohlakalo yomuntu, inzondo, nobudlova kunemingcele. Lapho efinyelela leyo mingcele, ngeke esabekezela futhi uyoqala ukuhlela umsebenzi Wakhe wokuqondisa necebo elisha, uyoqala ukwenza okufanele akwenze, embule izenzo Zakhe nolunye uhlangothi lwesimo Sakhe. Lesi sinyathelo Sakhe, asikona ukubonisa ukuthi akumele acasulwe umuntu noma ukuthi unegunya elikhulu nentukuthelo, futhi akusona esokubonisa ukuthi angasibhubhisa isintu. Kungenxa yokuthi isimo Sakhe nesiqu Sakhe esingcwele ngeke kusakwazi ukubekezelela lolu hlobo lwesintu ukuba luphile phambi Kwakhe, luphile ekubuseni Wakhe. Lokho kungukuthi, lapho sonke isintu simelene Naye, lapho kungenamuntu angamsindisa emhlabeni wonke, ngeke esakwazi ukubekezelela abantu abanjalo, futhi ngaphandle kokuphazama, uyoqala ukusebenzisa icebo Lakhe—abhubhise lolu hlobo lwesintu. Isenzo esinjalo sikaNkulunkulu sinqunywa isimo Sakhe. Lona umphumela odingekayo, futhi umphumela zonke ezidalwa ezibuswa uNkulunkulu okufanele zihlangabezane nawo. Ingabe lokhu akubonisi ukuthi kule nkathi yamanje, uNkulunkulu usejahe ukuqeda icebo Lakhe futhi asindise abantu afuna ukubasindisa? Ngaphansi kwalezi zimo, yini uNkulunkulu anendaba nayo kakhulu? Akuyona indlela labo abangamlandeli noma abamelene Naye abamphatha ngayo noma abamphika ngayo, noma indlela isintu esimqambela amanga ngayo. Unendaba kuphela nalabo abamlandelayo, abantu afuna ukubasindisa ecebweni Lakhe lokuqondisa, abaphelelisile, nokuthi bakwazile yini ukumanelisa. Ngokwabanye abantu ngaphandle kwalabo abamlandelayo, uyobonakalisa inzondo Yakhe ngokubajezisa. Ngokwesibonelo: ama-tsunami, ukuzamazama komhlaba, ukuqhuma kwentaba-mlilo, njalo njalo. Ngesikhathi esifanayo, ubavikela ngokuphelele labo abamlandelayo, futhi uzobasindisa. Isimo sikaNkulunkulu yilesi: Ngakolunye uhlangothi, abantu afuna ukubaphelelisa angababekezelela kakhulu futhi abe nesineke ngabo, abalinde ngokwezinga angakwazi ngalo; ngakolunye uhlangothi, uNkulunkulu ubazonda kakhulu labo bantu abafana noSathane abangamlandeli futhi abamelana Naye. Nakuba engenandaba nokuthi lezi zinhlobo ezifana noSathane ziyamlandela yini noma ziyamkhonza yini, usabazonda nakuba esababekezelele enhliziyweni Yakhe, futhi njengoba ezoqeda ngalezi zinhlobo ezifana noSathane, usalinde ukuqala kwezinyathelo zomsebenzi wecebo Lakhe lokuqondisa.

## Izibusiso UNkulunkulu Azipha UNowa Ngemva KukaZamcolo

UGenesise 9:1-6 Futhi uNkulunkulu wambusisa uNowa kanye namadodana akhe, futhi wathi kubo, Zalani, bese nanda, futhi nigcwale umhlaba. Futhi uvalo nokwesaba kwenu kuzakuba phezu kwezilwane zonke zomhlaba, naphezu kwazo zonke izinyoni zezulu, naphezu kwakho konke okunwabuzelayo emhlabeni, naphezu kwazo zonke izinhlanzi zolwandle; kunikezelwe ezandleni zenu. Zonke izilwane eziphilayo ziyakuba ngukudla kwenu; ngisho nemifino eluhlaza ngiyaninika konke. Kepha inyama okuyo ukuphila kwayo, okuyigazi layo, ningayidli. Futhi ngokuqinisekileyo igazi lokuphila kwenu ngiyakulibiza; nakuzo zonke izilwane ngiyakulibiza, nasesandleni somuntu; esandleni somfowabo umuntu ngiyakubiza ukuphila komuntu. Noma ubani ochitha igazi lomuntu, nelakhe igazi liyochithwa umuntu: ngokuba wenziwa umuntu ngomfanekiso kaNkulunkulu.

Ngemva kokuba uNowa amukele imiyalelo kaNkulunkulu futhi wakha umkhumbi wahlala kuwo izinsuku ezaba inkathi kazamcolo uNkulunkulu abhubhisa ngawo izwe, kwasinda amalungu omndeni wakhe ayisishiyagalombili. Ngaphandle kwamalungu omndeni kaNowa ayisishiyagalombili, sonke isintu sabhujiswa, futhi zonke izinto eziphilayo emhlabeni zabhujiswa. UNowa, uNkulunkulu wamnika izibusiso, washo izinto ezithile kuye nasemadodaneni akhe. Lezi izinto uNkulunkulu azibeka phambi Kwakhe futhi uNkulunkulu wambusisa. Lesi sibusiso nesethembiso uNkulunkulu usinika othile ongamlalelayo futhi amukele iziyalezo Zakhe, nendlela anika ngayo abantu umklomelo. Lokho kusho ukuthi, kungakhathaleki ukuthi uNowa wayengumuntu ophelele noma olungile emehlweni kaNkulunkulu, futhi kungakhathaleki ukuthi kungakanani ayekwazi ngoNkulunkulu, ngamafuphi, uNowa namadodana akhe amathathu bonke balalela amazwi kaNkulunkulu, baqondiswa umsebenzi kaNkulunkulu, futhi benza lokhu okwakufanele bakwenze ngokuvumelana neziyalezo zikaNkulunkulu. Ngenxa yalokho, basiza uNkulunkulu wabuyisa isintu nezinhlobonhlobo zezinto eziphilayo ngemva kwembubhiso yezwe ngozamcolo, baba negalelo elikhulu esinyathelweni sikaNkulunkulu esilandelayo somsebenzi kaNkulunkulu wecebo Lakhe lokuqondisa. Ngenxa yakho konke akwenza, uNkulunkulu wambusisa. Mhlawumbe kubantu banamuhla, akusizi ngalutho ukuxoxa ngalokho uNowa akwenza. Abanye bangase bacabange: UNowa akenzanga lutho; uNkulunkulu wayevele ehlose ukumgcina, ngakho wayevele ezosindiswa. Ukusindisa Kwakhe akufanale kulethe udumo kuye. Le nto yilena uNkulunkulu ayefuna ukuyenza, umuntu umane uyithuluzi. Kodwa akukhona lokho uNkulunkulu ayekucabanga. KuNkulunkulu, akunandaba ukuthi umuntu mkhulu noma akabalulekile, uma nje engakwazi ukumlalela, alalele neziyalezo Zakhe uzomphathisa umsebenzi, futhi engabambisana Naye emsebenzini Wakhe, kuyintando Yakhe, ecebweni Lakhe, ukuze intando necebo Lakhe kufezwe ngokushelelayo, khona-ke ukuziphatha okunjalo kukufanele ukukhumbula Kwakhe futhi kukufanele ukwamukela izibusiso Zakhe. UNkulunkulu uyabazisa

abantu abanjalo, futhi uyazazisa izenzo zabo nothando abanalo ngaye. Lena indlela uNkulunkulu abheka ngayo izinto. Ngakho kungani uNkulunkulu abusisa uNowa? Kungenxa yokuthi leyo iyona ndlela uNkulunkulu asingatha ngayo izenzo ezinjalo nabantu abamlalelayo.

Mayelana nezibusiso zikaNkulunkulu ngoNowa, abanye abantu bazothi: “Uma umuntu elalela futhi anelise uNkulunkulu, khona-ke umuntu kufanele abusise umuntu. Ingabe akufanele kube njalo vele?” Singakusho lokho? Abanye abantu bathi: “Cha.” Kungani singavele sisho njalo? Abanye bathi: “Umuntu akakufanelekeli ukujabulela izibusiso zikaNkulunkulu.” Lokho akulona iqiniso konke. Ngoba lapho umuntu amukela lokho uNkulunkulu amphathise khona, uNkulunkulu unezinga Lakhe lokwahlulela kungaba ukuthi izenzo zomuntu zilungile noma zimbi noma ukuthi ulalelile, noma ukuthi lowo muntu uyanelisile intando kaNkulunkulu nokuthi uyafaneleka yini. Into uNkulunkulu anendaba nayo inhliziyo yomuntu, hhayi izenzo zabo zangaphandle. Akukhona ukuthi uNkulunkulu kufanele abusise umuntu uma esalalela, kungakhathaleki ukuthi ulalela kanjani. Lokhu ukungaqondi kwabantu uNkulunkulu. UNkulunkulu akabheki nje isiphetho sezinto, kodwa ubheka kakhulu lokho inhliziyo yomuntu eyikho nendlela umbono womuntu ngezinto oyiwo phakathi nokuhamba kwezinto, abheke ukuthi kukhona yini ukulalela, ukucabangela, kanye nesifiso sokwanelisa inhliziyo kaNkulunkulu. Kungakanani uNowa ayekwazi ngoNkulunkulu ngaleso sikhathi? Ingabe kwakuyizimfundiso enizaziyo manje? Mayelana nezinto eziphathelene neqiniso ezifana nemibono nolwazi ngoNkulunkulu, ingabe wathola amanzi nokwalusa okulingana nokwenu? Cha, akunjalo! Kodwa kuneqiniso elilodwa elingenakuphikwa: Konembeza, izingqondo, ngisho nokujula kwezinhliziyi zabantu namuhla, indlela ababheka ngayo uNkulunkulu ifiphele futhi ayiqondakali. Ningaze nithi ingxenye ethile yabantu ikubheka ngendlela engafanele ukuba khona kukaNkulunkulu. Kodwa enhliziyweni kaNowa nakunembeza Wakhe, ukuba khona kukaNkulunkulu kwakuyinto ayikholwayo futhi angayingabazi nakancane, ngaleyo ndlela ukulalela Kwakhe uNkulunkulu kwakuhlanzekile futhi kungamelana novivinyo. Inhliziyo yakhe yayihlanzekile futhi ivulekile kuNkulunkulu. Wayengadingi ulwazi oluningi lwezimfundiso ukuze aziqinisekise ngawo wonke amazwi kaNkulunkulu, futhi wayengadingi amazwi amaningi ukuze aqiniseke ngokuthi uNkulunkulu ukhona, ukuze amukele ukuthi uNkulunkulu umphathisile futhi enze noma yini amvumela ukuthi ayenze. Lona umehluko obalulekile phakathi kukaNowa nabantu banamuhla, futhi kuchaza incazelo yangempela yokuthi ngonjani umuntu ophelele emehlweni kaNkulunkulu. Into uNkulunkulu ayifunayo kumuntu ofana noNowa. Uluhlobo lomuntu uNkulunkulu alutusayo, futhi nakanjani uluhlobo lomuntu uNkulunkulu alubusisayo. Ingabe kukhona ukukhanya enikuthola kulokhu? Abantu babona ukubonakala kwangaphandle kubantu, kuyilapho uNkulunkulu ebona izinhliziyi zabantu nengaphakathi labo. UNkulunkulu akavumeli muntu antule ukuba nogqozi noma abe

manqikanqika Kuye, futhi akabavumeli abantu ukuba bamsole noma bamvivinye nganoma iyiphi indlela. Ngakho, ngisho noma abantu namuhla bebukana nezwi likaNkulunkulu, noma ningase nithi bebukana noNkulunkulu, ngenxa yezinto ezisekujuleni kwezinhliziyi zabo, ukuba khona kwenkohlakalo kubo, inzondo yabo ngaye, baphazamise inkololelo yabo yangempela ngoNkulunkulu, abasakwazi ukumlalela. Ngenxa yalokho, kunzima kakhulu ngabo ukuthola isibusiso esifanayo nesanikwa uNowa.

## **Amazwi KaNkulunkulu Ansukuzonke (Okucashuniwe 28)**

UNkulunkulu Wenza Uthingo Njengophawu Lwesivumelwano Sakhe Nabantu

UGenesise 9:11-13 Futhi ngizomisa isivumelwano Sami nawe, ayisekho inyama eyophinda ibhujiswe ngamanzi kazamcolo; akasayikuza uzamcolo ukubhubhisa umhlaba. Futhi uNkulunkulu wathi, Lokhu kuwuphawu lwesivumelwano engisenza phakathi Kwami nani nazo zonke izilwane eziphilayo ezinani, izizukulwane ngezizukulwane zaphakade: Ngiyamisa uthingo Lwami emafwini, futhi luyakuba uphawu lwesivumelwano phakathi Kwami nomhlaba.

Okulandelayo, ake sihlolisise ingxenye yemibhalo emayelana nendlela uNkulunkulu enza ngayo uthingo lwaba uphawu lwesivumelwano Sakhe nabantu.

Abantu abanengi bayalwazi uthingo futhi baye bezwa izindaba ezithile ezimayelana nothingo zilandiswa. Indaba eseBhayibhelini emayelana nothingo, abanye bayayikholelwa, abanye bayibheka njengenganekwane, kuyilapho abanye bengayikholelwa nhlobo. Kunoma yikuphi, yonke into eyenzeka emayelana nothingo iyizo zonke izinto uNkulunkulu ake wazenza, futhi izinto ezenzeka phakathi nenqubo yokuqondisa kukaNkulunkulu. Lezi zinto zilotshwe njengoba zinjalo eBhayibhelini. Lezi zinto ezilotshiwe azisitsheli ukuthi uNkulunkulu wayekusiphi isimo ngaleso sikhathi noma izinhloso ezikula mazwi akhulunywa uNkulunkulu. Ngaphezu kwalokho, akekho ongajabula ngendlela uNkulunkulu ayezizwa ngayo lapho ewakhuluma. Nokho, isimo sengqondo kaNkulunkulu mayelana nazo zonke lezi zinto siyembulwa kula mazwi alotshiwe. ## Ukwazi UNkulunkulu 2

### Amazwi KaNkulunkulu Ansukuzonke (Okucashuniwe 31)

Ngemva nje kokudala isintu, uNkulunkulu waqala ukuxhumana nomuntu wakhuluma naye, isimo Sakhe saqala ukubonakala kumuntu. Ngamanye amazwi, kusukela ngesikhathi uNkulunkulu aqala ngaso ukuxhumana nesintu waqala ukusiveza obala kumuntu, ingqikithi Sakhe nalokho anakho kanye nalokho ayikho. Kungakhathaleki ukuthi abantu bakuqala noma banamuhla bayakwazi ukusibona noma ukusiqonda, ngamafuphi uNkulunkulu ukhuluma nabantu futhi asebenze phakathi kwabo, embule isimo Sakhe futhi aveze ingqikithi Sakhe—okuyiqiniso elingenakuphikwa yinoma imuphi umuntu. Lokhu kuphinde kusho ukuthi isimo sikaNkulunkulu, ingqikithi sikaNkulunkulu, nalokho anakho nayikho kuhlale kuhamba phambili futhi kwembulwa njengoba esebenza futhi exhumana nabantu. Akakaze amfihlele lutho umuntu, kunalokho usenza sibe sobala futhi wenza isimo Sakhe saziwe ngaphandle ngokubamba okuthile. Ngakho uNkulunkulu wethemba ukuthi umuntu angamazi futhi asiqonde isimo nesiqu Sakhe. Akafisi ukuthi umuntu abheke isimo nesiqu Sakhe njengezinto ezingeke ziqondakale kuze kube phakade, futhi akafuni isintu sibheke uNkulunkulu njengempicabadala engasoze yasombululwa. Kulapho isintu sazi khona uNkulunkulu kuphela lapho singazi khona indlela eya phambili futhi siqwazi ukwamukela isiqondiso sikaNkulunkulu, futhi isintu esifana nalesi kuphela esingaphila ngaphansi kokubusa kukaNkulunkulu, ekukhanyeni futhi sithole izibusiso zikaNkulunkulu.

Amazwi nesimo okuhanjiswa phambili futhi kwembulwa uNkulunkulu kumelela intando Yakhe, futhi kumelela ingqikithi Yakhe. Lapho uNkulunkulu exhumana nomuntu, kungakhathaleki ukuthi uthini noma wenzani, noma ukuthi wembula siphi isimo, noma ukuthi umuntu usibheka kanjani ingqikithi kaNkulunkulu nalokho anakho nayikho, bonke bamelela intando kaNkulunkulu—intando kaNkulunkulu ngomuntu. Lokhu akungatshazwa! Intando kaNkulunkulu ngesintu yilokho afuna abantu babe yikho, lokho afuna bakwenze, indlela afuna baphile ngayo, nendlela afuna bakwazi ngayo ukufeza ukugcwaliseka kwentando kaNkulunkulu. Ingabe lezi zinto azinakwehlukaniseka nesiqu sikaNkulunkulu? Ngamanye amazwi, uNkulunkulu uhambisa phambili isimo Sakhe nakho konke anakho nayikho ngesikhathi esisodwa nenza ngaso izimfuno zomuntu. Awekho amanga, ukuzenzisa, ukukhohlisa, nokufekethisa. Kodwa kungani umuntu ehlulwa ukwazi, futhi kungani engakaze asiqonde ngokucacile isimo sikaNkulunkulu? Futhi kungani engakaze ayiqaphele intando kaNkulunkulu? Lokho uNkulunkulu akwembulayo futhi akubeke phambili yilokho uNkulunkulu Uqobo Lwakhe anakho nayikho, futhi kungubude nobubanzi besimo Sakhe seqiniso—ngakho kungani umuntu engaboni? Kungani umuntu engafinyeleli olwazini olunembile? Kunesizathu esibalulekile salokhu. Siyini lesi sizathu? Kusukela esikhathini sendalo, umuntu akakaze abheke uNkulunkulu

njengoNkulunkulu. Ezikhathini zakuqala, kungakhathaleki ukuthi uNkulunkulu wayenzani ngomuntu, umuntu ayeqeda kumdala, umuntu wayemphatha ngendlela edlula apha ngayo umngani wakhe, njengothile ayencike kuye, owayengenalwazi noma ukuqonda ngoNkulunkulu. Okusho ukuthi, umuntu wayengazi ukuthi busho ukuthini lobu Buntu—lobu Buntu ayencike kubo buhambisana naye—babuyingqikithi kaNkulunkulu, futhi wayengazi ukuthi lobu Buntu yiyo obabubusa zonke izinto. Kalula nje, abantu bangaleso sikhathi babengamqapheli nhlobo uNkulunkulu. Babengazi ukuthi amazulu nomhlaba nazo zonke izinto kwakudalwe Nguye, futhi babenganaki ukuthi uvelaphi, nalokho ayeyikho. Yiqiniso, ngaleso sikhathi uNkulunkulu wayengafuni umuntu amazi, noma amqonde, noma aqonde konke akwenza, noma azi intando Yakhe, ngoba lezi kwakuyizikhathi zakuqala endalweni yesintu. Umuntu waqala lapho ukwazi izinto ezithile ngoNkulunkulu, yilapho azi khona umehluko phakathi komuntu noNkulunkulu, nokuthi uNkulunkulu Nguye owadala isintu. Lapho umuntu azi ukuthi uNkulunkulu wayenguNkulunkulu nokuthi umuntu wayengumuntu, kwaba negebe elithile phakathi kwakhe noNkulunkulu, kodwa noma kunjalo uNkulunkulu akazange afune ukuthi umuntu abe nolwazi olunzulu noma ukuqonda okujulile Ngaye. Ngakho, uNkulunkulu wenza izimfuno ezingafani kumuntu ngokusekelwe ezigabeni nasezimweni zomsebenzi Wakhe. Nibonani kulokhu? Iziphi izimpawu zesimo sikaNkulunkulu enizibonayo? Ingabe uNkulunkulu ungokoqobo? Ingabe izimfuno zikaNkulunkulu kumuntu ziyafaneleka? Ezikhathi zakuqala zokulandela indalo kaNkulunkulu yesintu, lapho uNkulunkulu esezofeza umsebenzi wokunqoba nokuphelelisa umuntu, futhi engakhulumanga amazwi amaningi kumuntu, wafuna okuncane kubantu. Kungakhathaleki ukuthi umuntu wenzani nokuthi wayeziphatha kanjani—ngisho noma enza izinto ezithile ezicasula uNkulunkulu—uNkulunkulu wakuthethelela konke, futhi wangakunaka konke. Lokhu kungenxa yokuthi uNkulunkulu wayazi ukuthi wayemnikeni umuntu, nokuthi yini eyayikumuntu, futhi ngaleyo ndlela azi izinga lezimfuno okufanele azifune kumuntu. Ngisho noma izinga lezimfuno Zakhe laliphansi kakhulu ngaleso sikhathi, lokhu kwakungasho ukuthi isimo Sakhe sasingesikhulu, noma ukuthi ukuhlakanipha namandla Akhe kwakungamazwi angathi shú. Kumuntu, iyodwa kuphela indlela yokwazi isimo sikaNkulunkulu noNkulunkulu Uqobo Lwakhe: ukulandela izinyathelo zomsebenzi wokuqondisa kaNkulunkulu nowokusindisa isintu, nokwamukela amazwi uNkulunkulu awakhuluma esintwini. Uma azi lokho uNkulunkulu anakho nayikho, nesimo sikaNkulunkulu, ingabe umuntu usayofuna ukuba uNkulunkulu ambonise ubuntu Bakhe obungokoqobo? Umuntu ngeke alinge, ngoba ukuqonda isimo sikaNkulunkulu nalokho anakho nayikho, kuyosho ukuthi wayesembonile kakade uNkulunkulu weqiniso Uqobo Lwakhe, nokuthi

wayeyobe esebubonile kakade ubuntu Bakhe obungokoqobo. Lona umphumela ongenakugwenywa.

Njengoba umsebenzi necebo likaNkulunkulu kuzolokhu kuqhubekela phambili, futhi ngemva kokuthi uNkulunkulu emise isivumelwano sothingo nomuntu njengophawu lokuthi ngeke aphinde abhubhise umhlaba ngozamcolo, uNkulunkulu waba nesifiso esinamandla sokuzuza labo abangaba mqondo-munye Naye. Ngakho akakaze abe nesifiso esiphuthuma kanje sokuzuza labo abakwazi ukwenza intando Yakhe emhlabeni, futhi ngaphezu kwalokho, sokuzuza iqembu labantu elizokwazi ukuphunyuka emandleni obumnyama, lingaboshelwa kuSathane, likwazi ukufakaza Ngaye emhlabeni. Ukuzuza iqembu elinjalo labantu kwakuyisifiso esidala sikaNkulunkulu, into ayeyilindile kusukela ngesikhathi sokudala. U-Abrahama Unikela Ngo-Isaka

---

UGenesise 22:2-3 Wayesethi, Thatha manje indodana yakho, indodana yakho okuwukuphela kwayo u-Isaka, oyithandayo, bese uya ezweni laseMoriya; bese uyonikela ngaye lapho abe umnikelo wokushiswa entabeni ethile engizokutshela yona. Futhi u-Abraham wabe esevuka entathakusa, wase ebophela imbongolo yakhe, futhi wathatha izinsizwa ezimbili, kanye nendodana yakhe u-Isaka, futhi wacanda izinkuni zomnikelo wokushiswa, wabe esephakama, futhi waya kuleyo ndawo uNkulunkulu ayemtshele yona.

UGenesise 22:9-10 Base befika endaweni uNkulunkulu ayemtshele ngayo; futhi u-Abrahama wakha i-altare khona, wase elungisa izinkuni ngendlela efanele, futhi wabopha u-Isaka indodana yakhe, wase emlalisa phezu kwe-altare lezinkuni. U-Abrahama wayeselula isandla sakhe, wase ethatha ummese ukuba ahlabe ngawo indodana yakhe.

### **UNkulunkulu Akanandaba Noma Umuntu Uyisiphukuphuku—Akufunayo Nje Ukuthi Umuntu Abe Neqiniso**

KuGenesise 22:2, uNkulunkulu wanika u-Abrahama lo myalo: “Thatha manje indodana yakho, indodana yakho okuwukuphela kwayo u-Isaka, oyithandayo, bese uya ezweni laseMoriya; bese uyonikela ngaye lapho abe umnikelo wokushiswa entabeni ethile engizokutshela yona.” Injongo kaNkulunkulu yayisobala: Wayetshela u-Abrahama ukuthi anikele ngokuwukuphela kwendodana yakhe u-Isaka, ayeyithanda, ibe umnikelo wokushiswa. Ngokwanamuhla, ingabe umyalo kaNkulunkulu uyangqubuzana nemibono yomuntu? Yebo! Konke uNkulunkulu akwenza ngaleso sikhathi kwakungqubuzana nemibono yomuntu futhi umuntu engakuqondi. Emibonweni yabo, abantu bakholwa yilokhu okulandelayo: Lapho umuntu engakholwa, futhi ecabanga ukuthi akunakwenzeka, uNkulunkulu wamnika indodana, futhi ngemva kokuthola indodana, uNkulunkulu wamcela ukuba anikele ngayo leyo ndodana—yeka isimanga! Yini ngempela uNkulunkulu ayehlose ukuyenza? Yayiyini injongo yangempela kaNkulunkulu? Wamnika ngokungenamibandela u-Abrahama indodana, kodwa futhi wacela u-Abrahama ukuthi naye enze umnikelo ongenambandela. Ingabe lokhu kwakuwukuphaphalaza? Ngokombono womuntu ongahlangene nendaba, lokhu akugcine nje ngokuba ukuphaphalaza kodwa kuphinde kube “ukuzenzela izinkinga ngento engekho.” Kodwa u-Abrahama uqobo wayengakholwa ukuthi uNkulunkulu wayefuna into enkulu kangaka. Nakuba ayenokungabaza, futhi ayenezinsolo ezincane ngoNkulunkulu, wayesakulungele ukwenza umnikelo. Kuleli qophelo, yini oyibonayo eqinisekisa ukuthi u-Abrahama wayezimisele ukunikela ngendodana yakhe? Yini eshiwo kule misho? Umbhalo wokuqala ulandisa ngale ndlela: “Futhi u-Abrahama wabe esevuka entathakusa, wase ebophela imbongolo yakhe, futhi wathatha izinsizwa ezimbili, kanye nendodana yakhe u-Isaka, futhi wacanda izinkuni zomnikelo wokushiswa, wabe esephakama, futhi waya kuleyo ndawo uNkulunkulu ayemtshele yona” (UGenesise 22:3). “Base befika endaweni lapho

---

uNkulunkulu ayemtshele ngayo; futhi u-Abrahama wakha i-altare khona, wase elungisa izinkuni ngendlela efanele, futhi wabopha u-Isaka indodana yakhe, wase emlalisa phezu kwe-altare lezinkuni. Futhi u-Abrahama welula isandla sakhe, wase ethatha ummese ukuba ahlabe ngawo indodana yakhe” (UGenesise 22:9-10). Lapho u-Abrahama elula isandla sakhe, ethatha ummese ukuze ahlabe indodana yakhe, ingabe uNkulunkulu wayekubona lokho ayekwenza? Wakubona. Yonke inqubo—kusukela ekuqaleni, lapho uNkulunkulu ethi u-Abrahama akanikele ngo-Isaka, kuye lapho u-Abrahama ephakamisa khona ummese ukuze ahlabe indodana yakhe—uNkulunkulu wabona inhliziyi ka-Abrahama, kungakhathaleki ukuthi ubuwula bakhe babuyini, ukungazi, nokungamqondi uNkulunkulu, ngaleso sikhathi inhliziyi ka-Abrahama ngoNkulunkulu yayineqiniso, ithembekile, futhi wayezimisele ngempela ngokubuyisa u-Isaka, indodana ayeyinikwe uNkulunkulu, ayibuyisele kuNkulunkulu. Kuye, uNkulunkulu wabona ukulalela—khona kanye ukulalela uNkulunkulu ayekufuna.

Kumuntu, uNkulunkulu wenza okuningi okungaqondakali nokumangalisayo. Lapho uNkulunkulu efisa ukuqondisa othile, lokhu kuqondisa kuvame ukungavumelani nemibono yomuntu, futhi akuqondakali kuye, kodwa futhi yikho kanye lokhu kushayisana nokungaqondi okuyisilingo sikaNkulunkulu novivinyo lomuntu. Nokho, u-Abrahama wayesakwazi ukulalela uNkulunkulu, okwakuyinto eyayibaluleke kakhulu kuye ukuze ahlangebazane nemfuneko kaNkulunkulu. Kulapho kuphela, lapho u-Abrahama akwazi khona ukulalela okufunwa uNkulunkulu, ngesikhathi enikela ngo-Isaka, yilapho uNkulunkulu aqiniseka khona ngempela futhi wasamukela isintu—ngo-Abrahama, ayemkhethele. Kulapho kuphela, lapho uNkulunkulu aqiniseka khona ngokuthi lo muntu ayemkhethele wayeyiqhawe elikhulu elalingafeza isithembiso Sakhe necebo Lakhe lokuqondisa elaliseza. Nakuba kwakuyisilingo novivinyo, uNkulunkulu wajabula, wezwa uthando umuntu analo Ngaye, futhi wazizwa eduduzeka ngesintu ngendlela ayengakaze azizwe ngayo. Ngomzuzu u-Abrahama aphakamisa ngawo ummese wakhe ukuze ahlabe u-Isaka, ingabe uNkulunkulu wamqanda? UNkulunkulu akamvumelanga u-Abrahama ukuba anikele ngo-Isaka, ngoba uNkulunkulu wayengenazo izinhloso zokuthatha ukuphila kuka-Isaka. Ngakho, uNkulunkulu wamqanda ngaleso sikhathi u-Abrahama. Ngoba kuNkulunkulu, ukulalela kuka-Abrahama kwamenza waphumelela ovivinyweni, akwenza kwakwanele, futhi uNkulunkulu wayesewubonile umphumela walokho ayehlose ukukwenza. Ingabe lo mphumela wamenelisa uNkulunkulu? Kungashiwo ukuthi lo mphumela wamenelisa uNkulunkulu, ukuthi yilokho okwakufunwa uNkulunkulu, futhi yilokho uNkulunkulu ayelangazelela ukukubona. Ingabe lokhu kuyiqiniso? Nakuba kokunye, uNkulunkulu esebenzisa izindlela ezihlukile ukuze avivinye umuntu ngamunye, ku-Abrahama uNkulunkulu wabona lokho ayekufuna, wabona ukuthi inhliziyi ka-Abrahama yayineqiniso, nokuthi ukulalela kwakhe kwakungenamibandela, futhi yilokhu “kungabi namibandela” uNkulunkulu ayekufuna. Abantu bavame ukuthi,

senginikelile ngalokhu, sengidlulile kulokhuya—kungani uNkulunkulu engakaneliseki ngami? Kungani esangihlelela izilingo? Kungani eqhubeka nokungivivinya? Lokhu kufakazela iqiniso elilodwa: UNkulunkulu akakaze abone inhliziyi yakho, futhi akakaze azuze inhliziyi yakho. Okuwukuthi, akakabuboni ubuqotho obunjalo obunjengalapho u-Abrahama ephakamisa khona ummese ukuze ahlabe indodana yakhe ngesandla sakhe futhi ayinikele kuNkulunkulu. UNkulunkulu akakabuboni ukulalela kwakho okungenamibandela, futhi akakaduduzwa nguwe. Kungokwemvelo, ukuthi uNkulunkulu aqhubeke ekulinga. Ingabe akulona iqiniso leli?

EBhayibhelini, ukuhlolwa kukaJesu uqobo Lwakhe kanye nemisebenzi Yakhe ngabaFarisi kwakunje: “Bathi, uyahlanya. ... UnoBelzebule, futhi ukhipha amadimoni ngenkosana yodeveli wamadimoni” (UMarku 3:21-22). Ukwahlulelwa kweNkosi uJesu ngaBabhali nabaFarisi kwakungesikho ukulingisa noma ukususela emoyeni—kwakuwukuphetha kwabo ngeNkosi uJesu ngalokho abakuzwa nabakubona ngezenzo Zakhe. Noma isiphetho sabo sasibukeka njengeqiniso, esenziwa egameni lobulungiswa futhi savela kubantu njengento ehlolisiwe, ukuzikhukhumeza abahlulela ngakho iNkosi uJesu kwakunzima nakubo ukuba bakugcine. Umdlandla wokuhlanya kwenzondo yabo ngeNkosi uJesu kwaveza izifiso zabo ezinobudlwembe kanye nobuso babo obubi obunobusathane, kanye nemvelo yabo yokwenqaba uNkulunkulu, enenzondo. Lezi izinto abazisho ekwahluleleni kwabo iNkosi uJesu zaziqhutshwa izifiso zabo ezinobudlwembe, umona, kanye nemvelo yabo yobutha, embi futhi enenzondo ngeqiniso likaNkulunkulu. Abacwaninganga ngomsuka wezenzo zeNkosi uJesu, futhi abacwaninganga ngobunjalo balokhu akushoyo noma akwenza. Kodwa ngobumpumpithe, ukungabekezeli, ukuhlanya kanye nobubi benhloso bamhlasela futhi bajivaza nalokhu Yena owayesekwenzile. Lokhu kwafika ezingeni lapho baze bajivaza uMoya Wakhe ngokungakhethi, okunguMoya Ongcwele, uMoya kaNkulunkulu. Yilokhu ababekusho uma bethi “uyahlanya,” “unoBelzebule” nokuthi “inkosana yodeveli”. Lokhu kusho ukuthi, bathi uMoya kaNkulunkulu unguBelzebule kanye nenkosi yodeveli, bachaza umsebenzi wenyama ngokuthi uMoya kaNkulunkulu ogqoke okomsangano. Abahlambalazanga kuphela uMoya kaNkulunkulu njengoBelzebule kanye nenkosi yamademoni, kodwa bahlulela umsebenzi kaNkulunkulu. Bahlulela futhi bahlambalaza iNkosi uJesu Kristu. Ingqikithi yokunqaba kwabo kanye nokuhlambalaza uNkulunkulu kwawufana ncamashi nobunjalo bukaSathane kanye nenkani kaSathane nokuhlambalaza uNkulunkulu. Abamelanga inkohlakalo kuphela, kodwa nangaphezulu baba umzimba kaSathane. Baba umgudu kaSathane phakathi kwesintu, babehambisana futhi beyizinceku zikaSathane. Ingqikithi yokuhlambalaza kwabo kanye nokululaza iNkosi uJesu Kristu kwakungumzabalazo wabo noNkulunkulu benzela ukuma kwabo, ukuqhudelana kwabo noNkulunkulu, nokulinga kwabo uNkulunkulu okungapheli. Ingqikithi yokumelana kwabo noNkulunkulu kanye nendlela yobutha kuYe, kanye namazwi abo kanye nemicabango yabo ehlambalaza futhi ithukuthelise uMoya kaNkulunkulu. Ngaleyo ndlela, uNkulunkulu wanquma isigwebo esifanele salokhu abakushilo nabakwenzile, futhi wanquma ukuthi izenzo zabo ziyisono sokuhlambalaza kuMoya Ongcwele. Lesi sono asithethelelwa kulo mhlaba nasemhlabeni ozayo, njengalokhu lesi siqephu sombhalo sisho: “Ukuhlambalaza uMoya oNgcwele akuyikuthethelelwa” nokuthi “Lowo okhuluma izwi elimelene noMoya oNgcwele, akayikuthethelelwa, kulo mhlaba nasemhlabeni ozayo.” Namuhla, ake sikhulume ngencazelo yeqiniso ngalamagama avela kuNkulunkulu “akayikuthethelelwa, kulo mhlaba nasemhlabeni ozayo.” Lokhu kusho ukuthi, masikhanyise

ngendlela uNkulunkulu afeza ngayo amazwi athi “akayikuthethelelwa, kulo mhlaba nasemhlabeni ozayo.”

Konke esikhulume ngako kuhambisana nesimo sikaNkulunkulu, indlela Yena abheka ngayo abantu, izindaba, kanye nezinto. Ngokwemvelo, iziqephu ezimbili ezingenhla azihlukile. Kukhona yini enikubonile kulezi ziqephu zombhalo? Abanye abantu bathi babona intukuthelo kaNkulunkulu. Abanye abantu bathi babona icala lesi simo sikaNkulunkulu elingakubekezeleli ukona kwesintu kanye nokuthi uma abantu benza into ehlambalazayo kuNkulunkulu, angeke bazuze intethelelo Yakhe. Ngaphandle nje kokuthi abantu babona intukuthelo nokungabekezelelani kukaNkulunkulu iziphambeko zabantu kulezi ziqephu ezimbili, abakayiqondi indlela abuka ngayo isintu. Lezi ziqephu ezimbili ziqukethe inkomba yomqondo kaNkulunkulu weqiniso kanye nendlela enza ngayo kulabo abamhlambalaza futhi abamthukuthelisayo Yena. Lesi siqephu emiBhalweni siphethe incazelo yangempela yomqondo nendlela Yakhe: “Lowo okhuluma izwi elimelene noMoya oNgcwele, akayikuthethelelwa, kulo mhlaba nasemhlabeni ozayo.” Lapho abantu behlambalaza uNkulunkulu, lapho bemthukuthelisa, ukhipha isinqumo, futhi lesi sinqumo siwumphumela okhishwa Nguye. Sichazwa kanje eBhayibhelini: “Ngalokho ngithi kini, abantu bayakuthethelelwa zonke izono nokuhlambalaza: kodwa abantu abahlambalaza uMoya oNgcwele abayikuthethelelwa” (UMathewu 12:31), nokuthi “Kodwa maye kinina, babhali nabaFarisi, bazenzisi!” (UMathewu 23:13) Nokho, kungabe kubhaliwe yini eBhayibhelini ukuthi imiphi imiphumela kuBabhali nabaFarisi, kanye nalabo bantu abathi uyahlanya emva kokuba iNkosi uJesu isho lezi zinto? Kubhaliwe yini ukuthi sikhona isijeziso abasithola? Kunesiqiniseko sokuthi asibanga bikho. Ukuthi lapha “sasengekho” akusho ukuthi asibhalwanga, kodwa empeleni kwakungekho mphumela owawungabonakala ngamehlo enyama. Lokhu “sasengekho” kuchaza udaba oluthile, okungukuthi, isimo sengqondo nezimiso zikaNkulunkulu ekwenzeni izinto ezithile. Impatho kaNkulunkulu kubantu abamhlambalazayo noma abamphikisayo, noma nalabo abakhuluma kabi ngaye—abantu abamhlasela ngenhloso, abamhlebayo, kanye nabamqalekisayo Yena—Yena akabazibi noma angabalaleli. Unomqondo ocacile ngabo. Uyabenyanya laba bantu, futhi uyabehlulela enhliziyweni Yakhe. Uphinde amemezele isiphetho sabo, ukuze abantu bazi ukuthi unesimo sengqondo esicacile ngalabo abamhlambalazayo, ukuze bazi ukuthi azonqumani ngesiphetho sabo. Nokho, emva kokuba uNkulunkulu esesho lezi zinto, abantu abalibonanga iqiniso lokuthi uNkulunkulu engabhekana kanjani nalabo bantu, futhi abaqondanga izimiso ezihambisana nemiphumela kaNkulunkulu, isinqumo Sakhe ngabo. Lokho kusho ukuthi, abantu angeke babone umqondo othile kanye nezindlela zikaNkulunkulu zokubhekana nabo. Lokhu kumayelana nezimiso zikaNkulunkulu zokwenza izinto, uNkulunkulu usebenzisa amaqiniso abonakalayo ukuze abhekane nokuziphatha kabi kwabanye abantu. Okungukuthi akasimemezeli isono sabo

---

futhi anqume ngomphumela wabo, kodwa usebenzisa amaqiniso abonakalayo ukubavumela ukuba bajeziswe, ukuze bathole isijeziso sabo esibafaneleyo, uma la maqiniso enzeka, inyama yabantu ezwa ubuhlungu besijeziso; kuyikho konke abantu abangakwazi ukukubona ngamehlo abo enyama. Uma kubhekanwa nokuziphatha okubi kwabanye abantu, uNkulunkulu uvele abaqalekise ngamazwi, kodwa futhi ngesikhathi esifanayo, intukuthelo kaNkulunkulu yehlela phezu kwabo, futhi isijeziso abasitholayo kungaba into abantu abangayiboni, kodwa lolu hlobo lo mphumela ungabanzima kakhulu kunomphumela abantu abangawubona wokuthi bajeziswe noma babulawe. Lokhu kungenxa yokuthi esimweni lapho uNkulunkulu unquma ukungalusindisi lolu hlobo lo muntu, ukungabi nesihawu noma ukubabekezelela, ukungabahlinzekeli ngamathuba, umqondo awuthathayo yena ngabo ukubabuyisela eceleni. Kusho ukuthini uku “beka eceleni”? Incazelo yaleli gama ngokwalo ukubeka into kwelinye icala, ukungayinaki. Lapha, uma uNkulunkulu “ebeka umuntu eceleni,” kukhona izincazelo ezimbili ezahlukeni: Incazelo yokuqala ukuthi unikezile kulowo muntu ukuphila, lowo muntu yonke into ngaphezu kukaSathane ukubhekana naye. UNkulunkulu akasezokuba nomthwalo futhi ngeke esayiphatha. Noma ngabe lowo muntu uyahlanya, noma uyisilima, futhi noma ngabe usekuphileni noma ekufeni, noma behlela esihogweni ngenxa yokujeziswa kwabo, akunanto okunokuyenza noNkulunkulu. Lokho kuyobe kusho ukuthi isidalwa angeke sibe nobudlelwano noMdali. Incazelo yesibili ukuthi uNkulunkulu unqumile ukuthi Yena qobo Lwakhe ufuna ukwenza okuthile ngalo muntu, ngezandla Zakhe, kungenzeka ukuba uzowusebenzisa umsebenzi walolu hlobo lomuntu, noma uzolusebenzisa lolu hlobo lomuntu njengesiqhathaniso. Kungenzeka ukuba uzoba nendlela ekhethekile ukubhekana nalolu hlobo lomuntu, indlela ekhethekile yokubaphatha—njengoPawuli. Lokhu kuyisimiso kanye nomqondo enhliziyweni kaNkulunkulu ukuthi unquma kanjani ukubhekana nalolu hlobo lo muntu. Ngakho uma abantu benqaba uNkulunkulu, bemhleba futhi bemhlambalaza Yena, futhi bebhebhethekisa ngesimo Sakhe, noma befika emgqeni wokugcina ophansi, imiphumela ayicabangeki. Umphumela onzima ukuthi uNkulunkulu unikela izimpilo zabo kanye nakho konke okwabo kuSathane, kube kanye. Angeke bethethelelwe ingunaphakade. Lokhu kusho ukuthi lo muntu usephenduke ukudla emlonyeni kaSathane, ithoyizi esandleni sakhe, kusukela lapho uNkulunkulu akasenandaba nabo. Ningacabanga nje ukuthi kwakuluhlobo luni losizi ngesikhathi uSathane elinga uJobe? Ngaphansi kwesimo sokuthi uSathane wayengavumelekile ukuthinta impilo kaJobe, uJobe waqhubeka wahlupheka kakhulu. Futhi akunzima kakhulu yini ukucabanga ngokuphanga kukaSathane, umuntu uyakuba ngaphansi kwalowo anikelwe kuye uSathane, ongaphakathi kokubanjwa nguSathane, oselahlekelwe ukunakekelwa nesihawu sikaNkulunkulu, ongasekho ngaphansi kokubuswa uNkulunkulu, osephuciwe ilungelo lokumkhazimulisa Yena, kanye nelungelo lokuba isidalwa ngaphansi kokubusa kukaNkulunkulu, obudlelwano bakhe neNkosi sebunqanyuliwe ngokupheleleyo? Ukuzingelwa kukaJobe nguSathane kwakuyinto

eyayingabonwa ngamehlo, kodwa uma uNkulunkulu enikela impilo yomuntu kuSathane, umphumela wakho kuyoba into engeke yacatshangwa muntu. Kufana nomuntu osezaliwe futhi waba njengenkomo, noma imbongolo, noma abanye bethathwa, bangenwe ukungcola, imimoya emibi kanye nokunye. Lokhu kungumphumela, isiphetho sabanye abantu abanikelwe nguNkulunkulu kuSathane. Uma ubuka ngaphandle, kungathi laba bantu abahleka, bahleba, bahlulela, futhi bahlambalaza iNkosi uJesu ababanga nemiphumela ebuhlungu. Nokho, iqiniso ukuthi wayenomqondo wokubhekana nayo yonke into. Angase angalusebenzisi ulimi olucacile ukutshela abantu umphumela wokuthi Yena ubhekana kanjani nalo lonke uhlobo lo muntu. Kwesinye isikhathi akakhulumi kuqonde, kodwa izinto Yena uzenza ngqo. Ukuthi akakhulumi ngakho akusho ukuthi akunumphumela—kungenzeka ukuthi umphumela unzima kakhulu. Ngokubuka, kusengathi uNkulunkulu akakhulumi kubantu abathile ukwambula umqondo Wakhe, eqinisweni, uNkulunkulu akafunanga ukubanaka isikhathi eside. Akasafuni ukuphinda ababone. Ngenxa yezinto abazenzile, inkambo yabo, ngenxa yemvelo yabo nobunjalo babo, uNkulunkulu ufuna banyamalale phambi kwamehlo Akhe, Yena ufuna ukubanikela ngqo kuSathane, ukunikela umoya, umphefumulo kanye nomzimba wabo kuSathane, ukuvumela uSathane ukwenza noma yini ayifunayo. Kuyacaca ukuthi uNkulunkulu ubazonda kangakanani, ubanyanya kangakanani. Uma umuntu ethukuthelisa uNkulunkulu kuze kufike ephuzwini lapho uNkulunkulu engasafuni ukuphinda ababone futhi, ukuthi uyakubadela ngokupheleleyo, kuze kufike ephuzwini lapho uNkulunkulu engasafuni ukubhekana nabo Yena ngqo—uma kufika kulelo phuzu Yena uyakubanikela kuSathane ukuze enze ngokufisa kwakhe, ukuvumela uSathane alawule, aqede, abaphathe noma ngayiphi indlela—lo muntu usephelile ngokupheleleyo. Ilungelo labo lokuba abantu selihoxisiwe unomphela, nelungelo labo njengesidalwa selifike ekugcineni. Akusona yini isijezi esinzima kakhulu lesi?

Futhi wathi Kuye, Nkosi, wazi konke Wena; uyazi ukuthi ngiyakuthanda. uJesu wathi kuye, Yondla izimvu Zami.

Lokhu lezi ziqephu ezikhuluma ngakho ezinye zezinto ezenziwa iNkosi uJesu futhi wazisho kubafundi Bakhe emva kokuvuka. Okokuqala, ake sibheke umehluko phakathi kweNkosi uJesu ngaphambi nangemva kokuvuka. Ingabe wayesewuJesu ofanayo wezinsuku ezidlule? Umbhalo uqukethe lo musho olandelayo ochaza ngeNkosi uJesu emva kokuvuka “Khona-ke uJesu wayesefika, iminyango ivaliwe, futhi wema phakathi kwabo, wabe esethi, Ukuthula makube kini.” Kuyacaca ukuthi iNkosi uJesu ngaleso sikhathi wayengasekho enyameni, kodwa emzimbeni womoya. Lokhu kwakungenxa yokuthi wayesedlulile emkhawulweni wenyama, ngesikhathi umnyango uvuliwe Yena wabe esakwazi ukufika phakathi kwabo futhi abavumele bembone Yena. Lona ngumehluko omkhulu phakathi kweNkosi uJesu emva kokuvuka kanye neNkosi uJesu ngaphambi kokuvuka. Noma ngabe wawungekho umehluko ngengaphandle lo mzimba womoya wangaleso sikhathi kanye nengaphandle leNkosi uJesu ngaphambili, uJesu ngaleso sikhathi wayesephenduke uJesu owayefana nesihambi kubantu, ngokuba wayesephenduke umzimba womoya emva kokuvuswa kwabafileyo, uma kuqhathaniswa nenyama Yakhe yangaphambili, lo mzimba womoya wawuletha imibuzo futhi udida abantu. Futhi wavula igebe phakathi kukaJesu nabantu, abantu bezwa ezinhliziyweni zabo ukuthi iNkosi uJesu ngaleso sikhathi yayisiphenduke imfihlakalo kakhulu. Lokhu ukuqonda kanye nemizwa ngasohlangothini lwabantu, ngokungazelelwe kwababuyisela emuva enkathini yokukholwa kuNkulunkulu owayengabonakali futhi engathinteki. Ngakho, into yokuqala iNkosi uJesu eyayenza emva kokuvuka Kwayo kwaba ukuvumela wonke umuntu ukuba Bayibone, ukuqinisekisa ukuthi Yona ikhona, nokuqinisekisa ukuvuka Kwayo. Ngaphezu kwalokho, kwabuyisela ubudlelwano nabantu, ubudlelwano ayenabo ngesikhathi esebenza enyameni, futhi wayenguKristu ababengambona futhi bengamthinta. Ngale ndlela, umphumela owodwa ukuthi abantu ababanga nokungabaza ukuthi iNkosi uJesu yayivusiwe ekufeni emva kokubethelwa esiphambanweni, futhi kwakungekho ukungabaza ngomsebenzi weNkosi wokuhlenga isintu. Omunye umphumela ukuthi iqiniso lokuvela kweNkosi uJesu kubantu emva kokuvuka Kwakhe futhi ukuvumela abantu bambone futhi bamthinte kwaqinisekisa isintu ngeNkathi Yomusa. kusukela ngaleso sikhathi kuqhubeke, base bengena enkathini entsha, ngokuqala okusha. Kunezincazelo eziphindiwe ngokubonakala kweNkosi uJesu esintwini emva kokuvuka.

Njengoba wayesewumzimba womoya, kwakungenzeka kanjani ukuthi abantu bayithinte Yona futhi bayibone Yona? Lokhu kumayelana nokubaluleka kokubonakala kweNkosi uJesu esintwini. Kukhona yini enikuqaphele kulezi ziqephu zombhalo? Ngokujwayelekile, imizimba womoya ayikwazi ukubonakala noma ukuthinteka, futhi emva kokuvuka umsebenzi iNkosi uJesu eyayikade iwenza, wawuvele usufeziwe. Ngakho, ngokucabanga nje, sasingekho isidingo sokuthi Yona ibuyele phakathi kwabantu ngokwesithombe Sayo semvelo ukuzohlangana nabo, kodwa ukubonakala komzimba womoya weNkosi uJesu kubantu abafana noTomase, kwenza ukubaluleka kwawo kube nesigqi kakhulu, futhi kwangena kwagxila ezinhliziyweni zabantu. Uma efika kuTomase, Yena wavumela uTomase ongabazayo ukuba athinte izandla Zakhe, wayesemtshela: “Letha isandla sakho, bese usifaka ohlangothini Lwami: ungabi ongenalo ukholo, kodwa onokholo.” La mazwi, lokhu kwenza kwakungesizo izinto iNkosi uJesu eyayifuna ukuzenza emva kokuba esevulile kodwa kwakuyizinto owayefuna ukuzenza ngaphambi kokuba abethelwe esiphambanweni. Kunobufakazi bokuthi iNkosi uJesu eyayingakabethelwa esiphambanweni, kakade yayisinokuqonda abantu abanjengo Tomase. Ngakho, singabonani kulokhu? WayeseyiNkosi uJesu efanayo emva kokuvuka Kwakhe. Ingqikithi Yakhe yayingaguqukanga. Ukungabaza kuka Tomase kwakungeve kuqala nje kodwa kwakukade kukuye ngesikhathi sonke ebelandela ngaso iNkosi uJesu, kodwa wabe eyiNkosi uJesu eyayivusiwe ekufeni futhi wayebuyele ezweni laka moya nesiqu sakhe sasekuqaleni, nesimo Sakhe sasekuqaleni, Kanye nokuqonda Kwakhe isintu kusukela ngesikhathi Sakhe esenyameni, ngakho Wahamba ukuyofuna uTomase kuqala, ukuze ivumele uTomase ukuba ayithinte ubambo Lwayo, ukumvumela ukuthi angaboni kuphela umzimba Wayo womoya emva kokuvuka, kodwa ukumvumela ukuba athinte futhi ezwe ubukhona bomzimba Wayo womoya, futhi ahlukane phansi nokungabaza kwakhe. Ngaphambi kokuba iNkosi uJesu ibethelwe esiphambanweni, uTomase wayehlala engabaza ukuthi unguKristu, futhi wayengakukholwa lokhu. Ukukholwa kwakhe kuNkulunkulu kwakumiswe yilokhu akwazi ukukubona ngamehlo akhe, lokho ayekwazi ukukuthinta ngezandla zakhe. INkosi uJesu yayinokuqonda okuhle ngokukholwa kwalolu hlobo lomuntu. Ngala mazwi, umuntu uyakwazi ukubona igunya likaNkulunkulu, kanye negunya lamazwi kaNkulunkulu kanye namandla kaNkulunkulu. Ngenxa yokuthi nguNkulunkulu yedwa onamandla angaka, ngakho nguNkulunkulu yedwa onegunya elikhulu, futhi ngenxa yokuthi uNkulunkulu unegunya elingaka, ngakho nguNkulunkulu yedwa onamandla angaka. Kungaba khona umuntu noma into enegunya namandla angaka? Ikhona impendulo ezinhliziyweni zenu? Ngaphandle kukaNkulunkulu sikhona isidalwa esidaliwe noma esingadalwanga esinegunya elingaka? Nike nasibona isibonelo sento enje kunoma iziphi ezinye izincwadi noma okushicilelwe? Ukhona noma yimuphi umlando othi umuntu othile wadala amazulu nomhlaba kanye nezinto zonke? Akuveli kunoma iziphi ezinye izincwadi noma emlandweni; lawa, ngempela, iwona wodwa amazwi agunyaziwe futhi anamandla ngendalo emangalisayo kaNkulunkulu, abhalwe eBhayibhelini, futhi la mazwi akhuluma ngegunya eliyinqayizele likaNkulunkulu, nobunjalo obuyinqayizele bukaNkulunkulu. Kungashiwo ukuthi igunya namandla angaka kuwuphawu lobunjalo obungqayizele bukaNkulunkulu? Kungashiwo ukuthi ngakaNkulunkulu, futhi uNkulunkulu yedwa? Ukufana kulele ekusebenziseni kukaNkulunkulu amazwi ukwenza lokho ayehlose ukukwenza, futhi umehluko ukuthi lesi siqephu iyingxoxo phakathi kukaNkulunkulu nomuntu, lapho amisa khona isivumelwano nomuntu, futhi watshela umuntu lokho okwakutholakala kulesi sivumelwano. Lokhu kusetshenziswa kwegunya likaNkulunkulu kwafezwa ngesikhathi exoxa nomuntu, okungukuthi, ngaphambili kokudalwa kwesintu, amazwi kaNkulunkulu ayeyimiyalelo nokuthuma ngemilayezo, ayayikhishelwe izidalwa lezo ayehlose ukuzidala. Kodwa manje kwase kukhona umuntu ozozwa amazwi kaNkulunkulu, ngakho amazwi Akhe ayeyikho kokubili, ayeyingxoxo nomuntu kanye futhi nemiyalo nezexwayiso kumuntu, futhi ngaphezu kwalokho, aye yimiyalelo elethwe kozo zonke izinto eziphethwe yigunya Lakhe.

Isiphi isenzo sikaNkulunkulu esibhalwe kulesi siqephu? Kubhalwe ngesivumelwano uNkulunkulu asimisa nomuntu emuva kokubhubhisa Kwakhe umhlaba ngozamcolo, sitshela umuntu ukuthi uNkulunkulu wayengeke aphinde adale imbubhiso enjalo phezu komhlaba, nokuthi, ukuze afeze lokho, uNkulunkulu wadala uphawu—ingabe lwabe luyini uphawu? EmiBhalweni kuthiwa “Ngiyamisa uthingo Lwami emafwini, futhi luyakuba uphawu lwesivumelwano phakathi Kwami nomhlaba.” Lawa amazwi asekuqaleni akhulunywa uMdali esintwini. Lapho esho la mazwi, uthingo lwavela phambi kwamehlo omuntu, lapho olulokhu lukhona kuze kube namhlanje. Wonke umuntu wake walubona uthingo olunjalo, futhi uma ulubona, uyazi ukuthi luvela kanjani? Isayensi ayikwazi ukukufakazela lokhu, noma ukuthola isisusa salo noma ukubona ukuthi lukuphi. Ingenxa yokuthi uthingo uphawu lwesivumelwano phakathi koMdali nomuntu; aludingi isisekelo sesayensi, alwenziwanga umuntu, futhi umuntu

angeke akwazi ukuluguqula. Lokhu kungukuqhubeka kwegunya loMdali emuva kokuthi esekhulumile amazwi Akhe. UMdali wasebenzisa indlela Yakhe ekhethekile ukugcina isivumelwano Sakhe nomuntu nesithembiso Sakhe, ngakho ukusebenzisa Kwakhe uthingo njengophawu lwesivumelwano ayesimisile, kuyisimemezelo nomthetho wasezulwini oyohlala phakade ungaguquki, noma kumayelana noMdali noma isintu esidaliwe. Kepha, lo mthetho ongenakuguqulwa, kufanele kushiwo ukuthi ungokunye ukubonakaliswa kwangempela kwegunya loMdali, kulandela ukudala Kwakhe zonke izinto, kufanele kushiwo ukuthi, igunya namandla oMdali akunamkhawulo; Ukusebenzisa Kwakhe uthingo njengophawu ngukuqhubeka nokwelulwa kwegunya loMdali. Lokhu kwakungesinye isenzo esenziwa nguNkulunkulu esebenzisa amazwi Akhe, futhi kwabe kuwuphawu lwesivumelwano uNkulunkulu ayelumisile nomuntu esebenzisa amazwi. Watshela umuntu ngalokhu ayehlele ukukwenza, nangendlela okwakuzogcwaliseka ngayo futhi kufezekile, futhi ngaleyo ndlela udaba lwagcwaliseka njengokwamazwi aphuma emlonyeni kaNkulunkulu. UNkulunkulu kuphela onamandla angaka, futhi namhlanje, iminyaka eyizinkulungwane eziningi emuva kokuthi ewakhulumile lawa mazwi, umuntu usakwazi ukubuka uthingo olwakhulunywa ngumlomo kaNkulunkulu. Ngenxa yalawo mazwi ashiwo nguNkulunkulu, le nto ilokhu imile ingaguquliwe futhi ingaguqukile. Akekho ongalususa uthingo, akekho ongaguqula imithetho yalo, futhi lukhona ngenxa yamazwi kaNkulunkulu kuphela. Lokhu kuyilo impela igunya likaNkulunkulu. “UNkulunkulu wethembekile, futhi izwi Lakhe lizofezeka, futhi loko okufezekile kuhlala kuze kube phakade.” Lawa mazwi abonakalisiwe lapha ngokusobala, futhi kuwuphawu nesici esicacile segunya namandla kaNkulunkulu. Uphawu noma isici esinje asitholakali noma asibonakali kunoma isiphi isidalwa, hhayi futhi ukuthi siyabonakala kunoma yikuphi okungadalwanga. Sitholakala kuphela kuNkulunkulu oyingqayizivele futhi sihlukanisa ubunjalo nengqikithi yoMdali kuleyo yezidalwa. Ngesikhathi esifanayo, kuwuphawu nesici esisho ukuthi, ngaphandle kukaNkulunkulu uqobo Lwakhe, ngeke kwedlulwa yinoma yikuphi okudaliwe noma okungadalwanga.

Ukumisa kukaNkulunkulu isivumelwano Sakhe nomuntu kwakuyisenzo esibaluleke kakhulu, futhi wayehlase ukusisebenzisa ukukhombisa iqiniso kumuntu nokutshela umuntu intando Yakhe, futhi ukwenza lokho, wasebenzisa indlela eyingqayizivele, wasebenzisa uphawu olukhethekile ukumisa isivumelwano nomuntu, uphawu olwabe luyisethembiso sesivumelwano ayekade esimise nomuntu. Ngakho-ke ukumiswa kwalesi sivumelwano kwabe kuwumcimbi omkhulu? Futhi wabe umkhulu kangakanani? Yilokhu kanye okukhethekile kakhulu ngesivumelwano: akusona isivumelwano esimiswe phakathi komuntu nomunye, noma iqembu kanye nelinye, noma izwe kanye nelinye, kodwa isivumelwano esimiswe phakathi koMdali nesintu sisonke, futhi sizohlala sisebenza kuze kufike usuku lapho uMdali eyoqeda zonke izinto. Ongamele lesi sivumelwano nguMdali, nozosigcina uMdali. Kafushane, ukuphelela

kwesivumelwano sothingo, esamiswa nesintu sagcwaliseka futhi safezeka ngengxoxo phakathi koMdali nesintu futhi sisalokhu simile kuze kube namuhla. Yini enye izidalwa ezingayenza ngaphandle kokuthobela, nokulalela, nokukholwa, kanye nokufakazela kanye nokudumisa igunya loMdali? Ngoba akekho omunye ngaphandle kukaNkulunkulu oyingqayizivele onamandla okumisa isivumelwano esinjengalesi. Ukuvela kothingo, njalo njalo, kuyamemezela esintwini futhi kuyasibiza ukuthi siqaphele isivumelwano phakathi koMdali nesintu. Ukuvela njalo kwesivumelwano phakathi koMdali nesintu, okukhonjiswa esintwini akulona nje uthingo noma isivumelwano uqobo lwaso kodwa igunya elingaguquki loMdali. Ukuvela kothingo, njalo njalo kukhombisa izenzo ezinkulu nezimangalisayo ezenziwa uMdali ezindaweni ezifihlakele, kanti ngaleso sikhathi, isinika isithombe esisemqoka, segunya loMdali elingasozela lanyamalala futhi elingasozela laguquka. Akukhona lokhu okunye ukubonakaliswa kwenye ingxenye yegunya loMdali eliyinqayizivele?

## **Amazwi KaNkulunkulu Ansukuzonke (Okucashuniwe 144)**

Ukulinga KukaSathane

NgokukaMathewu 4:1-4 Khona-ke uJesu waholelwa nguMoya ehlane ukuba alingwe ngudeveli. Esezile izinsuku ezingamashumi amane nobusuku obungamashumi amane, ekugcineni wabe eselamba. Kwathi lapho kufika umlingi, wathi, Uma uyiNdodana kaNkulunkulu, tshela la matshe ukuba abe yizinkwa. Kepha waphendula wathi, Kulotshiwe ukuthi akusinkwa kuphela umuntu angaphila ngaso, kodwa ngawo wonke amazwi aphuma emlonyeni kaNkulunkulu.

Lawa ngamazwi uSathane azama ngawo okokuqala ukulinga iNkosi uJesu. Ingabe yini equkethwe yilokho okwashiwo ngudeveli? (“Uma uyiNdodana kaNkulunkulu, tshela la matshe ukuba abe yizinkwa.”) La mazwi ashiwo udeveli alula impela, kepha ingabe ikhona inkinga ngengqikithi yawo? Udeveli wathi, “Uma uyiNdodana kaNkulunkulu,” kodwa enhliziyweni yakhe, ingabe wayazi noma cha ukuthi uJesu wabe eyiNdodana kaNkulunkulu? Ingabe wayazi noma cha ukuthi wabe enguKristu? (Wayazi.) Ngakho kungani wathi “Uma unguye”? (Wayezama ukulinga uNkulunkulu.) Kodwa kwakuyini inhloso yakhe ngokwenzenjalo? Wathi, “Uma uyiNdodana kaNkulunkulu.” Enhliziyweni yakhe wayazi ukuthi uJesu Kristu wabe eyiNdodana kaNkulunkulu, lokhu kwabe kucace ngokusobala enhliziyweni yakhe, kepha phezu kokwazi lokhu, ingabe wathoba yini wamkhonza? (Cha.) Wayefuna ukwenzani? Wayefuna ukusebenzisa le ndlela nala mazwi ukuthukuthelisa iNkosi uJesu, abese eyiyenga ukuthi yenze njengezinhloso zakhe. Kwakungelowo yini umqondo owawusemazwini kadeveli? Enhliziyweni kaSathane, wayazi ngokucacile ukuthi lo kwabe kuyiNkosi uJesu Kristu, kodwa washo lawo mazwi noma kunjalo. Akuyona yini imvelo kaSathane lena? Ingabe iyini imvelo kaSathane? (Ukuba yiqili, ububi, nokungahloniphi uNkulunkulu.) Yimiphi imiphumela eyayingalethwa ukungahloniphi uNkulunkulu? Ingabe wayengafuni ukuhlasela uNkulunkulu? Wayefuna ukusebenzisa le ndlela ukuhlasela uNkulunkulu, ngakho-ke wathi, “Uma uyiNdodana kaNkulunkulu, tshela la matshe ukuba abe izinkwa”; ingabe akuyona inhloso kaSathane embi

lena? Ingabe wayezama ukwenzani empeleni? Inhloso yakhe icace kakhulu: Wayezama ukusebenzisa le ndlela ukuphikisa isikhundla kanye nobunjalo beNkosi uJesu Kristu. Ayekuqonde ngalawo mazwi ukuthi, “Uma uyiNdodana kaNkulunkulu, phendula la matshe abe yizinkwa. Uma ungakwenzi, khona-ke awuyona iNdodana kaNkulunkulu futhi ungabe usawenza lo msebenzi.” Ingabe akunjalo? Wayefuna ukusebenzisa le ndlela ukuhlasela uNkulunkulu, wayefuna ukuhlakaza nokubhidliza umsebenzi kaNkulunkulu; lobu ububi bukaSathane. Ububi bakhe ukuvezwa ngokwemvelo kobunjalo bakhe. Nakuba wayazi ukuthi iNkosi uJesu Kristu yabe iyiNdodana kaNkulunkulu, ukuba sesimweni somuntu kukaNkulunkulu uqobo Lwakhe ngempela, ayikho into ayengayenza ngaphandle kokuthi enze into efana nale, ukulandela uNkulunkulu eduze nokuqhubeka nokumhlasela nokwenza imizamo emikhulu yokuthikameza nokuchitha umsebenzi kaNkulunkulu.

Manje, asihlaziye lo mshwana uSathane awukhuluma: “Tshela la matshe ukuba abe yizinkwa.” Ukuphendula amatshe abe yizinkwa—ingabe lokho kukhona okukuchazayo? Uma kukhona ukudla, yini angakudli? Kubaluleke ngani ukuphendula amatshe abe ukudla? Kungathiwa akunamqondo lapha? Nakuba yayizile ukudla ngaleso sikhathi, ngokuqinisekile iNkosi uJesu yayinakho ukudla? (Yayinakho.) Ngakho, lapha sibona ubuthutha obumangalisayo bamazwi kaSathane. Ngoba kukho konke ukukhohlisa nenzondo yakhe, sisabona ubuthutha nokuhlekisa kwakhe. USathane wenza izinto eziningi obona kuzo imvelo yakhe enenzondo; umbona enza izinto eziphazamisa umsebenzi kaNkulunkulu, futhi lapho ubona lokhu, uzwa ukuthi unenzondo nokuthukuthelisa. Kodwa, ngakolunye uhlangothi, ingabe awuyiboni imvelo enobungane nokungabi nangqondo emazwini nasezenzweni zakhe? Lokhu kuyisambulo ngesimilo sikaSathane; ngoba unalolu hlobo lwesimilo, uzolwenza lolu hlobo lwento. Kubantu namuhla, lo mshwana unobuwula obumangalisayo, futhi uyahlekisa. Kepha amazwi anjalo angashiwo ngempela nguSathane. Singathi akanalo ulwazi futhi akanangqondo? Ububi bukaSathane kukhona yonke indawo futhi buhlala bembulwa. Ingabe iNkosi uJesu yamphendula kanjani-ke? (“Umuntu akanakuphila ngesinkwa kuphela, kodwa ngawo wonke amazwi aphuma emlonyeni kaNkulunkulu.”) Ingabe la mazwi anawo amandla? (Anawo.) Kungani sithi anamandla? Kungenxa yokuthi la mazwi ayiqiniso. Manje-ke, ingabe umuntu uphila ngesinkwa kuphela? INkosi uJesu yazila ukudla izinsuku nobusuku obungamashumi amane. Ingabe yabulawa yindlala? (Cha.) Ayizange ibulawe yindlala, ngakho uSathane weza Kuyo, eyigququzela ukuthi iphendule amatshe abe ukudla ngokusho izinto ezinjengalezi: “Uma uphendula amatshe abe ukudla, ngeke yini ube nezinto ongazidla? Ngeke yini ungadingi ukuzila ukudla, futhi ungalambi?” Kodwa iNkosi uJesu yathi, “Umuntu akanakuphila ngesinkwa kuphela,” okusho ukuthi, nakuba umuntu ephila emzimbeni wenyama, akukhona ukudla okuvumela umzimba wakhe wenyama ukuthi uphile futhi uphefumule, kodwa yiwo wonke

amazwi aphuma emlonyeni kaNkulunkulu. Ngasohlangothini olulodwa, la mazwi ayiqiniso; anika abantu ukholo, abenza bezwe ukuthi bangancika kuNkulunkulu nokuthi uNkulunkulu uliqiniso. Ngakolunye uhlangothi, ingabe ikhona ingxenye engokoqobo kula mazwi? Ngabe iNkosi uJesu yayingalokhu imi futhi isaphila emva kokuba seyizile ukudla izinsuku nobusuku obungamashumi amane? Ingabe lokhu akusona isibonelo sangempela? Yayingakaze idle kudla izinsuku nobusuku obungamashumi amane, kodwa yayisaphila. Lobu ubufakazi obunamandla obuqinisekisa amazwi Akhe. La mazwi alula, kodwa mayelana neNkosi uJesu, ingabe la mazwi yawakhuluma kuphela lapho uSathane eyilinga, noma ayesevele eyingxenye Yayo ngokwemvelo? Ukukubeka ngenye indlela, uNkulunkulu uliqiniso, futhi uNkulunkulu ungukuphila, kodwa ingabe iqiniso nokuphila kukaNkulunkulu kwakuyisengezo esafakwa kamuva? Ingabe avela kulokho ayedlule kukho? Cha—asemvelweni kaNkulunkulu. Okusho ukuthi, iqiniso nokuphila kuyingqikithi kaNkulunkulu. Noma yini eyenzeka Kuye, lokho akuvezayo yiqiniso. Leli qiniso, la mazwi—noma ngabe akuqukethe kude noma kufushane—angenza umuntu ukuthi aphile, anganika umuntu ukuphila; angenza ukuthi abantu bathole ukucaciseleka ngendlela yokuphila komuntu, futhi abenze bakwazi ukukholwa kuNkulunkulu. Ngamanye amazwi, umthombo wokusebenzisa kukaNkulunkulu la mazwi muhle. Ngakho singasho ukuthi le nto enhle ingcwele? (Yebo). Lawo mazwi kaSathane avela emvelweni kaSathane. USathane uveza imvelo yakhe ekhohlakele futhi enenzondo yonke indawo, njalo nje. Manje, ngabe uSathane wambula lezi zinto ngokwemvelo nje? Kukhona yini umuntu otshela uSathane ukuba enze lokhu? Ukhona omphoqayo? (Cha). Uyazenzela lezi zambulo. Lokhu kuyingqikithi kaSathane embi. Noma ngabe uNkulunkulu wenzani, noma futhi uyenza kanjani, uSathane umlandela eduze. Inggikithi kanye nemvelo yangempela yalezi zinto uSathane azishoyo nazenazo ziyingqikithi kaSathane—ingqikithi ekhohlakele futhi enenzondo.

## **Amazwi KaNkulunkulu Ansukuzonke (Okucashuniwe 145)**

NgokukaMathewu 4:5-7 Khona-ke udeveli umthatha umyisa edolobheni elingcwele, futhi ummisa esicongweni sethempeli, Wase ethi Kuye, Uma uyiNdodana kaNkulunkulu ziphonse phansi: ngokuba kulotshiwe, Uyakuyaleza izingelosi Zakhe Ngawe: zikuthwale ngezandla zazo, ukuze unyawo Lwakho lungaqhuzuki noma inini etsheni. UJesu wathi kuye, Kulotshiwe futhi ukuthi, Ungayilingi iNkosi uNkulunkulu Wakho.

Masiqale sibone amazwi akhulunywa uSathane lapha. Wathi, “Uma uyiNdodana kaNkulunkulu ziphonse phansi,” wayesecaphuna emiBhalweni: “Uyakuyaleza izingelosi Zakhe Ngawe: zikuthwale ngezandla Zazo, ukuze unyawo Lwakho lungaqhuzuki noma inini etsheni.” Uzizwa unjani uma uzwa amazwi kaSathane? Ingabe awakhombisi ubungane kakhulu?

---

Anobungane, anobuwula abumangalisayo futhi ayanenga. Ingabe kungani ngisho lokhu? USathane uhlale enza izinto ezinobulima, futhi ukholwa ukuthi uhlakaniphe kakhulu. Uvame ukucaphuna emiBhalweni—ngisho amazwi akhulunywa nguNkulunkulu impela—ezama ukuphendula la mazwi ukuba amelane noNkulunkulu ukuze amhlasele futhi amlinge ngomzamo wokufeza inhloso yakhe yokuphazamisa uhlelo lomsebenzi kaNkulunkulu. Kukhona okwazi ukukubona kula mazwi akhulunywa uSathane? (USathane unezinhloso ezimbi.) Kukho konke akwenzayo uSathane, uhlale ezama ukulinga isintu. USathane akakhulumi kuqonde, kodwa ukhuluma ngendlela egwegwesayo esebenzisa ukulinga, ukukhohlisa, nokuyenga. USathane uqhamukela ukulinga kwakhe uNkulunkulu sengathi uNkulunkulu uwumuntu ojwayelekile, ekholwa ukuthi uNkulunkulu naye akanalwazi, uyisiwula, futhi akakwazi ukubona isimo sangempela sezinto, njengoba umuntu engakwazi nje. USathane ucabanga ukuthi uNkulunkulu nomuntu, ngokufana, ngeke babone ngale kwengqikithi yakhe, nenkohliso, nenhloso yakhe embi. Akuyibo yini ubuwula bukaSathane lobu? Ngaphezu kwalokho, uSathane ucaphuna ngokusobala imibhalo, ekholwa ukuthi ukwenzenjalo kumnika ukwethembeka, nokuthi ngeke ukwazi ukuthola amaphutha emazwini akhe noma ugweme ukwenziwa isiwula yilokhu. Lokhu kufana nalapho abantu besabalalisa ivangeli futhi befakazela uNkulunkulu: Ngeke yini ngezinye izikhathi abantu abangakhulwa basho into efana nale uSathane ayisho? Nike nabezwa abantu besho okufanayo? Uzizwa unjani uma uzwa izinto ezinjalo? Uzwa unokunengeka? (Yebo.) Uma uzizwa unengekile, ingabe uzwa ukwenyanya nenzondo? Lapho unale mizwa, uyakwazi yini ukubona ukuthi uSathane nesimo esonakele uSathane asifaka kumuntu kubi? Ezinhliziyweni zenu nike nibe nokubona ukuthi, “Lapho uSathane ekhuluma, usuke ehlasela futhi elinga; amazwi kaSathane awanangqondo, ayahlekisa, anobungane futhi ayanyanyeka; nokho, uNkulunkulu akasoze akhulume noma asebenze ngale ndlela, futhi ngempela, akaze enze njalo? Impela, kulesi simo abantu bakwazi ukukuzwa ngokufipheleyo, futhi bahlale bengakwazi ukuqonda ukuqonda ubungcwele bukaNkulunkulu. Akunjalo? Ngesiqu senu samanje, nizwa ukuthi nje: “Konke uNkulunkulu akushoyo kuyiqiniso, kuwusizo kithi, futhi kufanele sikwemukele”. Akukhathaleki ukuthi niyakwazi ukukwemukela lokhu noma cha, nisho ngokungaphezi ukuthi izwi likaNkulunkulu liyiqiniso nokuthi uNkulunkulu uyiqiniso, kodwa anazi ukuthi iqiniso uqobo lingcwele nokuthi uNkulunkulu ungacwele.

Ngakho-ke, yathini impendulo kaJesu emazwini kaSathane? UJesu wathi kuye, “Kulotshiwe futhi ukuthi, Ungayilingi iNkosi uNkulunkulu wakho.” Ingabe likhona iqiniso kula mazwi uJesu awasho? (Yebo.) Likhona iqiniso kuwo. Emehlweni, la mazwi awumyalelo okufanele abantu bawulandele, umshwana olula, kodwa noma kunjalo, abantu noSathane bavamile ukuwephula la mazwi. Ngakho, iNkosi uJesu yathi kuye, “Ungayilingi iNkosi uNkulunkulu wakho.” ngoba yilokhu uSathane ayevame ukukwenza, enza yonke imizamo

ukukwenza. Kungashiwo ukuthi uSathane wakwenza lokhu ngokusobala nangaphandle kwamahloni. Kuyimvelo kaSathane ebalulekile ukungesabi uNkulunkulu nokungahloniphi uNkulunkulu enhliziyweni yakhe. Nalapho uSathane emi eceleni kukaNkulunkulu futhi ekwazi ukumbona, uSathane akakwazanga ukuzibamba angamlingi uNkulunkulu. Ngakho-ke, iNkosi uJesu yathi kuSathane, “Ungayilingi iNkosi uNkulunkulu wakho.” Lawa ngamazwi uNkulunkulu ayevame ukuwusho kuSathane. Ngakho, ingabe kufanelekile yini ukusebenzisa la mazwi namhlanje? (Yebo, ngoba sihlala simlinga uNkulunkulu.) Kungani abantu behlala belinga uNkulunkulu? Ingabe yingoba abantu bagcwele isimo esikhohlakele sobusathane? (Yebo.) Ngakho ingabe amazwi kaSathane angaphezulu kwalokho abantu abavame ukukusho? Futhi abantu bawasho kuziphi izimo la mazwi? Umuntu angasho ukuthi abantu kade besho izinto ezinje ngaphandle kokubheka isikhathi noma indawo. Lokhu kufakazela ukuthi isimo sabantu asehlukile neze esimweni esikhohlakele sikaSathane. INkosi uJesu yasho amazwi alula ambalwa, amazwi amele iqiniso, amazwi adingwa abantu. Nokho, kulesi simo ingabe iNkosi uJesu yayikhulma kanje ukuze iqophisane noSathane? Ingabe yayikhona into eyayinokulwa kulokho eyakusho kuSathane? (Cha.) Ingabe iNkosi uJesu yezwani enhliziyweni Yayo ngokulinga kukaSathane? Ingabe Yazizwa inengekile futhi yenyanya? (Yebo.) INkosi uJesu yazizwa inengekile futhi yenyanya kodwa ayizange iqophisane noSathane, ingasaphathwa eyokukhuluma ngezimiso eziphakeme. Ingabe kungani lokho? (Yingoba uSathane uhlala enje, akasoze aguquka.) Kungashiwo ukuthi uSathane akanangqondo? (Yebo, singasho.) USathane angabona yini ukuthi uNkulunkulu uyiqiniso? USathane akasoze abona ukuthi uNkulunkulu uyiqiniso futhi akasoze avuma ukuthi uNkulunkulu uyiqiniso; kusekhona enye ingxenye yemvelo kaSathane enyanyekayo. Iyiphi? Emizamweni yakhe yokulinga iNkosi uJesu, uSathane wayecabanga ukuthi ngisho noma wayengeke aphumelele, wayezozama noma kunjalo. Nakuba wayezosolwa, wayezokwenza noma kunjalo. Nakuba wayengeke athole lutho oluhle ngokukwenza, wayezokwenza noma kunjalo, aphikelele emizamweni yakhe futhi amelane noNkulunkulu kuze kube sekugcineni ngci. Luhlobo luni lwemvelo lolu? Alulubi? Uma umuntu ethukuthela abe nolaka olukhulu lapho kuphathwa uNkulunkulu, ingabe uke wambona uNkulunkulu? Ingabe uyazi ukuthi ungubani uNkulunkulu? Akazi ukuthi uNkulunkulu ungubani, akakhulwa Kuye, futhi uNkulunkulu akakaze akhulume naye. UNkulunkulu akakaze amthikameze, ngakho uthukuthelswa yini? Singasho yini ukuthi lo muntu mubi? Imikhuba yomhlaba, ukudla, ukuphuza, nokufuna injabulo, ukulandela abantu abadumile—akukho nokukodwa kulokhu okungahlupha umuntu onjalo. Kodwa ngokuphathwa nje kwegama elithi “Nkulunkulu” noma iqiniso lamazwi kaNkulunkulu, uthukuthela kabi. Lokhu akuqukethe yini imvelo embi? Lokhu kuwubufakazi obenele bokuthi lena yimvelo yomuntu embi. Manje, uma nizikhulumela nina, zikhona yini izikhathi okuthi lapho kuphathwa iqiniso, noma lapho kukhulunywa ngokuvivinya kukaNkulunkulu isintu noma lapho kuphathwa amazwi kaNkulunkulu okwehlulela umuntu,

uzwe ukucasuka; uzizwe wenyanya, futhi ungafuni ukuzwa ngezinto ezinjalo? Izinhliziyu zenu zingacabanga: “Abasho yini bonke abantu ukuthi uNkulunkulu uyiqiniso? Amanye ala mazwi awalona iqiniso! Ngokucacile angamazwi kaNkulunkulu okukhuza umuntu nje!” Abanye abantu bangaze bazizwe benokwenyanya okunamandla ezinhliziyweni zabo, bese becabanga: “Lokhu kukhulunywa ngakho nsuku zonke—kuyoze kube nini? Kuyophela nini konke lokhu? Siyosithola nini isiphetho esihle?” Akwaziwa ukuthi lolu laka olungenangqondo luvelaphi. Luhlobo luni lwemvelo lolu? (Yimvelo embi.) Iqondiswa futhi iholwe yimvelo embi kaSathane. Ngokwehlo likaNkulunkulu, ngokuphathelene nemvelo embi kaSathane kanye nesimo esonakele somuntu, akaphikisani nhlobo noma abambele abantu amagqubu, futhi akasusi msindo nhlobo uma abantu benza okuthile ngobuwula. Ngeke nibone uNkulunkulu eba nemibono efana naleyo abantu abanayo ngezinto, futhi, ngaphezu kwalokho, ngeke nimbone esebenzisa imibono, ulwazi, isayensi, ifilosofi noma ukucabanga komuntu ukubhekana nezinto. Esikhundleni salokho, konke uNkulunkulu akwenzayo kanye nakho konke akwambulayo kuxhumene neqiniso. Okungukuthi, wonke amazwi awashilo kanye nazo zonke izenzo azenzile ziphathelene neqiniso. Leli qiniso aliyona into nje eyiphupho elingenasisekelo; leli qiniso nala mazwi kuvezwa nguNkulunkulu ngenxa yengqikithi kanye nokuphila Kwakhe. Ngenxa yokuthi la mazwi kanye nengqikithi yakho konke uNkulunkulu akwenzile kuyiqiniso, singasho ukuthi ingqikithi kaNkulunkulu ingcwele. Ngamanye amazwi, konke uNkulunkulu akushoyo nakwenzayo kuletha umdlandla nokukhanya kubantu, kuvumela abantu ukuthi babone izinto ezinhle kanye nobukhona bangempela balezo zinto ezinhle, futhi kukhombisa isintu indlela ukuze sihambe endleleni elungile. Lezi zinto zinqunywa yingqikithi kaNkulunkulu nayingqikithi yobungcwele Bakhe.

## **Amazwi KaNkulunkulu Ansukuzonke (Okucashuniwe 146)**

NgokukaMathewu 4:8-11 Futhi, udeveli ubuye umyisa entabeni ende kakhulu, futhi umbonisa imibuso yonke yomhlaba, nenkazimulo yayo; Futhi wathi Kuye, Konke lokhu ngizokunika khona uma ungawa phansi futhi ukhuleke kimi. Khona-ke uJesu wathi kuye, Suka, Sathane ngokuba kulotshiwe ukuthi: Uyokhuleka eNkosini uNkulunkulu Wakho, futhi umkhonze Yena Yedwa. Khona-ke udeveli uyamshiya, futhi, bheka, kwase kufika izingelosi zamkhonza.

USathane ongudeveli, esehlulekile emaqhingeni akhe amabili angaphambilini, wazama elinye nokho: Wakhombisa iNkosi uJesu yonke imibuso emhlabeni nenkazimulo yayo wayesemcela ukuba akhuleke kuSathane. Ingabe ubonani mayelana nezici zangempela zikaSathane kulesi simo? Ingabe uSathane omubi akanamahloni nhlobo? (Yebo.) Akanamahloni ngayiphi indlela? Konke kwadalwa nguNkulunkulu, kepha uSathane waphenduka wakhombisa

uNkulunkulu zonke izinto, ethi, “Bheka ingcebo nenkazimulo yayo yonke le mibuso. Uma ukhuleka kimi ngiyoyinika Wena yona yonke.” Ingabe akukhona ukuphanjaniswa kwezindawo lokhu? Akanamahloni uSathane? UNkulunkulu wenza izinto zonke, kodwa ingabe kwakungokokuzithokozisa Yena? UNkulunkulu wanika isintu zonke izinto, kepha uSathane wayefuna ukuziqhwaga zonke, futhi esekuqhwa konke wathi, “Khuleka kimi! Khuleka kimi futhi ngiyokunika konke lokhu.” Lobu ubuso obubi bukaSathane; akalazi ngokuphelele ihlazo! USathane akayazi ngisho incazelo yegama elithi “ihlazo.” Lokhu kungesinye nje isibonelo sobubi bakhe. Akazi ngisho ukuthi “ihlazo” liyini. USathane uyazi ngokucacile ukuthi uNkulunkulu wadala zonke izinto nokuthi ubusa phezu kwazo zonke izinto. Zonke izinto akuyizo ezomuntu, ingasaphathwa ekaSathane, kodwa ezikaNkulunkulu, nokho uSathane ongudeveli washo ngaphandle kwamahloni wathi wayeyomnika konke uNkulunkulu. Ingabe lokhu akusona esinye isibonelo sikaSathane ephinda enza ngobuwula nokungesabi ihlazo? Lokhu kwenza uNkulunkulu amzonde nakakhulu uSathane, akunjalo? Kepha kungakhathaleki ukuthi yini ayeyizama uSathane, ingabe iNkosi uJesu yaphambeka? Yathini iNkosi uJesu? (“Wokhuleka eNkosini uNkulunkulu wakho, futhi ukhonze Yena Yedwa.”) Ingabe la mazwi anencazelo yoqobo? (Yebo.) Luhlobo luni lwencazelo yoqobo? Sibona ububi nokungabi namahloni kukaSathane enkulumweni yakhe. Ngakho uma umuntu ekhuleka kuSathane, kungaba yini isiphetho? Angayithola ingcebo nenkazimulo yayo yonke imibuso? (Cha.) Ingabe angatholani? Isintu ngeke singabi namahloni futhi sibe yinsini njengoSathane nje? (Yebo.) Ngeke bahluke-ke kuSathane. Ngakho-ke, iNkosi uJesu yasho la mazwi abalulekile kumuntu ngamunye: “Wokhuleka eNkosini uNkulunkulu wakho, futhi ukhonze Yena Yedwa,” Lokhu kusho ukuthi ngaphandle kweNkosi, ngaphandle kukaNkulunkulu uqobo Lwakhe, uma ukhonza omunye, uma ukhuleka kuSathane ongudeveli, khona-ke ubhuquza ekungcoleni njengoSathane. Uyobe sewuthola isabelo sokungabi namahloni kukaSathane nobubi bakhe, futhi njengoSathane, uyolinda uNkulunkulu futhi uhlasele uNkulunkulu. Khona-ke isiphetho sakho singaba yini? Unganyanywa nguNkulunkulu, ushaywe uwiswe nguNkulunkulu, futhi ubhujiswe nguNkulunkulu. Emuva kokuthi uSathane eselinge iNkosi uJesu izikhathi eziningi engaphumeleli, ingabe wazama futhi? USathane akabange esazama futhi wabe esehamba. Lokhu kufakaza ukuthini? Kufakaza ukuthi imvelo embi kaSathane, inzondo yakhe, nokungabi nangqondo kanye nobuwula obumangalisayo kwakhe, akudingi ngisho ukuphathwa phambi kukaNkulunkulu. INkosi uJesu yehlula uSathane ngemisho emithathu kuphela, okwathi emuva kwalokho wabaleka nomsila uphakathi kwemilenze, esenamahloni kakhulu ukuthi angaphinde aveze ubuso bakhe, futhi akaphindanga walinga iNkosi uJesu. Njengoba iNkosi uJesu yabe ikunqobile ukulinga kukaSathane, manje yabe isikwazi ukuqhubeka kalula nomsebenzi okwakufanele iwenze nokubhekana nemisebenzi eyabe iphambi Kwayo. Ingabe yonke into iNkosi uJesu eyayenza neyayisho kulesi simo iphethe incazelo ewusizo ngokoqobo kumuntu

wonke uma isetshenziswa esikhathini samanje? (Yebo.) Lapho wedlula ezilingweni zikaSathane empilweni yakho, futhi uma ukwazi ukubona ngaleya kwemvelo kaSathane ekhohlakele, ngeke yini ungamehluli? Uma wazi ngobuwula obumangalisayo nokungabi nangqondo kukaSathane ingabe usengama ngakuSathane uhlasele uNkulunkulu? Uma uqonda ukuthi ukuba nenzondo nokungabi namahloni kukaSathane kukhonjiswa kanjani ngawe—uma uziqaphela futhi uziqonda ngokucacile lezi zinto—usengahlasela futhi ulinge uNkulunkulu ngale ndlela? (Cha, ngeke.) Ungenzani? (Singamhlubuka uSathane futhi simlahle.) Ingabe yinto elula ukuyenza leyo? Akulula. Ukuze benze lokhu, abantu kufanele bathandaze njalo, kufanele bavame ukuzibeka phambi kukaNkulunkulu, bese bezihlola. Futhi kufanele bavumele ukuqondisa kukaNkulunkulu kanye nokwehlulela nokusola Kwakhe kwehlele phezu kwabo. Yile ndlela kuphela abantu abangazikhipha ngayo kancane kancane ngaphansi kokukhohlisa nokulawula kukaSathane.

Manje, ngokubuka wonke la mazwi akhulunywa nguSathane, sizozoqa izinto ezakha ingqikithi kaSathane. Okokuqala, ingqikithi kaSathane kungathiwa ikhohlakele kakhulu ngokujwayelekile, okuphikisana nobungcewele bukaNkulunkulu. Kungani ngithi ingqikithi kaSathane imbi? Ukuphendula lo mbuzo, umuntu kufanele abheke imiphumela yalokho uSathane akwenza kubantu. USathane ukhohlakalisa aphinde alawule umuntu, futhi umuntu wenza izinto ngaphansi kwesimo esikhohlakele sikaSathane, futhi uhlala ezweni labantu abakhohlakaliswe nguSathane. Isintu, singazi, siphathwa futhi sigwinywe nguSathane; umuntu, ngalokho, unesimo esikhohlakele sikaSathane, okuyimvelo kaSathane. Kuyo yonke into uSathane ayishilo nayenzile, nikubonile ukuzithwala kwakhe? Niyibonile inkohliso nenzondo yakhe? Ukuzithwala kukaSathane ikakhulu kukhonjiswa kanjani? Ingabe uSathane uhlale efisa ukuthatha isikhundla sikaNkulunkulu? USathane uhlale njalo efuna ukucekela phansi umsebenzi kaNkulunkulu nesikhundla sikaNkulunkulu bese ezithathela sona ukuze abantu balandele, beseke futhi bakhonze uSathane; le yimvelo kaSathane yokuzithwala. Lapho uSathane ekhohlakalisa abantu, ngabe ubatshela ngokuqondile ukuthi benzeni? Uma uSathane elinga uNkulunkulu, ngabe uphumela obala athi, “Ngiyakulinga Wena, ngizokuhlasela” Akenzi nhlobo kanjalo. Usebenzisa yiphi-ke indlela uSathane? Uyayenga, uyalinga, uyahlasela, acuphe ugibe, futhi uze acaphune emiBhalweni. USathane ukhuluma futhi enze ngezindlela ezihlukahlukene ukufeza izinhloso zakhe. Emuva kokuthi uSathane esekwenzile lokhu, yini ebonakala kulokho okubonakaliswa kumuntu? Ingabe abantu bayazithwala? Umuntu usehlushwe yinkohlakalo kaSathane izinkulungwane zeminyaka, ngakho manje umuntu useyazithwala, unenkohliso, unenzondo futhi akanangqondo. Zonke lezi zinto zivela ngenxa yemvelo kaSathane. Njengoba imvelo kaSathane ikhohlakele, usenike umuntu le mvelo ekhohlakele futhi uselethele umuntu lesi simo esikhohlakele. Ngakho-ke umuntu uphila ngaphansi kwesimo esikhohlakele sobusathane, futhi, njengoSathane, umelana noNkulunkulu, uhlasele uNkulunkulu, futhi

### **Indlela USathane Asebenzisa Ngayo Ulwazi Ukuze Akhohlakalise Umuntu**

Ingabe ulwazi luyinto ecatshangwa yiyo bonke abantu njengento enhle? Okungenani, abantu bacabanga ukuthi incazelo yegama “ulwazi” inhle kunokuba yimbi. Ngakho kungani sithi lapha uSathane usebenzisa ulwazi ukukhohlakalisa umuntu? Ingabe umbono wokuvela kwezinto kwezinye awuyona yini ingxenye yolwazi? Ingabe imithetho yezesayensi kaNewton ayiyona ingxenye yolwazi? Amandla omhlaba okudonsela phansi ayingxenye yolwazi, akunjalo? (Yebo.) Ngakho kungani ulwazi lubalwe phakathi kwezinto uSathane azisebenzisayo ukukhohlakalisa umuntu? Uyini umbono wenu ngalokhu? Ingabe ulwazi lunalo ngisho elincane iqiniso kulo? (Cha.) Ngakho yini ingqikithi yolwazi? Ulwazi umuntu alufundayo, lufundwa ngasiphi isisekelo? Ingabe lusekelwe embonweni wokuvela kwezinto kwezinye? Ingabe ulwazi umuntu aseluthole ngokuhlola nokuphuma nesinqumo lusekelwe embonweni othi uNkulunkulu akekho? Ingabe noma iluphi lolu lwazi lunakho ukuxhumana noNkulunkulu? Luxhumene yini nokukhonza uNkulunkulu? Luxhumene neqiniso? (Cha.) Ngakho uSathane ulusebenzisa kanjani ulwazi ukukhohlakalisa umuntu? Ngiqeda ukusho ukuthi akukho lutho kulolu lwazi okuxhumene nokukhonza uNkulunkulu noma neqiniso. Abanye abantu bakucabanga kanje: “Ulwazi kungenzeka ukuthi aluhlanganisi lutho neqiniso, kodwa nalapho, alubakhohlakalisi abantu.” Ingabe nikubuka kanjani lokhu? Ingabe wafundiswa ulwazi ukuthi injabulo yomuntu kufanele yakhiwe yizandla zakhe zombili? Ingabe ulwazi lukufundise ukuthi lokho umuntu akudalelwe kusezandleni zakhe uqobo? (Yebo.) Ingabe uhlobo luni lwenkulumo lolu? (Imbudane.) Nishaye khona! Kuyimbudane! Kuyinkimbinkimbi ukukhuluma ngolwazi. Ungakubeka kalula nje uthi umkhakha wolwazi awulutho nje ngaphandle kokuba ulwazi. Lowo umkhakha wolwazi ofundwe esisekelweni sokungakhonzi uNkulunkulu nokungaqondi ukuthi uNkulunkulu wadala zonke izinto. Uma abantu befunda lolu hlobo lo lwazi, abamboni uNkulunkulu ebusa phezu kwezinto zonke, abamboni uNkulunkulu ephethe noma elawula zonke izinto. Esikhundleni salokho, konke abakwenzayo ukucwaninga nokuhlola lowo mkhakha wolwazi nokufuna izimpendulo ngokusekelwe olwazini. Kepha, akulona yini iqiniso ukuthi uma abantu bengakholwa kuNkulunkulu futhi esikhundleni salokho beshisekela ukucwaninga, abasoze bazithola izimpendulo zangempela? Lonke lolu lwazi lukunika ukuphila, umsebenzi, iholo ukuze ungalambi; kodwa alusoze lwakusiza ukuthi ukhonze uNkulunkulu, futhi ngeke lukugcine ukude nobubi. Lapho ufunda ulwazi ngokwengeziwe, uzofisa ngokwengeziwe ukuhlubuka

kuNkulunkulu, ukucwaninga uNkulunkulu, ukulinga uNkulunkulu, nokumelana noNkulunkulu. Ngakho, yini esiyibonayo ulwazi oluyifundisa abantu? Konke kuyifilosofi kaSathane. Ingabe amafilosofi nemithetho yokuphila esabalaliswa nguSathane phakathi kwabantu abakhohlakele inakho yini ukuxhumana neqiniso? Akuhlanganise lutho neqiniso, futhi, empeleni, kuphambene neqiniso. Abantu bavame ukuthi, “Ukuphila ukuhamba.” nokuthi “Umuntu yinsimbi, ilayisi yinsimbi exutshiwe, umuntu ufa yindlala uma eqa isikhathi sokudla”; ziyini lezi zisho? Ziwukukholwa okuyize futhi kuyanyanyisa ukuzizwa. Kulokhu okuthiwa ulwazi lomuntu, uSathane ufake eningi impela ifilosofi yakhe yokuphila kanye nokucabanga kwakhe. Futhi njengoba uSathane enza lokhu, uvumela umuntu ukuthi athathe ukucabanga, ifilosofi kanye nombono wakhe ukuze umuntu aphike ubukhona bukaNkulunkulu, aphike ukubusa kukaNkulunkulu phezu kwakho konke nakulokho umuntu akudalelwe. Ngakho, lapho izifundo zomuntu ziqhubeka, futhi ethola ulwazi olwengeziwe, uzwa ubukhona bukaNkulunkulu bufiphala, futhi angase angabe esezwa ukuthi uNkulunkulu ukhona. Ngoba uSathane wengeze imibono, imiqondo nemicabango emqondweni womuntu, ingabe umuntu akakhohlakali ngalesi sikhathi (Yebo.) Ingabe yini umuntu asekele ngayo impilo yakhe manje? Ingabe ngempela uphila ngokuncika kulolu lwazi? Cha; umuntu usekela impilo yakhe ngemicabango, imibono, namafilosofi kaSathane afihlwe kulolu lwazi. Umnyombo wokukhohlakalisa umuntu kukaSathane wenzeka lapha; lona umgomo kaSathane nendlela yakhe yokukhohlakalisa umuntu.

Sizoqala sikhulume ngengxenye yalesi sihloko ekha phezulu kakhulu. Ingabe uhlelo namazwi ezifundweni zolimi kuyakwazi ukukhohlakalisa abantu? Ingabe amagama angamkhohlakalisa umuntu? (Cha.) Amagama awabakhohlakalisi abantu; ayithuluzi elivumela abantu ukuthi bakhulume futhi ayithuluzi abantu abaxhumana noNkulunkulu ngalo, ingasaphathwa eyokuthi manje. ulimi namazwi kuyindlela uNkulunkulu akhuluma ngayo nabantu. Kungamathuluzi, futhi kuyisidingo. Okunye uma kuhlanganiswa nokunye kwenza okubili, futhi uma okubili kuphindwa kabili kwenza okune; akulona ulwazi lolu? Kepha kungakukhohlakalisa yini lokhu? Lokhu kuwulwazi olujwayelekile—iphethini elimile—ngakho ngeke kukhohlakalise abantu. Ngakho-ke yiluphi uhlobo lolwazi olukhohlakalisa abantu? Ulwazi olukhohlakalisayo ulwazi oluxutshwe nemibono kanye nemicabango kaSathane. USathane ufuna ukufaka le mibono kanye nale micabango esintwini ngolwazi. Ngokwesibonelo, endabeni ebhaliwe, akukho lutho olubi ngamagama uqobo lwawo. Inkinga isemibonweni nasenhlosweni yombhali ngesikhathi ebhala indaba kanye nokuqukethwe yimicabango yakhe. Lezi yizinto zokomoya futhi ziyakwazi ukukhohlakalisa abantu. Ngokwesibonelo, uma ububuka uhlelo kumabonakude, ingabe uhlobo luni lwezinto kulo ezingaguqula imibono yabantu? Lokho abadlali abakushilo, amazwi uqobo lwawo, angakwazi ukukhohlakalisa abantu? (Cha.) Ingabe uhlobo luni lwezinto ezingakhohlakalisa abantu? Kungaba yimicabango kanye nokuqukethwe

okuwumnyombo wohlelo, okungamela imibono yomqondisi. Ulwazi olukule mibono lunganyakazisa izinhliziyi nemiqondo yabantu. Akunjalo? Manje seniyazi ukuthi ngikhuluma ngani kule ngxoxo Yami ngoSathane esebenzisa ulwazi ukukhohlakalisa abantu. Ngeke ningaqondisisi, akunjalo? Ngakho uma uphinda ufunda incwadi noma indaba, uyokwazi yini ukuhlola ukuthi imicabango evezwa emagameni abhaliwe iyasikhohlakalisa isintu noma cha okanye iyaphonsa esivivaneni ukusiza isintu? (Singakwenza, kancane nje.) Lena yinto ekufanele ifundwe futhi nidlule kuyo kancane kancane, futhi akuyona into okulula ukuyiqonda ngokushesha nje. Ngokwesibonelo, uma ucwaninga noma ufunda umkhakha wolwazi, izingxenye ezithile ezinhle zalolo lwazi zingakusiza ukuthi uqonde okuthile okubanzi ngalowo mkhakha, lube futhi lukusiza ukuba wazi lokho abantu okufanele bakugweme. Ngokwesibonelo, thatha “ugesi”—ngumkhakha wolwazi lona, akunjalo? Ngabe awuyena umuntu ongenalwazi uma ungazi ukuthi ugesi ungababamba futhi ubalimaze abantu? Kodwa lapho usuwuqonda lo mkhakha wolwazi, ngeke ube budedengu ngokuthinta into kagesi futhi uyokwazi ukusebenzisa ugesi. Lezi zinto zombili yizinto ezinhle. Ingabe senicaciselekile ngebesixoxa ngakho mayelana nokuthi ulwazi lubakhohlakalisa kanjani abantu? Ziningi izinhlobo zolwazi ezifundwa emhlabeni, futhi kufanele nizinike isikhathi ukuzihlukanisa ngokwenu.

### **Indlela USathane Asebenzisa Ngayo Isayensi Ukukhohlakalisa Umuntu**

Iyini isayensi? Ingabe isayensi ayithathelwa phezulu emiqondweni cishe yabo bonke abantu futhi ibonakala ijulile? Lapho kuphathwa isayensi, abantu abezwa ukuthi, “Lokhu yinto ekude nabantu abajwayelekile; lesi isihloko esingathintwa abacwaningi noma ochwepheshe bezesayensi kuphela; asihlanganise lutho nathi abantu abajwayelekile”? Ingabe inakho ukuxhumana nabantu abajwayelekile? (Yebo.) Ingabe uSathane uyisebenzisa kanjani isayensi ukukhohlakalisa abantu? Engxoxweni yethu lapha, sizokhuluma kuphela ngezinto abantu abahlangabezana nazo njalo ezimpilweni zabo uqobo, sizoziziba ezinye izindaba. Kukhona okubizwa “ngezakhi zofuzo”. Senike nezwa ngakho? Nonke nilijwayele leli gama, akunjalo? Ingabe izakhi zofuzo azitholwanga ngesayensi? Ingabe izakhi zofuzo zisho ukuthini empeleni kubantu? Azibenzi yini abantu bezwe ukuthi umzimba uyinto eyimfihlakalo? Lapho abantu bengeniswa kulesi sihloko, ngeke kwenzeke kubekhona abantu—ikakhulukazi labo abafisa ukwazi okufihlekile—abazofuna ukwazi kabanzi noma abazofuna eminye imininingwane? Laba bantu abafisa ukwazi okufihlekile bazogxilisa umfutho wabo kulesi sihloko futhi lapho bengekho matasatasa bazofuna ulwazi ezincwadini naku-inthanethi ukuthola eminye imininingwane ngaso. Ingabe yini isayensi? Ukusho ngokusobala, isayensi yimicabango kanye nemibono ngezinto

---

umuntu afisa ukwazi kabanzi ngazo, izinto ezingaziwa, futhi abangazitshelwanga uNkulunkulu; isayensi yimicabango kanye nemibono ngezimfihlakalo umuntu afisa ukuzihlola. Ingabe yini isilinganiso sesayensi? Ningathi sibanzi; umuntu ucwaninga futhi afunde konke lokhu athanda ukukwazi. Isayensi ibandakanya ukucwaninga imininingwane kanye nemithetho yalezi zinto ebese uqhamuka nombono okholakalayo owenza wonke umuntu acabanga ukuthi, “Labo sosayensi bahlakaniphe kakhulu impela! Bazi okuningi kakhulu, okwanele ukuthi baqonde lezi zinto!” Banokubancoma okukhulu ososayensi, akunjalo? Abantu abacwaninga ngesayensi banayiphi imibono? Ingabe abafuni ukucwaninga ngomhlaba jikelele, ukucwaninga izinto ezingaqondakali emkhakheni obahlaba umxhwele? Kungabe yini isiphetho sokugcina salokhu? Kumasayensi athile abantu bafika eziphethweni ngokucabangela, futhi kwamanye abantu bathembela kulokho abantu abadlule kukho ukufika eziphethweni. Kweminye futhi imikhakha yezesayensi, abantu bafika eziphethweni zabo ngokusekela kwabakubuka emlandweni nasezintweni eziyimisuka. Akunjalo? Ngakho yini isayensi eyenzela abantu? Okwenziwa yisayensi kuphela ukuthi ivumela abantu ukuthi babone izinto emhlabeni obonakalayo nokwanelisa isifiso somuntu sokwazi okufihlakele, kodwa ayimvumeli umuntu ukuthi abone imithetho uNkulunkulu abusa ngayo phezu kwezinto zonke. Umuntu ubonakala ethola izimpendulo kusayensi, kepha lezo zimpendulo ziyadida futhi ziletha ukweneliseka kwesikhashana, ukweneliseka okwenza kuphela ukuthi inhliziyo yomuntu igcineke kulo mhlaba ophathekayo. Umuntu uzwa ukuthi usezitholile izimpendulo kusayensi, ngakho noma kuvela yiphi inkinga, usebenzisa imibono yakhe yesayensi ukufakazela nokwamukela leyo nkinga. Inhliziyo yomuntu iphathwa yisayensi futhi iyengwe yiyo kuze kufike ezingeni lapho umuntu engasenawo umqondo wokwazi uNkulunkulu, ukukhonza uNkulunkulu nokukholwa ukuthi zonke izinto zivela kuNkulunkulu nokuthi umuntu kufanele abheke Kuye ukuze athole izimpendulo. Akunjalo? Lapho umuntu ekholwa ngokwengeziwe kwisayensi, uba nokungabi nangqondo ngokwengeziwe, ekholwa ukuthi yonke into inesixazululo sesayensi, ukuthi ukucwaninga kungaxazulula noma yini. Akamfuni uNkulunkulu futhi akakholwa ukuthi ukhona; nabanye abantu asebelandele uNkulunkulu iminyaka ngeminyaka bayahamba futhi bayocwaninga amagciwane ngomathanda noma babheke ulwazi oluthile ukuze bathole impendulo enkingeni. Abantu abanjalo ababheki izindaba ngasohlangothini lweqiniso futhi esikhathini esiningi, bafuna ukuthembela emibonweni noma olwazini lwesayensi noma ezimpendulweni zesayensi ukuxazulula izinkinga; abethembeli kuNkulunkulu futhi abafuni uNkulunkulu. Abantu abanjalo banaye yini uNkulunkulu ezinhliziyweni zabo? (Cha.) Kukhona ngisho abantu abathile abafuna ukucwaninga uNkulunkulu ngendlela efana neyokufunda isayensi. Ngokwesibonelo, baningi ochwepheshe bezenkolo asebehambe baya lapho umkhumbi wafika wama khona, base befakazela ubukhona bomkhumbi. Kodwa ekubonakaleni komkhumbi ababuboni ubukhona bukaNkulunkulu. Bakholelwa kuphela ezindabeni nasemlandweni; lokhu

kuwumphumela wocwaningo lwabo lwezesayensi nokufunda umhlaba ophathekayo. Uma ucwaninga izinto eziphathekayo, noma ngabe isayensi ephathelene nezempilo yezilokazane, isayensi yezinkanyezi, noma isifundo sokwakheka komhlaba, awusoze wathola umphumela othi uNkulunkulu ukhona noma othi ubusa phezu kwezinto zonke. Ngakho yini isayensi eyenzela umuntu? Ingabe ayimenzi aqhele kuNkulunkulu? Ingabe ayenzi abantu bacubungule uNkulunkulu? Ayenzi abantu babe nokungabaza ngokwengeziwe ngokuba khona kukaNkulunkulu? Ngakho uSathane ufuna ukuyisebenzisa kanjani isayensi ukukhohlakalisa umuntu? Ingabe uSathane akafuni ukusebenzisa iziphetho zezesayensi ukukhohlisa nokwenza abantu babe ndikindiki, futhi asebenzise izimpendulo ezididayo ukubambelela ezinhliziyweni zabantu ukuze bangacingi noma bakholwe ebukhoneni bukaNkulunkulu? (Yebo). Ngakho yingakho ngithi isayensi ingenye yezindlela uSathane akhohlakalisa ngayo abantu.

### **Indlela USathane Asebenzisa Ngayo Isiko Lendabuko Ukukhohlakalisa Umuntu**

Ingabe ziningi noma aziziningi izinto ezithathwa ngokuthi ziyingxenye yesiko lendabuko? (Ziningi.) Ingabe lisho ukuthini leli “siko lendabuko”? Abanye bathi lisuka kokhokho—lokhu kuyingxenye eyodwa. Kusuka ekuqaleni, izindlela zokuphila, amasiko, izisho nemithetho kwehliselwe ezizukulwaneni ezilandelayo emindenini, amaqembu ezinhlanga, ngisho nasesintwini sonke, zase zigxiliswa emicabangweni yabantu. Abantu bazibheka ngokuthi ziyingxenye yempilo engenakuhlukana nezimpilo zabo futhi bazithatha njengemithetho, bazilandele sengathi zingukuphila uqobo lwakho. Impela, abafuni neze ukuziguqula noma ukuzishiya lezi zinto, ngoba zasuka kokhokho babo. Kunezinye izingxenye zesiko lendabuko ezisemathanjeni abantu, njengezinto ezasuka kuConfusius noMencius, nezinto ezifundiswa abantu yizinkolo zobuTao nobuConfusius zaseShayina. Akunjalo lokhu? Yiziphi izinto eziqukethwe esikweni lendabuko? Ingabe lihlanganisa namaholide abantu abawagubhayo? Ngokwesibonelo, uMkhosi weNtwasahlobo, uMkhosi Wesiketekete, uSuku Lokushanela Amathuna, Umkhosi Wesikebhe Sikadrako, kanye noMkhosi Wezipoki nowaPhakathi neKwindla. Eminye imindenini igubha izinsuku lapho abadala befika ebudaleni obuthile, noma lapho izingane ziba nenyanga eyodwa zizelwe futhi nalapho zinezinsuku eziyikhulu zizelwe. Nokunye. Wonke lawa ngamaholide endabuko. Ingabe izendlalelo zala maholide azinalo isiko lendabuko? Ingabe uyini umnyombo wesiko lendabuko? Lihlangene yini nokukhonza uNkulunkulu? Ingabe lihlangene nokutshela abantu ukuthi benze iqiniso? Ingabe akhona amaholide okuthi abantu benze iminikelo kuNkulunkulu, baye e-althare likaNkulunkulu bathole izimfundiso Zakhe? Ingabe akhona amaholide anjalo? (Cha.) Ingabe abantu benzani kuwo

wonke la maholide? Ezikhathini zanamuhla abukwa njengemicimbi yokudla, ukuphuza nokudlala. Uyini umthombo wesiko lendabuko? Isiko lendabuko livela kubani? (USathane.) Livela kuSathane. Ngemuva kwala maholide endabuko, uSathane ugxilisa izinto ezithile kumuntu. Ziyini lezi zinto? Ukuqinisekisa ukuthi abantu bakhumbula okhokho babo—ingabe ngenye yazo lezi zinto? Ngokwesibonelo, ngoSuku Lokushanela Amathuna abantu balungisa amathuna futhi benze iminikelo kokhokho babo, ukuze abantu bangabakhohlwa okhokho babo. Futhi, uSathane uqinisekisa ukuthi abantu bakhumbula ukushisekela izwe lakubo, njengoMkhosi Wesikebhe Sikadrako. Kuthiwani mayelana noMkhosi Waphakathi Nekwindla? (Ukuhlangana futhi kwemindeni.) Ingabe uyini umlando wokuhlangana futhi kwemindeni? Ingabe yini isizathu salokho? Ukuxoxisana nokuxhumana ngokwemizwa. Kunjalo, noma ukugubha ubusuku ngaphambi koNyaka Omusha WamaShayina noma Umkhosi Weziketekete, ziningi izindlela zokuchaza izizathu zale migubho. Noma ngabe umuntu uzichaza kanjani lezo zizathu, iholide ngalinye liyindlela kaSathane yokugxilisa ifilosofi yakhe nokucabanga kwakhe kubantu, ukuze baqhele kuNkulunkulu futhi bangazi ukuthi kukhona uNkulunkulu nokuthi benze iminikelo kokhokho babo noma kuSathane, noma badle, baphuze, futhi badlale ngokwenelisa izifiso zenyama. Lapho kugujwa lelo nalelo kulawa maholide, imicabango nemibono kaSathane iyatshalwa ijule emiqondweni yabantu, bona bengazi lutho. Lapho abantu befika eminyakeni engamashumi amane, amahlanu noma engaphezulu, le micabango nemibono kaSathane isuke seyakheleke ekujuleni kwezinhliziyi zabo. Ngaphezu kwalokho, abantu benza konke okusemandleni ukudlulisela le mibono, noma ngabe ilungile noma ayilungile, esizukulwaneni esilandelayo ngokungakhethi, nangokungagodli. Akunjalo? (Yebo.) Ingabe isiko lendabuko kanye nala maholide kubakhohlakalisa kanjani abantu? Niyazi? (Abantu balawulwa futhi baboshwe yimithetho yala masiko ngendlela yokuthi abasitholi isikhathi noma amandla okufuna uNkulunkulu.) Lena yingxenywe eyodwa. Ngokwesibonelo, wonke umuntu uyagubha ngesikhathi soNyaka Omusha Wenyanaga—uma ungawugubhanga, ngeke ube nokudabuka? Zikhona yini izenqabelo obambelele kuzo? Ngeke yini uzwe ukuthi, “Angizange ngiwugubhe uNyaka Omusha, futhi ngenxa yokuthi usuku loNyaka Omusha Wenyanaga lube lubi ngeke wonke unyaka ube mubi”? Ngeke yini uzizwe ungaphathekile kahle futhi unokwesaba kancane? Kukhona ngisho abantu abangenzanga imihlabelo kokhokho babo iminyaka bese beba nephupho ngokushesha lapho umuntu ongasekho ebacela khona imali. Yini abangayizwa? “Kwaze kwadabukisa ukuthi lo muntu ongasekho udinga imali angayisebenzisa! Ngizomshisela imali yephepha, uma ngingakwenzi, ngeke kulunge. Kungasidalela izinkinga thina esiphilayo—ngubani ongasho ukuthi inhlekelele izogadla nini?” Bazohlala njalo benaleli fu elincane lokwesaba nokukhathazeka ezinhliziyweni zabo. Ubani obanika lokhu kukhathazeka? (USathane.) USathane ongumthombo walokhu kukhathazeka. Akuyona yini lena enye yezindlela uSathane akhohlakalisa ngayo umuntu? Usebenzisa izindlela nezaba ezahlukene ukukulawula,

ukukusabisa, kanye nokukubopha, ukuze udideke futhi uvume uphinde umthobele; lena yindlela uSathane akhohlakalisa ngayo umuntu. Bangingi nabantu abangabazayo ukuhlukana nesiko eligxilile kakhulu kubo, abangafuni nhlobo ukuliyeka. Ikakhulu kulapho bebuthakathaka futhi bevilapha lapho befisa khona ukugubha lezi zinhlobo zamaholise futhi bafisa ukuhlangana noSathane baphinde bamenelise, ukuze bathokomalise izinhliziyi zabo. Uthini umlando wesiko lendabuko? Ingabe isandla esimnyama sikaSathane silawula izinto sisekucasheni? Ingabe imvelo kaSathane embi iyalutha futhi iyalawula? Ingabe uSathane ulawula zonke lezi zinto? (Yebo.) Lapho abantu bephila emasikweni endabuko futhi begubha lezi zinhlobo zamaholide endabuko, singasho yini ukuthi lena yindawo lapho bekhohliswa khona futhi bekhohlakaliswa nguSathane khona, futhi ngaphezu kwalokho, bayakujabulela ukukhohliswa nokukhohlakaliswa nguSathane? (Yebo.) Lena yinto nonke eniyivumayo, into eniyaziyo.

### **Indlela USathane Asebenzisa Ngayo Inkolelo-ze Ukukhohlakalisa Umuntu**

Ingabe uSathane uyisebenzisa kanjani inkolelo-ze ukukhohlakalisa umuntu? Bonke abantu bafuna ukwazi ngesiphetho sabo, ngakho uSathane usebenzisa lokhu kulangazelela kwabo ukuze abahehe. Abantu bangena ekubhuleni, ekutshelweni ngekusasa, ekufundeni ukuze bazi ukuthi inhlanhla yabo izobanjani kusasa nokuthi indlela ngaphambili injani. Ekugcineni, nokho, ingabe isiphetho nekusasa abantu abakhathazeke ngakho kangaka kusezandleni zikabani? (Ezandleni zikaNkulunkulu.) Zonke lezi zinto zisezandleni zikaNkulunkulu. Ngokusebenzisa lezi zindlela, yini uSathane afuna abantu bayazi? USathane ufuna ukusebenzisa ukufunda ubuso nokubhula ngokusazokwenzeka ukutshela abantu ukuthi uyazi ngenhlanhla yabo yesikhathi esizayo, nokuthi akagcini nje ngokwazi lezi zinto kodwa futhi uyazilawula. USathane ufuna ukusebenzisa leli thuba nokusebenzisa lezi zindlela ukulawula abantu, ngendlela yokuthi abantu bakholwe ngobumpumputhe kuye futhi balalele wonke amazwi akhe. Ngokwesibonelo, uma ufundwa ubuso, uma obhulayo evala amehlo akhe akutshela konke okwenzeke kuwe kula mashumi ambalwa eminyaka edlule ngokucace bha, uzizwa unjani ngaphakathi? Ngokushesha ungazizwa uthi, “Unemba ngempela! Angikaze ngitshela muntu ngaphambilini ngezinto ezenzeka kimi kudala, uzazi kanjani? Ngiyasithanda ngempela lesi sangoma!” KuSathane, akulula kakhulu yini ukuthi azi ngokwenzeke kuwe? UNkulunkulu ukuholele lapha okhona namhlanje, futhi uSathane naye ubekhohlakalisa abantu sonke lesi sikhathi futhi ubekulandela. Ukudlula kwamashumi eminyaka kuwe akulutho kuSathane futhi akunzima ukuthi uSathane azazi lezi zinto. Uma wazi ukuthi lokho uSathane akushilo kuqondile, ingabe awumniki yini inhliziyi yakho? Awuncikile kuye ukuba alawule ikusasa nezinhlanhla zakho? Ngokuphazima kweso, inhliziyi yakho iba

nokumhlonipha okukhulu, futhi kwabanye abantu, imiphefumulo yabo kungenzeka ukuthi seyihlwathwe nguye kuleli qophelo. Futhi uzosibuza isangoma ngokushesha: “Yini elandelayo okumele ngiyenze? Yini ekufanele ngiyigweme onyakeni ozayo? Yiziphi izinto okufanele ngingazenzi?” Futhi sizothi, “Ungayi laphaya, ungakwenzi lokhu, ungazigqoki izingubo eziwumbala othize, ungavami ukuya ezindaweni ezinjengalezi, futhi yenza ezinye izinto ngokwengeziwe....” Ngeke yini uthathe konke akushoyo ukugcine enhliziyweni? Ungakufaka ekhanda ngokushesha kunamazwi kaNkulunkulu. Kungani ungakufaka ekhanda ngokushesha okungaka? Ngoba ufuna ukuthembela kuSathane ukuze uthole inhlanhla. Akukhona yini lapho ethatha khona inhliziyi yakho? Uma amazwi akhe egcwaliseka, ngeke yini ufune ukuphindela kuye ngqo ukuthola ukuthi iyiphi inhlanhla unyaka olandelayo ozoyiletha? (Yebo.) Uzokwenza noma yini uSathane akutshela ukuthi uyenze futhi uzogwema izinto athi uzigweme. Ngale ndlela awulaleli yini yonke into ayishoyo? Ngokushesha okukhulu, uyowela ekusingatheni kwakhe, ukhohliswe, bese uba ngaphansi kokulawula kwakhe. Lokhu kwenzeka ngoba ukholwa ukuthi lokho akushoyo kuyiqiniso futhi ukholwa ukuthi uyazi ngempilo yakho yangaphambilini, ngempilo yakho manje, nalokho ikusasa elizokuletha. Lena yindlela uSathane ayisebenzisayo ukulawula abantu. Kodwa eqinisweni, ubani ngempela olawulayo? UNkulunkulu uqobo Lwakhe olawulayo, hhayi uSathane. USathane esebenzisa ubuqili bakhe nje kulesi simo ukuphamba abantu abangenalwazi, ukuphamba abantu ababona umhlaba ophathekayo kuphela ukuthi bakholwe futhi bathembele kuyena. Babe sebewela ezandleni zikaSathane balalele wonke amazwi akhe. Kepha uSathane uyabayeka yini uma abantu befuna ukukholwa kuNkulunkulu futhi balandele uNkulunkulu? Kulesi simo, ingabe abantu bawela ezandleni zikaSathane ngempela? (Yebo.) Singasho sithi ukuziphatha kukaSathane ngale ndlela akunamahloni ngempela? (Yebo.) Sikusho ngani lokhu? ## **Amazwi KaNkulunkulu Ansukuzonke (Okucashuniwe 154)**

USathane usebenzisa ulwazi njengesiyengo. Lalelisisa: Ulwazi luwuhlobo nje lwesiyengo. Abantu bahehwa ukuthi bafunde ngokuzikhandla futhi bazithuthukise nsuku zonke, benze ulwazi lube yisikhali bese behloma ngalo, basebenzise ulwazi ukuvula isango eliya kwisayensi; ngamanye amazwi, lapho uzuza ulwazi kakhudlwana, uzoqonda kakhudlwana. USathane utshela abantu konke lokhu; utshela abantu ukuthi bazibekele imigomo ephakeme lapho befunda ulwazi, ebatshela ukuthi bakhulise ukulangazelela nezifiso. kaSathane yokuphila. Bengazi nhlobo, bazakhela ngokwabo imithetho abaphila ngayo, kodwa le mithetho iyimithetho kaSathane nje kuphela efakwe kubo ngempopo. Ngesikhathi befunda, uSathane ubenza bazakhele ezabo izinjongo, bazinqumele imigomo yokuphila, imithetho abaphila ngayo, nomzila abahamba kuwo empilweni, kanti ngaso sonke leso sikhathi ubafaka izinto zikaSathane, esebenzisa izindaba, imilando yabantu, nazo zonke izindlela ezingasetshenziswa ukuheha abantu ukuthi, kancane kancane, bathathe isiyengo. Ngale ndlela, ngesikhathi befunda, abanye bagcina bethanda imibhalo yezincwadi, abanye ezomnotho, abanye isayensi yezinkanyezi noma isifundo ngokwakheka kwendawo. Bese kuba khona labo abagcina bethanda ezombusazwe, abanye abathanda isayensi yezinto zemvelo, abanye isayensi yemithi yemvelo yomhlaba, ngisho nabanye abathanda isifundo ngoNkulunkulu. Konke lokhu kuyiziyingxenywe zolwazi. Ezinhliziyweni zenu, nonke, ngamunye, niyazi ukuthi lezi zinto zimayelana nani; umuntu ngamunye kinina uke wahlangabezana nazo ngaphambili. Noma ubani kinina angakhuluma angaphezi ngolulodwa noma olunye lwala magatsha olwazi. Ngakho futhi kuyacaca ukuthi lolu lwazi selungene lwajula kangakanani emqondweni womuntu, kulula ukubona indawo ethathwe ilolu lwazi emiqondweni yabantu kanye nokujula komphumela walo kumuntu. Lapho umuntu ethanda ingxenywe yolwazi, lapho umuntu eba nothando olujulile lwengxenywe eyodwa, uzithola enezinto azilangazelelayo yena enganakile: Abanye abantu bafuna ukuba abalobi, abanye bafuna ukubhala izincwadi zezindaba, abanye bafisa ukuziphilisa ngokusebenza kwezombusazwe, futhi abanye bafuna ukusebenza kwezomnotho futhi babe osomabhizinisi. Bese kubakhona ingxenywe yabantu abafuna ukuba amaqhawe, ukuba bakhulu noma badume. Kungakhathaleki ukuthi umuntu ufuna ukuba uhlobo olunjani lomuntu, injongo yakhe ukuthatha le ndlela yokufunda ulwazi futhi ayisebenzisele izifiso zakhe, ukufeza izifiso zakhe, nezinto azilangazelelayo. Kungakhathalekile ukuthi izwakala kahle kanjani—ukuthi bafuna ukufeza amaphupho abo, ukungaphileli ize, noma ukuba nomsebenzi othile wokuziphilisa—bakhulisa lezi zifiso eziphakeme kanye nokulangazela izinto eziphakeme kodwa, empeleni, ingabe konke kwenzelwani? Ingabe nike nakucabanga lokhu ngaphambili? Ingabe kungani uSathane enza izinto ngale ndlela? Yini inhloso kaSathane ngokufaka lezi zinto kumuntu? Izinhliziyi zenu kufanele zicaciseleke ngalo mbuzo.

Ingabe akuyona indlela yokuphila enhle kakhulu uma kugcwaliseka izifiso zabo, noma beqala umsebenzi ngempumelelo? Ngokwenza lezi zinto, umuntu akagcini ngokuhlonipha okhokho kuphela, kodwa futhi unethuba lokubeka induku ebandla emlandweni—ingabe akuyona into enhle leyo? Lena yinto enhle emehlweni abantu basezweni, futhi kubo kufanele kube yinto efanele nenhle. Ingabe uSathane, nokho, nezinjongo zakhe ezimbi, ufaka abantu kulolu hlobo lwendlela bese kuphela kanjalo? Chabo. Eqinisweni, akukhathaleki ukuthi okufiswa yinhliziyoyomuntu kuphakeme kangakanani, akukhathaleki ukuthi ngezingafezeka kangakanani izifiso zomuntu noma zifaneleke kangakanani, konke umuntu afisa ukukufeza, konke lokho umuntu akufunayo, kuxhumene ngokungeke kuhlukaniswe namagama amabili. La magama amabili abaluleke kakhulu empilweni yawo wonke umuntu, futhi ayizinto uSathane ahlose ukuzifaka kumuntu. Ingabe imaphi la magama amabili? “Udumo” kanye “nenzuzo”. USathane usebenzisa indlela enobuqili kakhulu, indlela ehambisana kakhulu nemibono yabantu, okungehlukile nhlobo kokujwayelekile, enza ngayo ukuthi abantu bemukele indlela yakhe yokuphila, imithetho yakhe yokuphila, nokubeka izinhloso zokuphila nento abayiphilelayo, futhi, ekwenzeni kanjalo baba nezinto abazilangazelelayo empilweni. Kungakhathaleki ukuthi lokhu abakulangazelelayo empilweni kuzwakala kusezingeni eliphezulu kangakanani, nokho kuxhumene ngokungehlukaniswe “nodumo” kanye “nenzuzo.” Konke umuntu omkhulu noma odumile akulandelayo empilweni—bonke abantu, eqinisweni—kuhlobene nala magama kuphela: “udumo” kanye “nenzuzo.” Abantu bacabanga ukuthi uma sebenodumo nenzuzo, bangasebenzisa lezi zinto ukuze bathole izikhundla eziphakeme nengcebo enkulu, futhi bathokozele impilo. Bacabanga ukuthi udumo nenzuzo kuwuhlobo lwemali abangayisebenzisa ukuze bathole impilo yokufuna intokozo nokujabulisa inyama okungenakuzithiba. Ukuze bathole udumo nenzuzo abayifisayo, abantu bayavuma, nakuba bengazi, ukuthatha imizimba yabo, imiqondo, konke abanakho, ikusasa labo kanye neziphetho zabo bakunike uSathane. Bakwenza lokhu ngaphandle ngisho kokuzindela okuncane, bengenalo nhlobo ulwazi mayelana nesidingo sokubuyiselwa konke abakunika uSathane. Ingabe abantu basengakwazi ukuzilawula uma becasha kuSathane futhi baze bathembeke kuye ngale ndlela? Abasoze. Sebelawulwa nguSathane ngokuphelele. Sebecwile ngokuphelele obhukwini futhi abakwazi ukuzikhipha. Uma umuntu esebishe odakeni lodumo nenzuzo, akabe esakufuna okukhanyayo, okulungileyo, noma izinto ezinhle futhi ezilungile. Lokhu kwenziwa ukuthi amandla okuyenga udumo nenzuzo okunawo phezu kwabantu makhulu kakhulu; kuphenduka izinto abantu abazishisekelayo kukho konke ukuphila kwabo ngisho nasephakadeni elingenakuphela. Akulona iqiniso lokhu? Abanye abantu bazothi ukufunda ulwazi kuwukufunda izincwadi nje noma ukufunda izinto ezimbalwa abangakazazi kuphela, ukuze bangadli ngoludala noma ukuze bangasali kokwezwe. Ulwazi balufundela

kuphela ukuze bazondle, ngenxa yekusasa labo noma ngenxa yezidingo eziyisisekelo. Ukhona umuntu ongabekezelela ishumi leminyaka yokufunda kanzima ngenxa yezidingo eziyisisekelo nje, ukuxazulula indaba yokudla nje? Cha, abekho abantu abanjena. Ngakho yini lena eyenza umuntu ehlelwe yilobu bunzima yonke le minyaka? Wudumo nenzuzo. Udumo nenzuzo kumlindele ngaphambili, kuyambiza, futhi ukholwa ukuthi angayilandela leyo ndlela eyomholela ekutholeni udumo nenzuzo ngokukhuthala, ubunzima nokuzabalaza kwakhe kuphela. Umuntu onjalo kumele ehlelwe yilobu bunzima ukuze athole indlela yekusasa lakhe, ukuthokoza kwakhe okuzayo kanye nempilo engcono. Luyini ngempela lolu lwazi—ningangitshela? Akuyona yini imithetho yokuphila efakwe kubantu, imithetho abayifundiswe uSathane ngesikhathi befunda ulwazi? Akuzona yini “izifiso eziphakeme” ezifakwe uSathane kumuntu? Thatha, ngokwesibonelo, imibono yabantu abakhulu, ubuqotho babantu abanodumo noma umoya onesibindi wabantu abangamaqhawe, noma ukuhlonipha nomusa wamaqhawe nezingwazi zakumanoveli axoxa ngobuciko bezokulwa—zonke lezi akuyizo izindlela uSathane afaka ngazo izifiso zenhliziyi yakhe? (Yebo, yizona.) Le mibono inethonya esizukulwaneni nesizukulwane, futhi abantu besizukulwane ngasinye benziwa ukuba bayemukele le mibono, ukuthi baphilele le mibono futhi bayishisekele ngokungaphezi. Lena yindlela, umgudu, uSathane asebenzisa ngayo ulwazi ukuze akhohlakalise umuntu. Ngakho emuva kokuthi uSathane esholele abantu kule ndlela, kusengenzeka yini ukuthi bakhonze uNkulunkulu? Ingabe ulwazi nomcabango okufakwe uSathane kumuntu kunakho nokuncane okowuphawu lokukhonza uNkulunkulu? Ingabe kunayo into eyeqiniso? Ingabe kunakho noma yikuphi okokwesaba uNkulunkulu nokubalekela okubi? (Cha, akunakho.) Sengathi nikhuluma ngokungaqiniseki, kodwa akunandaba. Inqobo nje uma nibona ukuthi “udumo” “nenzuzo” kungamagama amabili asemqoka uSathane awasebenzisayo ukuyengela abantu endleleni yobubi, khona-ke lokho kwanele.

Ake sibuyekeze kancane esesikuxoxile kuze kube manje: USathane usebenzisani ukugcina umuntu elawulwa nguye ngokuphelele? (Udumo nenzuzo.) Ngakho, uSathane usebenzisa udumo nenzuzo ukulawula imicabango yomuntu kuze kuthi konke angakucabanga kube wudumo nenzuzo. Umuntu ulwela udumo nenzuzo, wehlelwa ubunzima ngenxa yodumo nenzuzo, ubekezelela ukululazeka ngenxa yodumo nenzuzo, unikela konke anakho ngenxa yodumo nenzuzo, futhi angenza noma kuphi ukwahlulela noma isinqumo ngenxa yodumo nenzuzo. Ngale ndlela, uSathane ubopha abantu ngamaketanga angabonakali, futhi abanawo amandla noma isibindi sokuwalahla. Ngokungazi, bathwala la maketanga bese bedavuzwa beya phambili ngobunzima obukhulu. Ngenxa yalolu dumo nenzuzo, isintu sigwema uNkulunkulu futhi siyamkhaphela bese siya ngokuya sikhohlakala kakhudlwana. Ngakho, ngale ndlela, izizukulwane zabhubha ngokulandelana odumweni nenzuzo kaSathane. Uma sibheka manje izenzo zikaSathane, ingabe izinjongo zakhe ezikhohlakele azenyanyeki ngokuphelele?

---

Mhlawumbe namhlanje anikaboni ngale kwezinjongo ezikhohlakele zikaSathane ngoba nicabanga ukuthi umuntu akakwazi ukuphila ngaphandle kodumo nenzuzo. Nicabanga ukuthi uma abantu beshiya udumo nenzuzo ngemuva, ngeke besayibona indlela eya phambili, ngeke besakwazi ukubona imigomo yabo, ikusasa labo lizoba mnyama, lifiphale futhi libe libi. Kodwa, kancane, nonke niyobona ngelinye ilanga ukuthi udumo nenzuzo kungamaketanga amakhulukazi uSathane awasebenzisayo ukubopha umuntu. Lapho lolo suku lufika, uyomelana ngokuphelele nokulawulwa uSathane futhi uyomelana ngokuphelele namaketanga uSathane awasebenzisayo ukukubopha. Lapho kufika isikhathi sokuba ufise ukulahla zonke izinto uSathane azifake kuwena, uyobe sewuhlukana ngokuphelele noSathane futhi uyokuzonda ngempela konke uSathane akulethe kuwe. Yilapho kuphela isintu esiyoba khona nokuthanda nokulangazelela uNkulunkulu kwangempela.

Ngakho-ke uSathane, ngaleli qhinga, usebenzisa isayensi ukuze akhohlakalise umuntu. Ingabe uSathane ukhohlakalisa ukucabanga komuntu noma imiqondo yabantu kuphela lapho esebenzisa isayensi ngale ndlela? Phakathi kwabantu, izigameko, nezinto ezisezindaweni ezisizungezile esizibonayo nesihlangabezana nazo, yikuphi okunye uSathane asebenzisa kukho isayensi ukukukhohlakalisa? (Indawo yemvelo.) Niqinisile. Kubonakala sengathi lokhu kunilimaze kakhulu, futhi kuniphathe kabi kakhulu. Ngaphandle kokusebenzisa konke okutholakele neziphetho zesayensi ezinhlobonhlobo ukukhohlisa umuntu, uSathane usebenzisa isayensi futhi ukuze adale incithakalo nokuba axhaphaze indawo yokuphila umuntu ayinikwa nguNkulunkulu. Ukwenza lokhu ngeqhinga lokuthi uma umuntu enza ucwaningo lwezesayensi, indawo yokuphila yomuntu nezinga lokuphila labantu kuzoqhubeka kuthuthuka, nokuthi, ngaphezu kwalokho, inhloso yokuthuthuka ngokwesayensi wukuhlinzeka izidingo zansukuzonke zabantu ezikhulayo kanye nesidingo sokulokhu benza ngcono izinga lempilo yabo. Lokhu kuyisisekelo somcabango wokuthuthukisa kukaSathane isayensi. Nokho, yini isayensi eyilethele isintu? Ingabe indawo esixhumene nayo iquketheni? Akukhona yini ukuthi umoya ophefumulwa yisintu ungcolisiwe? Ingabe amanzi esiwaphuzayo asahlanzekile ngempela? (Cha.) Ngabe ukudla esikudlayo kungokwemvelo? Okuningi kwakho kukhuliswa ngokusebenzisa umanyolo owakhiwe futhi lapho kutshalwa, kusetshenziswa ukushintshwa kwezakhi zofuzo, futhi kukhona nokuguquka okwenzeka ngokusebenzisa izindlela zesayensi ezihlukahlukene. Singasho ukuthi kwakungukwenzela umhlaba kuphela? Singasho ukuthi kwakwenzelwa izinyoni kuphela? Singasho ukuthi kwakwenzelwa abantu kuphela? (Cha.) Buyini ubudlelwane phakathi kwakho? Ubudlelwane phakathi kwakho ukusimamisana, okunye kuncike kokunye nokungehlukaniseki. Okusho ukuthi umhlaba, isihlahla, ukukhanya kwelanga, izinyoni nabantu kuthembela kokunye ukuze kuphile futhi kondlane. Isihlahla sivikela umhlaba, bese umhlaba wondla isihlahla; ukukhanya kwelanga kuhlinzeka isihlahla, ngenkathi isihlahla

sithola umoya omusha ekukhanyeni kwelanga bese sipholisa umhlaba ekushiseni kwelanga. Ubani osizakalayo kulokhu ekugcineni? Yisintu, akunjalo? Lokhu kungesinye sezimiso eziyisisekelo sendawo isintu esiphila kuyo, esadalwa uNkulunkulu; yilokho uNkulunkulu ayekuhlosile ekuqaleni. Yize lesi kuyisithombe esilula, siyakubona kuso ukuhlakanipha kukaNkulunkulu nenhloso Yakhe. Isintu singephile ngaphandle komhlaba, noma ngaphandle kwezihlahla, ingasaphathwa eyokuphila ngaphandle kwezinyoni nokukhanya kwelanga. Akunjalo? Yize kuyindaba nje, ekwethulayo kuyisilinganiso esincane sokudala kukaNkulunkulu amazulu nomhlaba nazo zonke izinto nesipho Sakhe sendawo okungaphila kuyo isintu.

UNkulunkulu udalele isintu amazulu nomhlaba nazo zonke izinto, kanye nendawo esiphila kuyo. Okokuqala, iphuzu elisemqoka indaba ekhuluma ngalo, ukusimamisana, ukuncika kwento kwenye nokuphila ndawonye kwazo zonke izinto. Ngaphansi kwalesi simiso, indawo yokuphila abantu ivikelekile; ingaba khona futhi isimame. Ngenxa yalokhu, isintu singachuma futhi sizalane. Isithombe esisibonile besingesesihlahla, umhlaba, ukukhanya kwelanga, izinyoni nabantu kundawonye. Ingabe uNkulunkulu ubekhona kulesi sithombe? Akabonakalanga lapho, akunjalo? Kodwa umuntu uwubonile umthetho wokusimamisana nowokuthi enye into incike kwenye phakathi kwezinto ezisesigcawini; kulo mthetho umuntu ubona ubukhona nobukhosi bukaNkulunkulu. UNkulunkulu usebenzisa isimiso nomthetho onjalo ukugcina ukuphila nokuba khona kwazo zonke izinto. Ngale ndlela, uhlinzeka zonke izinto nesintu. Ingabe le ndaba ixhumene nendikimba yethu ephambili? Uma siyibuka singajulile, kubonakala kungenjalo, kodwa empeleni umthetho uNkulunkulu adala ngawo zonke izinto nokwengamela Kwakhe zonke izinto kuhlobene kakhulu nokuba Kwakhe ngumthombo wokuphila kwazo zonke izinto. La maqiniso awehlukaniseki. Manje seniqala ukufunda okuthile!

UNkulunkulu ulawula imithetho ebusa ukusebenza kwazo zonke izinto; ulawula imithetho ebusa ukuphila kwazo zonke izinto; ulawula zonke izinto, futhi uhlela ukuthi zisimamisane futhi enye incike kwenye, ukuze zingabhubhi noma zinyamalale. Umuntu angaphila ngale ndlela kuphela; angaphila ngale ndlela ngokuholwa nguNkulunkulu endaweni enjalo. UNkulunkulu uyinkosi yale mithetho yokusebenza, futhi akekho ongagxambukela kuyo, noma ongayiguqula; uNkulunkulu uqobo Lwakhe kuphela owazi le mithetho futhi Nguye kuphela oyiphethe. Ukuthi izihlahla zizohluma nini, lizona nini, umhlaba uzonikeza izitshalo amanzi angakanani nokudla okungakanani; amaqabunga azowa ngasiphi isikhathi sonyaka; izihlahla zizothela ngasiphi isikhathi sonyaka; umsoco ongakanani ukukhanya kwelanga okuzowunikeza izihlahla; izihlahla zizophefumulani emva kokondliwa ukukhanya kwelanga—zonke lezi zinto zahlelwa uNkulunkulu ngenkathi edala zonke izinto, njengemithetho engeke yephulwe muntu. Izinto ezadalwa nguNkulunkulu, noma ngabe ziyaphila noma, emehlweni abantu, aziphili, zisezandleni zikaNkulunkulu, lapho ezilawula futhi ezibusa khona. Akekho umuntu ongashintsha noma

ephule le mithetho. Kusho ukuthi, ngenkathi uNkulunkulu edala zonke izinto wanquma kungakenzeki ukuthi isihlahla ngeke sifake izimpande phansi, sihlume, futhi sikhule uma umhlaba ungekho; ukuthi uma umhlaba ubungenazo izihlahla, ubuzokoma; ukuthi isihlahla kufanele sibe yikhaya lezinyoni nendawo lapho zikhosela khona emoyeni. Singaphila yini isihlahla ngaphandle kokukhanya kwelanga? (Cha.) Futhi ngeke siphile ngomhlaba wodwa. Zonke lezi zinto zenzelwe isintu, ukuze isintu siphile. Esihlahleni, umuntu uthola umoya omusha, futhi umuntu uphila emhlabeni, ovikelwa yisihlahla. Umuntu angephile ngaphandle kokukhanya kwelanga noma izinto ezehlukene eziphilayo. Noma ngabe ubudlelwane phakathi kwalezi zinto buphithene, kufanele ukhumbule ukuthi uNkulunkulu wadala imithetho ebusa zonke izinto ukuze ziqiniseke, enye incike kwenye, futhi ziphile ndawonye. Ngamanye amazwi, yonke into ayidala inosizo nokubaluleka. Ukuba uNkulunkulu wadala into engenamsebenzi nokubaluleka, uNkulunkulu wayeyoyishabalalisa. Le ngenye yezindlela uNkulunkulu azisebenzisayo ekuhlinzekeni zonke izinto. Kusho ukuthini “ukuhlinzeka” kule ndaba? Ingabe uNkulunkulu uchelela isihlahla nsuku zonke? Ingabe isihlahla sidinga ukusizwa nguNkulunkulu ukuba siphefumule? (Cha.) “Ukuhlinzeka” lapha kubhekiswe ekuphatheni kukaNkulunkulu izinto zonke ngemva kokuzidala; kwanele ukuba uNkulunkulu aziphathe emva kokumisa imithetho. Uma imbewu isitshalwe emhlabeni, isihlahla siyazikhulela ngokwaso. Izimo zokukhula kwaso zonke zidalwe nguNkulunkulu. UNkulunkulu wenze ukukhanya kwelanga, amanzi, inhlabathi, umoya nendawo ezungezile; uNkulunkulu wenza umoya, isithwathwa, iqhwa, nemvula nezikhathi ezine zonyaka. Lezi yizimo isihlahla esizidingayo ukuze sikhule, futhi lezi yizinto ezilungiswe nguNkulunkulu. Manje, ingabe uNkulunkulu ungumthombo wale ndawo yokuphila? (Yebo.) Ingabe uNkulunkulu kufanele nsuku zonke abale iqabunga ngalinye ezihlahleni? Cha! UNkulunkulu futhi akudingeki ukuba asize isihlahla ukuba siphefumule noma avuse ukukhanya kwelanga nsuku zonke ethi, “Sekuyisikhathi sokukhanya ezihlahleni manje.” Akadingi ukuthi enze njalo. Ukukhanya kwelanga kuyazikhanyela lapho sekuyisikhathi sokukhanya, njengoba kumisiwe ngumthetho; kuyavela bese kukhanya phezu kwesihlahla bese isihlahla simunca ukukhanya kwelanga lapho sidinga ukukumunca, futhi lapho kungadingeki, isihlahla sisaphila ngaphakathi kwemithetho. Ningase ningakwazi ukuchaza lesi senzeko ngokucacile, kodwa noma kunjalo siyiqiniso, elibonwa futhi livunywe yiyo bonke abantu. Odinga ukukwenza, ukubona ukuthi imithetho ebusa ukuba khona kwazo zonke izinto ivela kuNkulunkulu, futhi wazi ukuthi uNkulunkulu uyinkosi phezu kokukhula nokuphila kwazo zonke izinto.

Manje, ingabe le ndaba iqukethe lokhu abantu abathi “yisingathekiso”? Ingabe ukwenza samuntu? (Cha.) Ngixoxe indaba eyiqiniso. Lonke uhlobo lokuphilayo, konke okunokuphila, kubuswa uNkulunkulu; yonke into ephilayo yafakwa ukuphila nguNkulunkulu ngenkathi eyidala; ukuphila kwayo yonke into ephilayo kuvela kuNkulunkulu futhi kulandela indlela nemithetho

ekuqondisayo. Lokhu akudingi ukuthi kuguqulwe umuntu, futhi akudingi lusizo oluvela kumuntu; kungenye yezindlela uNkulunkulu ahlinzeka ngayo zonke izinto. Niyaqonda, angithi? Nicabanga ukuthi sikhona isidingo sokuthi abantu bakubone lokhu? (Yebo.) Ngakho-ke, ingabe lolu daba lumayelana nesayensi yempilo? Ingabe kuhlobene nomkhakha othile wolwazi noma umkhakha wokufunda? Asixoxi ngesayensi yempilo, futhi ngempela asenzi ucwaningo lwesayensi yempilo. Yimuphi umqondo osemqoka wenkulumo yethu? (UNkulunkulu ungumthombo wokuphila kwazo zonke izinto.) Niboneni phakathi kwendalo? Nike nazibona izihlahla? Nike nawubona umhlaba? (Yebo.) Nikubonile ukukhanya kwelanga, angithi? Nike nazibona izinyoni zihleli ezihlahleni? (Sizibonile.) Ingabe isintu siyakujabulela ukuhlala endaweni efana nalena? (Yebo.) Lokho kusho ukuthi, uNkulunkulu usebenzisa zonke izinto—izinto azidala—ukugcina nokuvikela ikhaya lesintu, indawo yaso yokuphila. Ngale ndlela uNkulunkulu uhlinzeka isintu nazo zonke izinto.

## **Amazwi KaNkulunkulu Ansukuzonke (Okucashuniwe 168)**

### **Indaba 2. Intaba Enkulu, Umfudlana Omncane, Umoya Onamandla, NeGagasi Elikhulukazi**

Kwakukhona umfudlana omncane ozombezele uye le uphinde ubuye, ekugcineni ufinyelele ekuqaleni kwentaba enkulu. Intaba yayivimbe indlela yomfudlana omncane, ngakho-ke umfudlana wakhuluma nentaba ngezwi lawo elintekenteke, elincane, “Ngicela ungidlulise, umi endleleni yami futhi uvimbe indlela yami yokuya phambili.” Intaba yabe isibuza, “Uyaphi?” Umfudlana waphendula ngokuthi, “Ngifuna ikhaya lami.” Intaba yathi, “Kulungile, qhubeka ungeqe!” Kodwa ngenxa yokuthi umfudlana omncane wawuntekenteke futhi umncane kakhulu, wawungeke ukwazi ukweqa phezu kwentaba enkulu kangako. Kwafuneka ukuba uqhubeke ugezelele wedlule ekuqaleni kwentaba ...

Umoya onamandla wavunguza udlula, uthwele isihlabathi nezibi uya lapho kumi khona intaba. Umoya wabhonga entabeni, “Ngidlulise!” “Uyaphi?” kwabuza intaba. Umoya wamemeza uphendula, “Ngifuna ukuya ngaleya kwentaba.” Intaba yathi, “Kulungile, uma ungedlula okhalweni lwami, ungahamba-ke!” Umoya onamandla wavunguza waya ngapha nangapha, kodwa noma usuvunguza ngamandla kangakanani, awukwazanga ukufohla phakathi nentaba. Umoya wakhathala, wama waphumula—futhi ngaleya kwentaba kwaqala ukuvunguza ihelehele lomoya, lithokozisa abantu abalapho. Lokhu kwakuyisibingelelo sentaba kubantu ...

Ogwini lolwandle, amagwebu olwandle ayegingqika kamnandi ezishayisa osebenzi olunamadwala. Ngokuphazima kweso, kwaphakama igagasi elikhulukazi labhonga liza

ngasentabeni. “Suka!” kumemeza igagasi elikhulukazi. Intaba yabuza, “Uyaphi?” Igagasi elikhulukazi, lingakwazi ukuma, lamemeza, “Nginweba indawo yami! Ngifuna ukwelula izingalo zami!” Intaba yathi, “Kulungile, uma ukwazi ukudlula esiqongweni sami, ngizokudedela.” Igagasi elikhulukazi lahlehla ibangana, lase liphinda ligubha liya ngasentabeni. Kodwa noma lizama kakhulu kangakanani, alikwazanga ukudlula phezu kwentaba. Lahlehla kancane labuyela olwandle ...

Izinkulungwane zeminyaka, umfudlana omncane wagobhoza kancane wazungeza lapho kuqala khona intaba. Ngokulandela indlela ekhonjwe yintaba, umfudlana omncane wakwazi ukubuyela ekhaya lawo, wahlangana nomfula, wagelezela olwandle. Ngaphansi kokunakekelwa yintaba, umfudlana omncane awuzange ulahleke. Umfudlana omncane nentabakazi kwaqinisana futhi okunye kwancika kokunye, kwasimamisana, kwavimbana, futhi kwaphila ndawonye.

Izinkulungwane zeminyaka, umoya onamandla wavunguza, njengenjwayelo. Wawusade ufika “uvakashela” intaba, ngezishwili sesihlabathi zihlangene neziphepho zawo. Wawuyisongela intaba, kodwa awuzange ukwazi ukufohla okhalweni lwayo. Umoya nentabakazi baqinisana futhi omunye wancika komunye, basimamisana, bavimbana, futhi baphila ndawonye.

Izinkulungwane zeminyaka, igagasi elikhulukazi alizange liphumule, futhi lanyathela laphikelela phambili, lilokhu landisa indawo yalo. Lalibhonga ligubhe liphindelela liqonde entabeni, kodwa intaba ayizange inyakaze nakancane. Intaba yalugada ulwandle, futhi ngale ndlela, izidalwa ezisemanzini zanda zakhula. Igagasi elikhulukazi nentabakazi kwaqinisana futhi okunye kwancika kokunye; kwasimamisana, kwavimbana futhi kwaphila ndawonye.

Le ndaba yethu isiphelile. Okokuqala, ngitshele, ibikhuluma ngani le ndaba? Okokuqala, kwakukhona intaba enkulu, umfudlana omncane, umoya onamandla, negagasi elikhulukazi. Kwenzekani esiqeshini sokuqala, ngomfudlana omncane nentaba enkulu? Kungani ngikhethe ukukhuluma ngentaba enkulu kanye nomfudlana omncane? (Ekuvikelweni yintaba, umfudlana awuzange ulahleke. Okunye kwethembela kokunye.) Ungasho ukuthi intaba yawuvikela noma yawuvimba umfudlana omncane? (Yawuvikela.) Kodwa ayiwuvimbanga yini? Intaba nomfudlana kwabhekana; intaba yawuvikela umfudlana kodwa yawuvimba futhi. Intaba yawuvikela umfudlana omncane ngenkathi ungena emfuleni, kodwa futhi yawuvimba ukuze ungahambi lapho owawuzogelezela khona udale izikhukhula futhi ulethe inhlekelele kubantu. Ingabe lokhu akukhona lokho isiqephu ebesikhuluma ngakho? Ngokuvikela umfudlana nokuwuvimbela, intaba yaphephisa amakhaya abantu. Umfudlana omncane wabe usungena emfuleni lapho kuqala khona intaba wawusuqhubeka ugelezela olwandle. Ingabe lokhu akuwona umthetho obusa ukuba khona komfudlana? Yini eyenza ukuba umfudlana ukwazi ukungenela

---

umfula nolwandle? Kwakungeyona intaba? Umfudlana wawuthembele ekuvikelweni yintaba nokuvinjwa yiyona. Ngakho, lokhu akulona yini iphuzu elisemqoka? Niyakubona kulokhu ukubaluleka kwezintaba emanzini? Ingabe uNkulunkulu unenhloso ngokudala zonke izintaba, ezincane nezinkulu? (Yebo.) Lesi siqephu esifushane esimayelana nomfudlana omncane nentaba enkulu, senza ukuthi sibone ukubaluleka nobumqoka bokudala kukaNkulunkulu lezo zinto ezimbili; kusikhombisa futhi ukuhlakanipha nenhloso endleleni yokubusa Kwakhe phezu kwazo. Akunjalo?

Isiqephu sesibili sendaba besikhuluma ngani? (Umoya onamandla nentaba enkulu.) Ingabe umoya uyinto enhle? (Yebo.) Hhayi njalo—ngesinye isikhathi umoya uba mkhulu kakhulu bese udala inhlekelele. Ungazizwa unjani uma umiswa emoyeni onamandla? Kuya ngokuthi unamandla kangakanani, angithi? Uma kuwumoya osezingeni lesithathu noma lesine, ungabekezeleka. Okukhulu okungenzeka nje ukuthi umuntu abe nenkinga yokuhlala evule amehlo. Kodwa-ke uma umoya uqina ube yisiphepho, ungakwazi ukumelana nawo? Ngeke ukwazi. Ngakho-ke, akulungile ukuthi abantu bathi umoya uhlala umuhle, noma ukuthi uhlala umubi ngoba kuncike emandleni awo. Manje, inamsebenzi muni intaba lapha? Ingabe umsebenzi wayo akukhona ukusefa umoya? Ngabe intaba iwunciphisa iwenze ube yini umoya onamandla? (Ihehehele.) Manje, endaweni okuhlala kuyo abantu, abantu abaningi bezwa iziphepho noma amahehehele? (Amahehehele.) Ngabe lokhu kwakungeyona enye yezinhloso zokudala kukaNkulunkulu izintaba? Kungaba njani ukuthi abantu baphile endaweni lapho kuphephuka ihlabathi ngesihluku emoyeni, lingavinjwa futhi lingasefwa? Kungenzeka ukuthi kungahlaleki endaweni ehlushwa yisihlabathi namatshe andizayo? Amatshe angashaya abantu, nesihlabathi singabaxhophi. Umoya ungabawisa noma ubaphephule. Izindlu zingadilika, futhi kwenzeke lonke uhlobo lwezinhlekelele. Nokho ngabe kukhona ukubaluleka kokuba khona komoya onamandla? Ngithe wawumubi, ngakho umuntu angase ezwe sengathi awubalulekile, kodwa ingabe kunjalo? Ngabe awunamsebenzi uma usuphenduke ihehehele? Yini abantu abayidinga kakhulu uma kuswakeme noma kushisa? Badinga ihehehele elincane elizobaphephetha kamnandi, ukubenza bavuseleleke ubapholise amakhanda, ukukhaliphisa ukucabanga kwabo, ukulungisa nokwenza ngcono isimo sengqondo. Manje, ngokwesibonelo, nonke nihlezi egumbini elinabantu abaningi nomoya ocimene—yini eniyidinga kakhulu? (Yihehehele elilula.) Ukuya endaweni enomoya ogcwele udoti nongcolile kunganciphisa ukucabanga komuntu, kwehlise ukuhamba kwegazi, futhi kuthuntubeze umqondo. Kodwa-ke, ukunyakaza nokuzungeza okuncane komoya kwenza umoya ube musha, bese abantu bezizwa bengcono kakhulu emoyeni omusha. Yize umfudlana omncane ungadala inhlekelele, nakuba umoya onamandla ungadala inhlekelele, uma nje intaba ikhona izoguqula leyo ngozi iyenze into engasiza abantu. Akunjalo?

Besikhuluma ngani isiqephu sesithathu sendaba? (Intaba enkulu negagasi elikhulukazi.) Intaba enkulu negagasi elikhulukazi. Lesi siqephu sisogwini lolwandle ekuqaleni kwentaba. Sibona intaba, amagwebu olwandle, kanye negagasi elikhulu. Iyini intaba egagasini kule ndaba? (Umvikeli nesithiyo.) Iyikho kokubili, ukuba umvikeli nesithiyo. Njengomvikeli, yenza ulwandle lunganyamalali, ukuze izidalwa ezihlala kulo zizokwanda futhi zichume. Njengesithiyo, intaba ivimba amanzi olwandle angachithekelisi ngaphandle bese edala inhlekelele, enze umonakalo futhi abhidlize amakhaya abantu. Ngakho-ke singathi intaba iyikho kokubili, isivikeli nesithiyo.

Lokhu ukubaluleka kokuxhumana phakathi kwentaba enkulu nomfudlana omncane, intaba enkulu nomoya onamandla, kanye nentaba enkulu negagasi elikhulu; lokhu ukubaluleka kokuqinisa nokuvimbana, kanye nokuphila ndawonye. Lezi zinto, uNkulunkulu azidalile, zibuswa ngumthetho ekuphileni kwazo. Ngakho, yiziphi izenzo zikaNkulunkulu ozibonile kule ndaba? Ingabe uNkulunkulu uzizibe zonke izinto emva kokuzidala? Ingabe wakha imithetho futhi wakha izindlela zokusebenza kwazo zonke izinto, wase ekuziba emva kwalokho? Ingabe yikho lokho okwenzeka? (Cha.) Yini-ke eyenzeka? UNkulunkulu usalawula. Ulawula amanzi, umoya, namagagasi. Akakuvumeli ukuthi kuzenzele umathanda nje, futhi akavumi kulimaze noma kubhidlize amakhaya abantu abaphila kuwo. Ngenxa yalokhu, abantu bangaqhubeka baphile futhi bande baphinde bachume emhlabeni. Lokhu kusho ukuthi ngenkathi edala zonke izinto, uNkulunkulu wayeseyihlelile imithetho yokuphila kwazo. Ngenkathi uNkulunkulu edala into ngayinye, waqinisekisa ukuthi izoba wusizo esintwini, futhi waphinde wazilawula ukuze zingabi uhlupho noma zilethe inhlekelele esintwini. Uma bezingaphethwe nguNkulunkulu, ingabe amanzi awagelezi ngokuthanda? Ingabe umoya awuvunguzi ngokuthanda? Ingabe amanzi nomoya kuyayilandela imithetho? Ukuba uNkulunkulu ubengazilawuli bezingeke zilawulwe nayimiphi imithetho, umoya ubungavunguza kanti namanzi abezophakama ageleze yonke indawo adale izikhukhula. Ukuba igagasi beliphakeme kunentaba, ngabe ulwandle luyakwazi ukuba khona? Belungeke lube khona. Ukuba intaba ibingaphakeme njengegagasi, ulwandle belungeke lube khona, nentaba ibizolahlekelwa ukubaluleka nobumqoka bayo.

## **Amazwi KaNkulunkulu Ansukuzonke (Okucashuniwe 169)**

UNkulunkulu wadala konke okukhona, futhi uyinkosi yakho okukhona; uphetha konke futhi ukuhlinzeka konke, futhi kuzo zonke izinto, ubona futhi acubungule lonke izwi nesenzo sakho konke okukhona. UNkulunkulu uphinde abone futhi acubungule wonke amagumbi empilo yomuntu. Ngalokho, uNkulunkulu wazi ngokuphelele imininingwane yakho konke okukhona endalweni Yakhe, kusuka emsebenzini wakho, imvelo yakho, nemithetho yakho yokuphila kuze kufike ekubalulekeni kokuphila kwakho nomsebenzi wakho, konke lokhu kuyaziwa

kuNkulunkulu. UNkulunkulu wadala zonke izinto—nicabanga ukuthi udinga ukucwaninga imithetho ezibusayo? Ingabe uNkulunkulu udinga ukufunda ulwazi noma isayensi emayelana nomuntu ukuze afunde ngaye futhi amqonde? (Cha.) Ingabe ukhona phakathi kwesintu onemfundo nobuchwepheshe bokuqonda zonke izinto njengoba uNkulunkulu azi? Akekho. Angithi? Ingabe bakhona abafunda ngezinkanyezi noma ngempilo abayiqonda ngempela imithetho izinto eziphila futhi ezikhula ngayo? Ingabe bayakuqonda ukubaluleka kokuba khona kwento ngayinye? (Cha, abakwazi.) Lokhu kungenxa yokuthi zonke izinto zadalwa nguNkulunkulu, futhi noma abantu bangalufunda kakhulu kangakanani nanzulu kangakanani lolu lwazi, noma bangathatha isikhathi esingakanani bezama ukulufunda, ngeke bakwazi ukuqonda imfihlakalo noma inhloso yokudala kukaNkulunkulu zonke izinto. Akunjalo? Manje, njengoba sesixoxile kuze kube manje, ingabe niyezwa yini ninokuyiqonda kancane incapelo yangempela yebinzana elithi “UNkulunkulu Ungumthombo Wokuphila Kwazo Zonke Izinto”? (Yebo.) Ngazile ukuthi uma ngixoxa ngalesi sihloko—UNkulunkulu Ungumthombo Wokuphila Kwazo Zonke Izinto—abantu abaningi bangashesha bacabange ngebinzana elithi “uNkulunkulu uyiqiniso, futhi uNkulunkulu usebenzisa izwi Lakhe ukusihlinzeka,” futhi bangacabangi lutho olunye olungaphezulu kwalelo zinga lomqondo. Abanye bangezwa sengathi ukusihlinzeka kukaNkulunkulu ngempilo yomuntu, ehlinzeka ngokudla nokokuphuza kwansukuzonke, nazo konke izidingo zemihla ngemihla, akuthathwa njengokuhlinzeka Kwakhe umuntu. Abekho abanye abezwa kanje? Nokho, ayicacile yini inhloso kaNkulunkulu endalweni Yakhe—ukuvumela isintu sibe khona futhi siphile ngokujwayelekile? UNkulunkulu ugcina indawo abantu abahlala kuyo futhi uhlinzeka ngazo zonke izinto ezidingwa yisintu ukuze siphile. Phezu kwalokho, uphatha aphinde abuse phezu kwazo zonke izinto. Konke lokhu kuvumela isintu ukuthi siphile, sichume futhi sande ngokujwayelekile; yile ndlela uNkulunkulu ahlinzeka ngayo yonke indalo kanye nesintu. Akulona yini iqiniso ukuthi abantu badinga ukuzibona nokuziqonda lezi zinto? Mhlawumbe abanye bangathi, “Lesi sihloko siqhele kakhulu olwazini lwethu ngoNkulunkulu wangempela uqobo Lwakhe, futhi asifuni ukukwazi lokhu ngoba asiphili ngesinkwa sodwa, kodwa kunalokho siphila ngezwi likaNkulunkulu.” Ingabe ukuqonda kanje kulungile? (Cha.) Kungani kungalungile? Ningamqonda ngokuphelele uNkulunkulu uma nazi izinto uNkulunkulu azishilo? Uma namukela kuphela umsebenzi kaNkulunkulu futhi namukela ukwahlulela nokusola Kwakhe, ningaba nokumqonda ngokuphelele uNkulunkulu? Uma wazi ingxenye encane kuphela yesimo sikaNkulunkulu, ingxenye encane yegunya likaNkulunkulu, ungathi lokhu kwanele ukuthi kukwenze uqonde uNkulunkulu? (Cha.) Izenzo zikaNkulunkulu zaqala ngokudala Kwakhe zonke izinto, futhi ziyaqhubeka namuhla—izenzo zikaNkulunkulu ziyabonakala ngazo zonke izikhathi, ngayo yonke imizuzu. Uma umuntu ekholwa ukuthi uNkulunkulu ukhona ngenxa nje yokuthi ukhethe iqembu labantu ukuze enze umsebenzi Wakhe kulo futhi alisindise, nokuthi akukho okunye okuhlangene noNkulunkulu, igunya Lakhe, isimo

Sakhe, kanye nezenzo Zakhe ngeke yini umuntu athathwe njengowazi uNkulunkulu ngeqiniso? Abantu abanalokhu okubizwa “ngolwazi lukaNkulunkulu” banokuqonda okusohlangothini olulodwa kuphela, okubenza babuke izenzo Zakhe eqenjini labantu elilodwa kuphela. Ingabe lolu lwazi lwangempela ngoNkulunkulu? Ingabe abantu abanalolu hlobo lolwazi abaphiki yini ukudala kukaNkulunkulu zonke izinto nokubusa Kwakhe phezu kwazo? Abanye abantu abafuni ukubhekana naleli phuzu, esikhundleni salokho bazicabangela bodwa bethi: “Angikabuboni ubukhosi kukaNkulunkulu phezu kwazo zonke izinto. Ngenxa yomahluko ezindaweni ezahlukahlukene zomhlaba kanye nangenxa yobukhona bezindawo ezahlukahlukene emhlabeni, izinhlobo ezahlukahlukene zezinyoni nezilwane, izinhlanzi, izinambuzane, kanye nezitshalo kunezindawo ezahlukahlukene okuqhubeka kuzo nokuphila. Izinyoni kanye nezilwane nezinambuzane kuhlala nezitshalo ezahlukahlukene, izinhlanzi ziphila emanzini, kanti izitshalo zikhula ezweni. Izwe lihlanganisa izindawo ezahlukahlukene ezifana nezintaba, amathafa, kanye namagquma. Lapho izinyoni nezilwane ziba nekhaya lazo elimiyo, azinakulokhu zizulazula, ziya noma ngaphi. Izindawo ezingamakhaya azo ngamahlathi nezintaba. Uma, ngelinye ilanga, izindawo ezingamakhaya azo bezingabhidlizwa, uhlelo beluyoba nesiphithiphithi. Masinyane emva kokuba yisiphithiphithi kwalolu hlelo, iyoba yini imiphumela yalokho? Ngobani abayolimala kuqala? (Ngumuntu.) Ngumuntu! Kule mithetho kanye nemigomo okwenziwe nguNkulunkulu, ngabe ikhona into exakile eniyibonile? Ngokwesibonelo, izindlovu zihamba ogwadule. Nike nakubona lokho? Ukuba bekunjalo, bekuyoba yinto engajwayelekile kakhulu, ngoba izindlovu zihlala kuyo yisehlathini, futhi liyindawo, yokuqhubeka nokuphila eziyilungiselwe nguNkulunkulu. Zinendawo yazo okuphilekayo kuyo kanye nekhaya lalo elimisiweyo, ngakho zingakwenzelani ukuthi ziye le nale? Ukhona oseke wabona amabhubesi nezingwe kuhamba ngasogwini lolwandle? Cha, anikaze nikubone. Ikhaya lamabhubesi nezingwe yihlathi nezintaba. Ukhona oseke wabona imikhoma noma oshaka basolwandle bebhukuda ogwadule? Cha, anikaze nikubone. Imikhoma noshaka kwakha amakhaya akho olwandle. Enhlalweni yabantu, bakhona abantu abahlala ndawonye namabhele ansundu? Bakhona abantu abahlala bezungezwe amapigogo noma ezinye izinyoni, ngaphandle nangaphakathi kwamakhaya abo? Ukhona oseke wabona izinkozi noma amadada asendle edlala nezinkawu? (Cha.) Lokhu kungaba yinto eyisimanga. Isizathu esenza ukuthi ngikhulume ngalezi zinto ezizwakala ziyisimanga ezindlebeni zenu ukuthi nginenze niqonde ukuthi zonke izinto ezadalwa nguNkulunkulu—noma ngabe zigxumekeke endaweni eyodwa noma ziphefumula ngamakhala azo—zinemithetho yazo yokuphila. Esikhathini eside ngaphambi kokuthi uNkulunkulu adale lezi zinto eziphilayo wayesezilungisele izindawo zazo eziyizindawo ezingamakhaya, izimo zezindawo zokuthi zikwazi ukuqhubeka nokuphila. Lezi zinto eziphilayo bezinezindawo zazo ezimiselwe ukuphila kuzo, ukudla kwazo, izindawo zazo ezingamakhaya ezimisiwe, izindawo zazo ezimisiwe ezifanele ukuphila kwazo, izindawo ezinezimo zokushisa

esilandelayo, asikho isidingo sokulamba. Lona ngumuntu ozingelayo ukuze aphile. Iningi labantu abaphila ngokuzingela baphila emahlathini ezintaba. Abalimi. Akulula ukuthola indawo engalinywa lapho, ngakho baphila ngezinto ezahlukahlukene eziphilayo, ngezinhlobonhlobo zezilwane ezizingelwayo. Wuhlobo lokuqala lolu lwempilo ehlukile kweyabantu abajwayelekile.

Uhlobo lwesibili wuhlobo lwempilo yabafuyi. Ingabe labo abafuyayo ukuze baphile bayalima? (Cha.) Ngakho benzani? Baphila kanjani? (Isikhathi esiningi, bafuya izinkomo nezimvu ukuze baphile, ebusika bahlaba imfuyo yabo badle. Ukudla kwabo yinyama yenkomo kanye neyemvu, futhi baphuza itiye elinobisi. Nakuba abelusi bematasatasa ngazo zozine izinkathi zonyaka, badla kahle. Banobisi oluningi, imikhiqizo yobisi, nenyama.) Abantu abafuya izilwane badla inyama yenkomo neyemvu ikakhulukazi, baphuza ubisi lwemvu nolwenkomo, bese begibela izinkunzi namahhashi ukuyokwelusa izilwane zawo emadlelweni, izinwele zipheshethwa wumoya, behlatshwa yilanga ebusweni. Abanayo ingcindezi yempilo yesimanje. Usuku lonke babona ububanzi besibhakabhaka esiluhlaza nezinkalo ezinotshani obuningi. Iningi labantu abelusa imihlambi yokuziphilisa bonke bahlala ezindaweni ezinotshani bayakwazi futhi ukuqhubeka nempilo yabo yokuzulazula izizukulwane ngezizukulwane. bethatha amanye amazwe. AmaJamane awathatha amanye amazwe, iNgilandi yangena e-India. Kwaba yini umphumela? Ekugcineni behluleka. Sibonani kulokho kwehluleka? Okunqunywe nguNkulunkulu ngaphambilini akuvumelekile ukuthi kubhidlizwe. Ngakho, noma ungamkhulu kangakanani umfutho obonakale ekukhuleni kweNgilandi, ekugcineni kwakusadingeka bahoxe, bashiye izwe lisaqhubeka nokuba ngele-India. Labo abahlala kulelo zwe basengamaNdiya, abawona amaNgisi. Lokhu kungoba yinto uNkulunkulu angayivumeli. Abanye babacwaningi bomlando noma bepolitiki bayenzile imiqulu yocwaningo ngalokhu. Banikeza izizathu ezishoyo ukuthi kungani iNgilandi yehluleka, bayasho ukuthi kungoba isizwe esithile asikwazanga ukunqobeka, bathi kungaba futhi yisizathu esibandakanya abantu.... Lezi akuzona izizathu eziyizo ngempela. Isizathu sangempela ngesithi kungoba uNkulunkulu—akavumeli lokhu. UNkulunkulu uba nesizwe esihlala endaweni ethile ezweni asihlalise lapho, kanti uma uNkulunkulu engasivumeli ukuthi sisuke lapho asisoze sasuka. Uma uNkulunkulu ethula umkhawulo waso, sizohlala kulowo mkhawulo. Umuntu akakwazi ukuzikhulula noma ukuphuma kule mikhawulo. Lokhu kuliqiniso. Noma ngabe makhulu kangakanani amandla abephuli mithetho noma ngabe kabanamandla kangakanani labo umthetho owephulwa kubo, impumelelo yabo incike kuNkulunkulu ekugcineni. Ukunqumile lokhu phambilini kanti akekho ongakuguqula.

Uma ususwa umphefumulo wakhe, ufikela endaweni esebenzela umhlaba kamoya, okuyindawo eyamukela imiphefumulo yabantu abafike. (Qaphela lokhu: Indawo yokuqala afikela kuyo umuntu ofile awuyazi umphefumulo.) Uma efika kule ndawo, kunesisebenzi esimhlolayo, esiqinisekisa igama lakhe, ikheli, iminyaka yobudala nakho konke ahlalane nakho empilweni yakhe. Konke akwenzile esaphila kubhalwa encwadini kuqinisekiswa ukuthi kushaya emhlopheni. Uma sekuhloliwe konke, ukuziphatha kwakhe lowo muntu kanye nezenzo zakhe empilweni yakhe yonke kusetshenziselwa ukuthola ukuthi kumele ajeziswe noma aqhubeke nokuvuselelwa njengomuntu, okuyisigaba sokuqala. Ngabe siyethusa lesi sigaba sokuqala? Asethusi kakhulu, ngoba into yokuqala eseyenzekile ukuthi lo muntu usefikile endaweni emnyama nengajwayelekile.

Esigabeni sesibili, uma lo muntu enze izinto ezimbi eziningi empilweni yakhe yonke, enze izenzo ezingezinhle, uzobe eseyiswa endaweni yesijeziso ayojeziswa. Yiyona ndawo ngokukhethekile ebekelwe ukujezisa abantu. Imininingwane yokujeziswa kwakhe incike ezonweni azenzile, nokuthi zingaki izinto ezimbi azenzile ngaphambi kokuthi afe—okuyisimo sokuqala esifika uma usesigabeni sesibili. Ngenxa yezinto ezimbi azenzile nobubi abenzile ngaphambi kokufa, uma ebuyiselwa enyameni emva kokujeziswa—uma ephinda futhi ezalelwa emhlabeni wezinto ezibambekayo—abanye abantu bazoqhubeka babe ngabantu, abanye babe yizilwane. Lokho kusho ukuthi, emva kokuba umuntu ebuyele emhlabeni kamoya, uyajeziswa ejeziselwa ububi abenzile; ngaphezu kwalokho, ngenxa yezinto ezimbi azenzile, ukubuyiselwa enyameni okulandelayo okungenzeka kakhudlwana ukuthi akabi ngumuntu, kodwa uba yizilwane. Izilwane abangaba yizo abanjengaye zibandakanya izinkomo, amahhashi, izingulube, kanye nezinja. Abanye abantu bangaba yizinyoni esibhakabhakeni, noma amadada noma amahansi.... Emva kokubuyiselwa enyameni babe yizilwane, uma sebefa babuyela emhlabeni kamoya, bese, njengakuqala, ngokokuziphatha kwabo kokuqala uma sebefa manje umhlaba kamoya uzokhetha ukuthi babuyiselwa enyameni babe ngabantu yini noma cha. Abanengi abantu benza ububi obukhulu, izono zabo zimbi kakhulu, ngalokho uma ebuyiselwa enyameni baba yizilwane izikhathi eziyisikhombisa kuya kwezilishumi nambili. Izikhathi eziyisikhombisa kuya kwezilishumi nambili—kuyesabisa lokho? (Kuyesabisa.) Yini eniyesabayo nina? Ukuthi umuntu abe yizilwane, kuyesabisa lokho. Kumuntu, yini esingathi ibuhlungu ngokuphenduka isilwane? Ukungabi nalulimi ozolukhuluma, ukuba nemicabango elula, ukukwazi kuphela ukwenza izinto ezenziwa yizilwane nokudla izinto ezidliwa yizilwane, ukuba nomqondo ongajulile kanye nokusebenzisa umzimba ukudlulisa imilayezo njengesilwane, ukungakwazi ukuhamba uqondile, ukungakwazi ukukhuluma nabantu, nokuthi akukho ukuziphatha kwabantu nezinto abazenzayo

ezibahlanganisa nezilwane. Okusho ukuthi, kuzo zonke izinto, ukuba yisilwane kukwenza umuntu osezingeni eliphansi kunazo zonke izinto eziphilayo, futhi kubuhlungu kakhulu kunokuphila njengomuntu phaq. Eyodwa lena yezinto zomhlaba kamoya eziyisijeziso kulabo abenze ububi benza nezono ezinkulu. Uma kubhekiswa ebunzimeni besijeziso, lokho kuya nokuthi silwane sini umuntu aphenduka abe yiso. Isibonelo, ngabe ukuba yingulube kungcono kunokuba yinja? Ngabe ingulube iphila impilo engcono kuneyinja? Embi kakhulu, angithi? Uma umuntu eba yinkomo noma yihhashi, ngabe uzo phila kangcono kunengulube? (Kangcono.) Ngabe umuntu uzophila kangcono uma eyikati? Ubeyoba yisilwane ngokufanayo nje, futhi ukuba yikati bekuyoba lula kangcono kunokuba yihhashi noma inkomo, ngoba amakati ayaphumelela ukuvilapha isikhathi esiningi elele. Ukuba yinkomo noma yihhashi kunomsebenzi omkhulu, ngakho uma abantu bebuyiselwa enyameni ngokuphendulwa inkomo noma ihhashi, kumele basebenze kanzima—okubukeka kuyisijeziso esisindayo. Ukuba yinja kuthe ukuba ngcono kunokuba yinkomo noma yihhashi ngoba inja inobuhlobo obuhle nomniniyo. Ezinye izinja, emva kokufuywa iminyaka embalwa ziyakwazi ukukuqonda okuningi okushiwo abaninizo. Ngezinye izikhathi, inja iyakwazi ukuhambisana nendlela umniniyo azizwa ngayo kanye nezidingo zakhe, ngakho umniniyo uyiphatha kangcono, bese idla kahle iphuza kahle, futhi uma igula inakekelwa kakhulu—ngabe inja ayiphili impilo emnandi? Ngaleyo ndlela ukuba yinja kungcono kunenkomo noma ihhashi. Kulokhu, ubunzima besijeziso somuntu buvezwa ukuthi ubuyiselwa izikhathi ezingaki enyameni njengesilwane, nokuthi abe yiluphi uhlobo lwesilwane.

Kungoba benze izono eziningi besaphila, abanye abantu bazojeziswa ngokubuyiselwa enyameni ngokuba yizilwane izikhathi eziyisikhombisa kuya kwezilishumi nambili. Uma isijeziso sesithathe izikhathi eziningi ngokwanele, uma umuntu ebuyela emhlabeni kamoya udluliselwa kwenye indawo. Imiphefumulo eyahlukahlukene kule ndawo seyisitholile isijeziso, manje izobe seyiba sezingeni lokubuyiselwa enyameni ibe ngabantu. Le ndawo ihlukanisa imiphefumulo ngokwezinhlobo ukuthi izoya kuluphi uhlobo lomndeni uma izalwa, ukuthi izobamba liqhaza lini uma seyibuyiselwe enyameni, kanjalo kanjalo. Isibonelo, abanye abantu baba ngabaculi uma befika kulo mhlaba, bese bebekwa eqeqebeni labaculi; abanye bazoba ngosomabhizinisi uma befika kulo mhlaba, bese babekwe eqeqebeni losomabhizinisi, kuthi uma umuntu ezoba ngumcwaningi owusosayensi uma eba ngumuntu, abekwe eqeqebeni labacwaningi bezesayensi. Uma sebefakiwe emikhakheni yabo, umuntu ngamunye uthunyelwa ngesikhathi esihlukile nangosuku olukhethiwe, kufane nendlela abantu abathumela ngayo ama-imeyili namhlanje. Ngelokhu umuntu useqede umzuliswano owodwa wokuphila nokufa. Kusukela ngosuku umuntu afika ngalo emhlabeni kamoya kuze kuphele isijeziso sakhe, noma aphendulwe isilwane kaningi, futhi elungiselela ukubuyiselwa ekubeni ngumuntu, le nqubo iphelele.

---

Futhi ngabe labo abaqede izijeziso zabo, futhi abangabuyiselwa enyameni ngokuba yizilwane, bayothunyelwa masinya emhlabeni wezinto ezibambekayo ukuze bazalwe njengabantu? Noma, kuyothatha isikhathi esingakanani ukuthi bafike phakathi kwabantu? Kungenzeka ngokulandelana kangakanani lokhu? Kunemikhawulo yesikhashana kulokhu. Konke okwenzeka emhlabeni kamoya kulawulwa imikhawulo nemithetho efanele—uma ngingachaza ngokusebenzisa izinombolo, nizoqonda. Kulabo ababuyiselwa enyameni ngokuthatha isikhathi esincane, uma befa ukuphinda bazalwe njengabantu kuyalungiselelwa. Isikhathi esifushane kunazo zonke kuba yizinsuku ezintathu. Kwabanye abantu, kuba yizinyanga ezintathu, kwabanye kube yiminyaka emithathu, kuthi kwabanye kube yiminyaka engamashumi amathathu, kanti kwabanye kuba ngamakhulu amathathu eminyaka, njalo-njalo. Yini-ke engaphawulwa ngale mithetho yesikhashana, yini eyiqukethe ngempela? Isekelwe kulokho umhlaba wezinto ezibambekayo, umhlaba wabantu okudinga emphefumulweni kanye neqhaza elizobanjwa yilo mphefumulo emhlabeni. Uma abantu bebuyiselwa enyameni njengabantu abejwayelekile, abanengi babo babuyiselwa enyameni masinya, ngoba umhlaba wabantu unesidingo esikhulu sabantu abanjalo, bese bebuyiselwa ezinsukwini ezintathu ezilandelayo emindenini ehlukile kunale abebekuyo ngaphambi kokufa. Kodwa kukhona labo abadlala indima ekhethekile kulo mhlaba. “Ekhethekile” kusho ukuthi asikho isidingo esikhulu salaba bantu emhlabeni wabantu; ababanengi okudingeka badlale leyo ndima, ngakho kungathatha iminyaka engamakhulu amathathu. Ngamanye amazwi, lo mphefumulo uzobuya kanye njalo emva kweminyaka engamakhulu amathathu, noma kube kanye emva kweminyaka eyizinkulungwane ezintathu. Kungani kunjalo? Kungoba eminyakeni engamakhulu amathathu noma eyizinkulungwane ezintathu aludingeki lolo hlobo lomuntu emhlabeni wabantu, ngalokho bagcinwa endaweni ethile emhlabeni kamoya. Masibheke umuntu onjengoConfucius, njengesibonelo. Wayenethonya elijulile emasikweni omdabu eChina. Ukufika kwakhe kwaba nomphumela omkhulu emasikweni, olwazini, kokomdabu, kanye nasekucabangeni kwabantu bangaleso sikhathi. Kodwa umuntu onjengalona akadingeki minyaka yonke, kwabe sekudingeka ukuthi ahlale emhlabeni kamoya, walinda khona iminyaka engamakhulu amathathu noma eyizinkulungwane ezintathu ngaphambi kokuthi abuyiselwe enyameni. Kungoba umhlaba wabantu wawungamdingi umuntu onjengalona, kwadingeka alinde engenzi lutho, ngokuthi kwakunesidingo esincane somuntu onjengaye, kwabe kukuncane okwakumele akwenze, ngakho kwadingeka agcinwe ndawana thile emhlabeni kamoya isikhathi esithile, engenzi lutho, nokuze akhishelwe emhlabeni womuntu uma sewumdinga. Lena yimithetho yokomoya yesikhashana eholela ekuthini abantu babuyiselwe enyameni. Noma bangaba ngabantu abejwayelekile noma abakhethekile, umhlaba kamoya unemithetho efanele nezindlela ezinembayo ukwenza umsebenzi wokubuyisela enyameni abantu, futhi le mithetho kanye nezindlela kuvela kuNkulunkulu, ayinqunywa noma ilawulwe yisithunywa noma ibe semhlabeni kamoya.

## **Amazwi KaNkulunkulu Ansukuzonke (Okucashuniwe 189)**

Emphefumulweni noma yimuphi, ukubuyiselwa esimweni somuntu, ukuthi yiliphi iqhaza lawo kule mpilo, ukuthi uzalelwa kumuphi umndeni, nokuthi impilo yawo injani kuncike empilweni yawo edlule. Zonke izinhlobo zabantu ezifika kulo mhlaba wabantu, iqhaza ezilibambayo kalifani, njengemisebenzi eziyenzayo lezi zinhlobo. Yimiphi leyo misebenzi? Abanye abantu bafikela ukuzokhokha izikweletu kule mpilo: Uma bebekweleta abanye izimali eziningi empilweni yabo edlule, bayazikhokha lezo zikweletu. Abanye abantu, ngaleyo nkathi, babuyela ukuzoqoqa izikweletu: Babeqolwe izinto eziningi, nemali eningi empilweni yabo edlule, emva kokufika emhlabeni kamoya banikwa ubulungiswa bavunyelwe ukuzoqoqa izikweletu kule mpilo. Abanye abantu babuyela ukuzokhokha izikweletu zokubonga: Empilweni yabo edlule—ngaphambi kokuthi bafe—kunomuntu osuke eye waba nomusa kubo, kuthi empilweni yabo yamanje banikwe ithuba elikhulu lokubuyiselwa enyameni bazalwe futhi ukuba bazokhokha isikweletu sokubonga. Abanye, ngaleyo nkathi, baphinde bazalwa kulesi sikhathi samanje ukuba bathole ukuphila nje. Iyiphi impilo abayitholayo? Kusuke kunomuntu obabulele empilweni yabo edlule. Uma sihlanganisa, wonke umuntu ophilayo manje impilo yakhe ihlobene nempilo yakhe edlule, ihlobene ngokungehlukaniswe. Okusho ukuthi, impilo yomuntu wonke ophila manje ithola ithonya empilweni yakhe eyedlule. Isibonelo, ngaphambi kokuthi afe uZhang wenza inkohlakalo ngemali kaLi eningi kakhulu. Ngabe uZhang unesikwelethu esikhulu kuLi? Ngoba kunjalo, ngabe kuyimvelo ukuthi uLi aqoqe isikweletu sakhe kuZhang? Ngakho, emva kokufa kwabo, kunesikweletu okufanele sikhokhwe phakathi kwabo. Uma bebuyiselwa enyameni uZhang bese eba ngumuntu, ngabe uLi usiqoqa kanjani isikweletu sakhe kuye? Kokunye okungenzeka ukuthi uLi azalwe njengendodana kaZhang bese siqoqeka isikweletu. UZhang uthola imali eningi, futhi ilokhu idliwa nguLi nje. Noma angathola malini uZhang, uLi indodana yakhe uyayidla. Noma angathola malini uZhang, ayeneli, umfana wakhe, ngaleso sikhathi, ngasizathu sithile uzithola edla imali kayise ngezindlela eziningi ezahlukene. UZhang udidekile nje: “Kungani indodana yami imosha nje? Kungani amadodana abanye abantu eziphethe kahle kangaka? Kungani indodana yami ingenanhloso enhle empilweni, kungani ingento yalutho ingakwazi ukuzenzela imali ngokwayo, kungani kudingeka njalo ngiyixhase? Ngoba kudingeka ngiyixhase, ngizoyixhasa-ke, kungani kodwa ukuthi noma ngingayinika malini, idinga enye eningi futhi? Kungani ingenzi umsebenzi wosuku nje onokwethembeka, kodwa iyokwenza noma yini—iyalova, iyadla, iyaphuza, iyafeba, futhi iyabheja. Kwenzekani nje kimi?” UZhang athi ukucabanga kancane: “Kungenzeka kambe ukuthi kungoba bengimkweleta imali empilweni edlule. Kuhle-ke, ngizosikhokha isikweletu! Ngeke kuphele lokhu ngize ngisikhokhe sonke ngokuphelele!” Lungafika usuku lapho uLi esithola khona sonke isikweletu sakhe, kuthi

ngenkathi efika eminyakeni engamashumi amane noma amahlanu, kufike usuku lapho efikelwa khona wumcabango ophusile: “Angenzanga lutho oluhle kuwo wonke uhhafu wokuqala wempilo yami! Ngiyidle yonke imali ubaba ayisebenzile—kumele ngiziphathe kahle! Ngizolungisa isimo sami: Ngizokwethembeka, ngiphile impilo efanele, ngingaphindi ngimkhubekise ubaba futhi!” Kungani ecabanga ngale nto? Kungani eseguquka manje eba ngumuntu okahle? Ngabe sikhona isizathu salokhu? Siyini sona lesi sizathu? (Ngoba uLi usesiqoqe sonke isikweletu sakhe; uZhang usesikhokhile isikweletu. Kulokhu, kukhona imbangela nomphumela. Indaba yaqala kudaladala, ngaphambi kokuthi bazalwe bobabili, futhi le ndaba yabo yempilo edlule ibuyiselwe empilweni yamanje, akekho kubo ozolahla omunye ngecala. Lokhu nalokhuya uZhang ayifundise khona indodana yakhe, ayizange ikulalele, ayizange yenze nomncane umsebenzi noma ngowosuku nje—kodwa kuthe ngosuku isikweletu esaphela ngalo, akubanga khona sidingo sokuthi ayifundise indodana yakhe; yavele yaqonda izinto ngokwemvelo. Yisibonelo esilula njena lesi. Zikhona yini eziningi ezinye izibonelo ezifana nalezi? (Yebo) Futhi kusho ukuthini kubantu lokhu? (Ukuthi kumele baziphathe kahle futhi bangenzi okubi.) Ukuthi akumele benze okubi, kuzoba khona imiphumela engemihle kubo ngokwenza okubi! Abaningi abangakholwa benza okubi, kanti ububi ababenzile sebube nayo imiphumela engemihle kubo, angithi kunjalo? Kungabe-ke imiphumela engemihle kubo ayibafanele? Konke okuholele emiphumeleni engemihle kubo kunesizathu. Ucabanga ukuthi akukho okuzokwenzeka kuwe uma wenze inkohlakalo kumuntu ngemali yakhe? Ucabanga ukuthi, emva kokuqola umuntu imali, akukho miphumela kuwe emva kokuthatha imali yakhe? Ngeke kungenzeki lutho, futhi kuyoba khona imiphumela! Kungakhathaleki ukuthi bangobani, noma bayakholwa noma cha ukuthi uNkulunkulu ukhona, wonke umuntu kumele azithwalele yena imiphumela yokuziphatha kwakhe, amukele okulandela emva kwezenzo zakhe. Mayelana nalesi sibonelo esilula—uZhang esejezisiwe, noLi esekhokhelekile—akwamukelekile lokhu? Uma abantu benza izinto ezinjena, kukhona imiphumela enjalo emelwe ukuba khona. Akuhlukaniseki nokuphathwa komhlaba kamoya. Phezu kokuba bengabangakholwayo, labo abangakholwa uNkulunkulu, ubukhona babo buyayithinta inqubo yezulu nemiyalelo yalo okungekho noyedwa ongayibalekela futhi akekho okwazi ukuvika leli qiniso.

Labo abangenakho ukukholwa bavame ukukholwa ukuthi yonke into ebonakalayo ikhona, kanti konke okungabonwa, noma okukude kakhulu nabantu, akukho. Bakhetha ukukholwa ukuthi ayikho into okuthiwa “yisikhathi sokuphila nokufa,” futhi asikho “isijezi,” ngakho bayona benze isono ngaphandle kokuzisola—emva kwalokho bajeziwe, noma babuyiselwe

enyameni ngokwenziwa izilwane. Iningi kulabo abangakholwayo bawela kulo mzuliswano onzima. Lokhu kungoba abazi ukuthi umhlaba kamoya uqinisa isandla ekuphatheni kwawo konke okuphilayo. Noma ngabe uyakholwa noma awukholwa, leli qiniso limile, ngokuthi akukho noyedwa umuntu noma into ekwazi ukuvika lokho uNkulunkulu akubonayo ngamehlo Akhe, akekho futhi noyedwa umuntu noma into ekwazi ukuphunyula emithethweni kanye nasemikhawulweni yezulu nemiyalelo kaNkulunkulu. Kanjalo futhi lesi sibonelo esilula sitshela wonke umuntu ukuthi noma uyakholwa noma kawukholwa uNkulunkulu, akwamukelekile ukwenza isono nokwenza okubi, futhi kunemiphumela. Uma kungukuthi umuntu oqole omunye imali uthola isijeziso esinje, lesi sijeziso simfanele. Ngokujwayelekile kwesikubonayo okufana nalokhu okuthola isijeziso emhlabeni kamoya, kungukujeziswa okuvela ngemiyalelo kanye nemigomo kaNkulunkulu, ngakho ukuziphatha okunobugcwelegcwele nobubi—ukudlwengula nokuqola, ukukhwabanisa nokukhohlisa, ukweba nokubamba inkunzi ukubulala nokuthungela ngomlilo, kanjalo kanjalo—kuholela ezijezisweni eziningi ezinamazinga angalingani ngobunzima. Zibandakanya ini nani lezi zijeziso ezehlukene ngamazinga obunzima? Ezinye zazo zithatha isikhathi ukufinyelela ezingeni lobunzima, ezinye zikwenza lokho ngezindlela ezahlukahlukene, kuthi ezinye zikwenze ngendawo lapho abantu beya khona uma bebuyiselwa enyameni. Isibonelo, abanye abantu banokukhuluma kabi. Kusho ukuthini “ukukhuluma kabi”? Kusho ukukhipha inhlamba wethuke abanye kanye nokusebenzisa ulimi olunendelelo, ulimi oluqalekisa abantu. Yini ebalulwa wulimi olubi? Lubalula ukuthi lowo muntu unenhliziyi embi. Ulimi olubi oluqalekisa abanye abantu luvame ukuvela emilonyeni yabantu abanjalo, kanti lolu limi olubi luhambisana nemiphumela enzima. Emva kokuthi laba bantu bafe bathola isijeziso esifanele, bangazalwa futhi kodwa bazalwe beyizimungulu. Abanye abantu bathanda ukucubungula kakhulu uma besaphila, bavame ukuqinela abanye, amaqhinga abo avama ukuhlelwa kahle, okuningi abakwenzayo kuyabalimaza abanye. Uma bezalwa futhi, bangazalwa bengaphelele engqondweni kungenjalo babe yizinhlanga. Abanye bavama ukuzinikela ekucingeni babone ingasese labanye abantu; amehlo abo abona okuningi abangafanele ukukubona, bazi okuningi abangafanele ukukwazi, bese bezalwa beyizimpumputhe. Abanye abantu bashesha kakhulu uma besaphila, bayalwa, benza okuningi okubi, bese kuthi uma bezalwa futhi babe nokukhubazeka, babe yizinyonga noma ngabangenaso isitho esithile mhlawumbe bangabi nangalo, kungenjalo babe yizifumbu, baxhwale ngemiqala, baxhuge, noma babe nomlenze omfushane kunomunye, njalo-njalo. Ngelokhu bawela ezijezisweni eziningi ezahlukahlukene eziya nokuthi benze ububi obungakanani ngenkathi besaphila. Bese nina nithi, kungani abanye abantu beyinsanga? Kungabe baningi abantu abanjalo? Bakhona baningi kulezi zinsuku. Abanye abantu bayinsanga ngoba empilweni yabo edlule bawasebenzise kakhulu amehlo abo, benze izinto eziningi ezimbi ngawo, uma bezalwa futhi kulo mhlaba amehlo abo abayinsanga, ezimeni ezimbi kakhulu baba yizimpumputhe. Ukuphindiselela lokhu! Abanye abantu

bazwana kahle nabanye ngaphambi kokuthi bafe, bebenzela okuningi okuhle labo abathandiweyo babo, abangani, ozakwabo, noma abantu abaxhumene nabo. Bayaphana futhi bayabanakekela abanye abantu, mhlawumbe babasize ngemali, abanye bayabahlonipha laba bantu, kuthi uma abantu abanjalo bebuyela emhlabeni kamoya bangakutholi ukujeziswa. Ukuze umuntu ongakholwa angajeziswa kumele abe ngumuntu oziphethe kahle kakhulu. Esikhundleni sokukholwa nguNkulunkulu, bakholwa kuphela yiNdoda Endala Yasesibhakabhakeni. Bakholwa kuphela ukuthi kunomoya ongaphezu kwabo obona konke abakwenzayo—ukuphela kwento abakholwa yiyo. Futhi umphumela wabo uwukuthi baziphethe kahle kangcono kakhulu. Labo bantu banezinhliziyo ezinomusa bayaphana, ekugcineni sebuyela emhlabeni kamoya, wona umhlaba kamoya bese ubaphatha kahle baphinde babuyiselwe enyameni. Lapho bezalwa futhi, luhlobo luni lomndeni abazofikela kuwo? Nakuba lo mndeni ungeke ube yizigwili, uzoba nokuthula, kuzoba noxolo emalungwini awo, awuzuba namsindo, izinsuku zawo zinenjabulo, wonke umuntu kuwo uthakasile, unempilo enhle. Uma lowo muntu eba mdala, uzoba nomndeni omkhulu, izingane zakhe zibe neziphiwo zithokozele impumelelo, futhi nemindeni yazo ibe nenhlanhla ejabulisayo—umphumela onjalo usukela kakhulu empilweni yakhe edlule. Okusho ukuthi, lapho umuntu aya khona emva kokufa nalapho ebuyiselwa enyameni, noma kungowesilisa noma ngowesifazane, noma ngabe yimuphi umsebenzi wakhe, noma ngabe udlule kukuphi nakukuphi empilweni, izinkinga zakhe, izibusiso azithokozele, noma ngubani azohlangana naye, kuzokwenzekani kuye—akekho okwazi ukwenza umhlahlo walokhu, ukukuvika, noma ukuzifihla kukho. Lokho kusho ukuthi, emva kokuthi impilo yakho seyihleliwe, okuzokwenzeka kuwe, noma ungazama kanjani ukukuvika, noma yingani ozama ukuvika ngayo, awunayo indlela yokugwema uhlelo lwempilo olubekelwe nguNkulunkulu emhlabeni kamoya. Kungoba uma ubuyiselwa enyameni, impilo yakho isuke isihleliwe. Noma ingaba yimbi noma ingaba yinhle, wonke umuntu kumele abhekane nalokhu, aqhubekele phambili; yinto lena angekho kwabaphila kulo mhlaba ongayivika, akukho futhi kulokhu okuliqiniso kakhulu kunokunye.

## **Amazwi KaNkulunkulu Ansukuzonke (Okucashuniwe 191)**

Ngabe uyabona ukuthi uNkulunkulu unezindlela ezinembayo zokuqaphela kanye nokulawula impilo yokuphila nokufa kwabantu abangakholwa? Okokuqala, uNkulunkulu wenze imithetho yezulu eminingi, imiyalelo, nezinhlelo ngokomoya, emva kokwethulwa kwale mithetho, imiyalelo, kanye nezinhlelo, konke kulandelwa ngokuqinisekileyo, njengokusho kukaNkulunkulu, ngabantu abasezikhundleni ezahlukahlukene emhlabeni kamoya, akekho onesibindi sokuyephula. Ngakho-ke, empilweni yabantu yokuphila nokufa emhlabeni wabantu,

noma ngabe umuntu ubuyiselwe enyameni waba yisilwane noma wabangumuntu, kunemithetho kukho kokubili. Kungoba le mithetho ivela kuNkulunkulu, akekho onesibindi sokuyephula, futhi akekho nokwazi ukuyephula. Ngenxa yobukhulu bukaNkulunkulu, ngoba-ke kunale mithetho, ethi umhlaba wezinto ezibambekayo ubonwa ngabantu njengohlelekile noqondile; kungenxa yalobu bukhulu bukaNkulunkulu ukuthi umuntu akwazi ukuphila ngokuthula nomunye umhlaba ongabonakali nhlobo kumuntu, akwazi ukuphila ngoxolo nawo—kanti konke ongeke ukwehlukanise nobukhulu bukaNkulunkulu. Emva kokufa kwempilo yomuntu yenyama, umphefumulo usuke usaphila, ngakho bekuzokwenzekani uma ubungaphethwe uNkulunkulu? Lo mphefumulo bewuzozulazula yonke indawo, ungene le nale, uze ulimaze izinto eziphila emhlabeni wabantu. Lokho kulimala bekungeke kugcine kubantu, bekuzofinyelela nasezitshalweni nasezilwaneni—kodwa okokuqala okungalimala ngabantu. Uma bekungenzeka lokhu—ukuba lowo mphefumulo bewungangalawulwa, wase ulimaza abantu, wenza izinto ezimbi—bekuyoze ulawulwe emhlabeni kamoya: Uma izinto bezingqala, lowo mphefumulo bewuyoshabalala masinya, bewuyolimala uphele; uma kwenzeka, bewuyobekwa ndawana thile uze ubuyiselwe enyameni. Lokho kusho ukuthi, ukulawula komhlaba kamoya okwenzeka emiphefumulweni enhlobonhlobo kuhlelekile, kwenziwa kulandelwa izinyathelo nemithetho efanele. Kungenxa yalokhu kulawulwa ukuthi umhlaba wezinto ezibambekayo wabantu awusona isiphithiphithi, ukuthi isintu emhlabeni wezinto ezibambekayo siziphethe ngendlela eyamukelekayo, indlela enokuhlakanipha, nempilo yenyama ehlelekile. Kusemva kokuthi isintu sibe nempilo eyamukelekayo ukuthi labo abaphila enyameni bakwazi ukuqhubeka nokuphila bazalane ezizukulwaneni ngezizukulwane.

Ukufa komuntu ophilayo—ukumiswa kwempilo yomzimba—kusho ukuthi umuntu useye wahamba emhlabeni wezinto ezibambekayo waya emhlabeni kamoya, kanti ukuzalwa kwempilo yenyama entsha kusho ukuthi umuntu ophilayo ufikile evela emhlabeni kamoya efika emhlabeni wezinto ezibambekayo wayeseqala indima yakhe, yokubamba iqhaza lakhe. Noma ngabe ukuhamba noma ukufika kwento ephilayo, kokubili akuhlukaniseki emsebenzini womhlaba kamoya. Uma kufika umuntu emhlabeni wezinto ezibambekayo, amalungiselelo kanye nezidingo zakhe kusuke sekwenziwe nguNkulunkulu emhlabeni kamoya kwenzelwa umndenisi aya kuwo, inkathi afika ngaso, ihora afika ngalo, iqhaza azolibamba. Impilo yonke yalo muntu—izinto azenzayo, izindlela azithathayo—ziqhubeka ngokwamalungiselelo akhe enziwe emhlabeni kamoya, ngaphandle kwephutha noma ngabe lincane kangakanani. Isikhathi lapho impilo yenyama iphela khona, okwesikhashana, nangendlela nendawo lapho iphelela khona, kucacisiwe kwafakazelwa futhi emhlabeni kamoya. UNkulunkulu ubusa umhlaba wezinto ezibambekayo,

aphinde abuse emhlabeni kamoya, kanti akawubambezeli umphefumulo emzuliswaneni wempilo yokuphila nokufa, akenzi phutha futhi ekulungiseleleni umphefumulo emzuliswaneni wempilo yokuphila nokufa. Isithunywa ngasinye ezikhundleni ezisemthethweni emhlabeni kamoya siqala umsebenzi waso, senze njengoba kufanele, silandele imiyalelo nemithetho kaNkulunkulu. Ngakho, emhlabeni wesintu, yonke into eyenganyelwe ngumuntu ihlelekile, ayinasiphithiphithi. Konke lokhu kungenxa yohlelo lwemithetho ehleliwe kaNkulunkulu abusa ngayo zonke izinto, kuphinde kube ngegunya likaNkulunkulu elibusa phezu kwakho konke, kanti konke lokho abusa phezu kwakho kubandakanya umhlaba wezinto ezibambekayo okuhlala kuwo umuntu, kuphinde futhi, phezu kwakho lokho, kube umhlaba kamoya ongabonakali kumuntu. ### **Ukujikeleza Kokuphila Nokufa Kwabantu Abehlukahlukene Benkolo**

Siqeda kuxoxa ngokujikeleza kokuphila nokufa esigabeni sokuqala, sabangakholwayo. Manje, make sixoxe ngesigaba sesibili, sabantu abahlukahlukene benkolo. “Ukujikeleza kokuphila nokufa kwabantu abehlukahlukene benkolo” naso yisihloko esibalulekile, futhi kunilungele ukuthi nibe nokuqonda ngakho. Okokuqala, masikhulume ngokuthi ezinkolweni iyiphi “inkolo” esibhekise kuyo lapho sithi khona “abantu benkolo”: Kusho Inkolo yamaJuda, eyamaKrestu, eyamaKhatholika, eyama-Islam, nobuBuddha, okuyizinkolo ezinkulu ezinhlanu. Phezu kwabangakholwayo, abantu abakholwa kulezi zinkolo ezinhlanu bayingxenye enkulu yenani labantu emhlabeni. Kulezi zinkolo ezinhlanu, labo asebekwenze umsebenzi wabo ukukholwa bambalwa, kodwa lezi zinkolo zinamakholwa amaningi. Amakholwa azo aya endaweni ehlukele uma efa. “Ehlukele” ehluke kunekabani? Ehlukele kweyabangakholwayo, kweyabangenankolo, ebesikhuluma ngabo khona manje. Emva kokufa, abakholwa kulezi zinkolo ezinhlanu baya kwenye indawo, endaweni ehlukele kweyabangakholwayo. Kodwa kuyinqubo efanayo. Umhlaba kamoya uzokhipha isahlulelo ngabo ulandela lokho abakwenzile ngaphambi kokufa, kulandele ukuthi benziwe izinto ezifanele. Kungani-ke kodwa laba bantu bebekwa endaweni ehlukele lapho bezohlungwa khona? Kunesizathu esibalulekile salokhu. Siyini leso sizathu? Ngizonitshela ngokwenza isibonelo. Kodwa ngaphambi kokukwenza, kungase kube nicabanga lokhu: “Mhlawumbe kungenxa yokuthi banokukholwa okuncane kuNkulunkulu!

---

Abayibona abangakhohlewa ngokuphelele.” Lokhu akuyiso isizathu. Kukhona isizathu esibaluleke kakhulu esenza babekwe kwenye indawo.

Masibhekise enkolweni yamaBuddha: Make nginitshele iqiniso. Umuntu ongumBuddha, okokuqala, lowo ngumuntu ophendukele enkolweni yamaBuddha, futhi ngumuntu owaziyo ukuthi inkolo yakhe iyini empeleni. Uma umBuddha egunda izinwele bese eba yindela noma yindelakazi, lokho kusho ukuthi uziqhelelanisile nomhlaba wezinto ezibambekayo washiya izinto zomhlaba womuntu kude le. Zonke izinsuku basho imibhalo yamaHindu, futhi bahaye amagama kaBuddha, badle ukudla okuyimifino kodwa, baphila impilo yokuzithiba, izinsuku zabo zidlula zihambisana nelambu elishisa ibhotela elibandayo nelikhanya okulufifi. Abenkolo yamaBuddha baphila impilo yabo ngale ndlela. Uma impilo yabo yomzimba wenyama iphela, benza isifinyezo sempilo yabo, kodwa ezinhliziyweni zabo abazi ukuthi bazoya kuphi emva kokufa, bazohlangana nobani, futhi bazoba nesiphelo esinjani—ezinhliziyweni zabo abacacelwa yilezi zinto. Ayikho into abayenzile ngaphandle kokuphila impilo yabo yonke ngokunganaki bephelekezelwa yinkolo, emva kwalokho bayawushiya umhlaba bephelekezelwa ngamathemba nemibono engasho lutho. Leso yisiphetho sempilo yabo yenyama okuthi lapho beshiya khona emhlabeni wabaphilayo, futhi, emva kwalokho, bebuyela endaweni yabo yakuqala emhlabeni kamoya. Ukuthi labo bantu babuyiselwe enyameni ukuba babuyele emhlabeni bayoqhubeka nempilo yokuzifundisa kuncika ekuthini ukuziphatha kwabo nakho ukuzifundisa lokho ngaphambi kokuthi bafe. Uma bengenzanga lutho olungafanele ngesikhathi besaphila, bazobuyiselwa enyameni masinya babuyiselwe emhlabeni futhi, lapho bezofika babe yizindela noma izindelakazi futhi. Ngokwenqubo yokuqala, imizimba yabo yenyama iyazifundisa, emva kwalokho bayafa babuyele emhlabeni kamoya, lapho befika bahlolwe khona, emva kwalokho—uma kungenazinkinga—bangabuyela futhi emhlabeni wabantu, baphinde futhi baphendukele enkolweni yamaBuddha baqhubeka nokuzifundisa. Uma sebebuyiselwe enyameni izikhathi ezintathu noma eziyisikhombisa, bazophinda babuyele emhlabeni kamoya, okuyilapho beya khona njalo uma impilo yabo yenyama iphela. Uma okubenza bemukeleke nezindlela zokuziphatha emhlabeni wabantu kuhambisana nemithetho yasezulwini ngokomhlaba kamoya, kusukela lapho bayohlala khona okokuphela; ngeke besabuyiselwa enyameni njengabantu, ngeke futhi besangena engcupheni yokujeziselwa ukwenza okubi. Ngeke baphinde babhekane nale nqubo. Esikhundleni salokho, ngokwezimo zabo, bazohlala endaweni kamoya. Yilokhu amaBuddha akubiza “ngokuthola ubuBuddha.” Ukuthola ubuBuddha ikakhulu ukufinyelela ekuphumeleleni njengesikhulu somhlaba kamoya futhi, emva kwalokho, ungasabuyiselwa enyameni noma ube sengozi yokujeziswa. Ngaphezu kwalokho, kusho ukungabe kusaba nenhlupheko okuyinkinga yokuba ngumuntu emva kokubuyiselwa enyameni. Ngakho lisekhona yini elinye ithuba lokuthi babuyiselwe enyameni ngokwenziwa izilwane? (Cha.) Lokhu kusho

ukuthi bahlalele ukubamba iqhaza emhlabeni kamoya kanti ngeke besabuyiselwa enyameni. Lesi yisibonelo esisodwa sokufinyelela ekuphumeleleni kobuBuddha enkolweni yobuBuddha. Okwalabo abangafinyeleli ekuphumeleleni, uma bebuyela emhlabeni kamoya, bayahlolwa baqinisekiswe yisikhulu esiqondene nalokho, esithola ukuthi ngenkathi besaphila, babengazifundisanga ngokukhuthala noma babengakukhuthalele ukusho imibhalo nokuhaya amagama kaBuddha njengoba kubalula inkolo yamaBuddha, kodwa, esikhundleni salokho babenze okuningi okubi, baziphatha kabi kaningi. Bese, emhlabeni kamoya kwenziwe ukwehlulela ngokwenza kwabo ububi, kulandele ukuthi nakanjani bajeziswe. Kulokhu, akukho ukukhetha abathile. Ngakho, umuntu onje ukuzuza nini ukuphumelela? Empilweni lapho engakwenzi okubi—lapho, emva kokubuyela emhlabeni kamoya, kubonakala ukuthi akenzanga lutho olungafanele ngaphambi kokuthi afe. Uyaqhubeka nokubuyiselwa enyameni, aqhubeke nokusho imibhalo nokuhaya amagama kaBuddha, edlulisa izinsuku zakhe ekukhanyeni okubandayo, okufiphele kwelambu lebhotela, engabulali noma yini ephilayo, engadli inyama, futhi engahlanganyeli ezintweni ezenziwa emhlabeni wabantu, eshiya izinkathazo emuva futhi kude, engaxabani namuntu. Ngenkathi kwenzeka lokho, akenzi bubi, kube sekulandela ukuthi abuyele emhlabeni kamoya, kuthi emva kokuba zonke izenzo zakhe nokuziphatha sekuhloliwe, ube esephindiselwa emhlabeni wabantu futhi, ekujikelezweni ozokukwenzeka izikhathi ezintathu kuya kweziyisikhombisa. Uma kungabi khona okuphoxayo ngalesi sikhathi, ukuzuza kwakhe ubuBuddha kuzobe sekuhlala kungathintekile, futhi ngeke kulibale. Lena indaba yokujikeleza kwempilo yokuphila nokufa yabo bonke abantu benkolo: Bayakwazi “ukuzuza ukuphumelela,” bathathe indawo emhlabeni kamoya. Lokhu yikhona okubenza behluke kwabangakholwayo. Okokuqala, ngenkathi besaphila emhlabeni, kumele baziphathe kanjani labo abakwazi ukuthatha indawo emhlabeni kamoya? Kumele bangenzi nobuncane ububi: Akumele babulale, bashise abantu, badlwengule, noma baphange izimpahla zabantu; kodwa uma bekhwabanisa, bekhohlisa, bentshontsha, beqola, ngeke bakuzuze ukuphumelela. Ngamanye amazwi, uma behlobana noma besondelana nokwenza okubi, ngeke baphunyule ekujezisweni emhlabeni kamoya. Umhlaba kamoya wenza amalungiselelo afanele amaBuddha athola ubuBuddha: Anganikwa umsebenzi wokulawula labo ababonakala bekhola enkolweni yamaBuddha, kanye naseNdodeni Endala Esesibhakabhakeni, amaBuddha azonikwa igunya lokuphatha, angaphatha abangakholwayo kuphela, noma abe yizithunywa esisezingeni eliphansi. Lokhu kubekwa kuhambisana nobunjalo bale miphefumulo. Yisibonelo senkolo yamaBuddha lesi.

Ezinkolweni ezinhlanu esikhulume ngazo, ubuKrestu bukhethekile ngandlela thile. Yini ekhetheke kangako ngobuKrestu? Laba ngabantu abakhola kuNkulunkulu weqiniso. Singabafaka kanjani kulolu hla abantu abakhola wuNkulunkulu weqiniso? Ngoba ubuKrestu buwuhlobo lwenkolo, buyiyo, ngaphandle kokungabaza, buhlobene nenkolo—buwumsebenzi

---

othile, uhlobo lokukholwa, buthe ukwehluka enkolweni yalabo abalandela uNkulunkulu ngokweqiniso. Isizathu sokuthi ngibufake kulolu hlu lwezinkolo ezinhlanu ezinkulu ukuthi ubuKrestu busezingeni elilodwa nobuJuda, inkolo yamaBuddha, kanye ne-Islam. AmaKrestu amaningi awakholwa ukuthi ukhona uNkulunkulu, nokuthi ubusa phezu kwezinto zonke, awakholwa futhi ukuthi ukhona. Esikhundleni salokho, azinikela ekukhulumeni ngobukholwa ebhekisa emibhalweni yeBhayibheli, asebenzisa isifundo sobukholwa ukufundisa abantu ukuthi babe nomusa, babekezelele ukuhlushwa, nokwenza izinto ezinhle. Buyilolo hlobo lwenkolo ubuKrestu: Bunamathela kuphela emibhalweni yezinkolo, abubhekisi nakancane emsebenzini kaNkulunkulu wokulawula aphinde asindise umuntu, yinkolo yalabo kuphela abalandela uNkulunkulu bebe bengemukelwa wuNkulunkulu. Kodwa uNkulunkulu unawo umgomo awubhekise kubona. Akabaphathi nje noma ikanjani ngokuzibonela Kwakhe, ngendlela efanayo nabangakholwayo. Indlela asebenza ngayo udaba lwabo iyafana neyamaBuddha: Uma, ngenkathi besaphila, umKrestu eziqoqile ngokwakhe, ehlala ngempela Emithethweni Elishumi futhi ephila ngemithetho nemiyalelo ezimfunweni azenza ekuziphatheni kwakhe—futhi uma engakwenza empilweni yakhe yonke—bazophinda badinge ukuchitha isikhathi esifanayo ekujikelezweni wokuphila nokufa ngaphambi kokuthi bazuze ngokweqiniso lokho okubizwa ngokuhlwithwa. Emva kokuzuza lokhu “kuhlwithwa,” babe sebehlela emhlabeni kamoya, lapho benikwa khona isikhundla sokuba ngesinye sezithunywa. Ngokufanayo, uma benza okubi emhlabeni, uma bona futhi benza izono eziningi, akube kusavikeka ukuthi bajeziswe bagotshwe ngobunzima obehluhahlukene. Enkolweni yamaBuddha, ukuthola ukuphumelela kusho ukudlulela Ezweni Elimsulwa Lokuthula Okukhulu kodwa kubizwa ngokuthini lokho enkolweni yobuKristu? Kubizwa “ngokungena ezulwini” kanye “nokuhlwithwa.” Labo “abahlwithwe” ngokweqiniso bayaphinda nabo bangene ekujikelezweni kwempilo yokuphila nokufa izikhathi ezintathu noma eziyisikhombisa, okuzothi emva kwakho, emva kokufa, bafike emhlabeni kamoya, kungathithi balele basebuthongweni. Uma bephelelisekile bayakwazi ukusala bebamba iqhaza, kanti, kungafani nabantu abesemhlabeni, ababuyiselwa enyameni ngendlela elula, noma ngokwesivumelwano.

Kuzo zonke lezi zinkolo, isiphetho okukhulunywa ngaso nezilwela ukusizuka siyafana nokuthola ukuphumelela kwabenkolo yamaBuddha; ukuthi nje lokhu kutholakala ngezindlela ezahlukile. Bawuhlobo olulodwa. Engxenyeni yabantu balezi zinkolo abakwazi ukuhlala ngeqiniso emithethweni yayo inkolo ekuziphatheni kwabo, uNkulunkulu ubapha indawo efanele abayise kuyo, indawo abafanelwe ukuba kuyo, abaphathe ngendlela efanelekile. Konke lokhu kungokwamukelekayo, kodwa akufani nendlela abantu abakucabanga ngayo, yebo? Manje, lapho senikuzwile konke okwenzeka kubantu abangamaKristu, nizizwa kanjani? Niyakhathazeka ngabo? Niyabezwela? (Kancane.) Akukho okungenziwa—kumele bazilahle bona ngecala.

Kungani ngisho kanje? Umsebenzi kaNkulunkulu uliqiniso, uNkulunkulu uyaphila futhi ukhona, futhi umsebenzi Wakhe uhloselwe isintu sonke naye wonke umuntu. Kungani-ke engakwamukeli lokhu? Kungani bemphikisa futhi bemelana noNkulunkulu? Banenhlanhla ukuthi banesiphelo esikanje, kungani-ke nibazwela? Ukuthi baphathwe kanje kukhombisa ukubabekezelela okukhulu. Ngendlela abaphikisa ngayo uNkulunkulu, kumele babhujiswe—kodwa uNkulunkulu akakwenzi lokho, uphethe ubuKrestu njengenkolo ejwayelekile. Esimeni esinje, ngabe sikhona isidingo sokuthi sijule nangalezi ezinye izinkolo? Umongo walezi ezinye izinkolo, ukuba abantu bezwe ubunzima obengeziwe, bangenzi okubi, benze izenzo ezinhle, bangathuki abanye, bangafinyeleli ezinqumeni ngabanye abantu, bazehlukanise nezingxabano, futhi babe ngabantu abalungileyo—eziningi izimfundiso zezinkolo zinje. Ngakho, uma laba bantu benkolo—laba bantu bezinkolo eziningi namahlelo—bekwazi ukuhlala ngokweqiniso emithethweni yenkolo, ngeke benze amaphutha amakhulu noma izono ngesikhathi besaphila emhlabeni, kanye nasemva kokuba bebuyiselwe enyameni izikhathi ezintathu noma eziyisikhombisa, kakhulu-ke laba bantu, abantu abakwazi ukuhlala ngokweqiniso emithethweni yenkolo, bazokwazi ukubamba iqhaza emhlabeni kamoya. Ngabe baningi abantu abanjalo? (Cha, ababangingi.) Uyisuselaphi impendulo yakho? Akulula ukwenza okuhle, noma ukuhlala emithethweni. Inkolo yamaBuddha ayibavumeli abantu badle inyama—ungakwenza lokho? Uma bekungathiwa gqoka izingubo ezimpunga usho imibhalo yamaBuddha uhayе amagama kaBuddha ethempelini lamaBuddha usuku lonke, ubungakwenza? Ngeke kube lula. UbuKrestu buneMithetho Elishumi, imiyalelo nemithetho, ngabe kulula ukuyigcina? Akunjalo! Bheka ukungathuki abanye: Abantu abakwazi ukuhlala kulo mthetho. Abakwazi ukuzivimba, bayethukana—emva kwalokho abakwazi ukukwesula lokho, benzanjani-ke? Ebusuku bavuma izono zabo. Ngezinye izikhathi emva kokuthuka abanye, kusala kunenzondo ezinhliziyweni zabo, baphinde bedlulele ekuzilungiseleleni isikhathi abazobalimaza ngaso. Uma sihlanganisa, kulabo abaphila ngale nkolo efile, akulula ukungoni nokungenzi okubi. Ngakho, kuyo yonke inkolo, bambalwa kakhulu abantu abakwazi ukuzuza ukuphumelela. Ucabanga ukuthi njengoba abantu abanengi belandela lezi zinkolo, baningi abazothola ithuba lokubamba iqhaza emhlabeni kamoya! Ababangingi kangako nokho, bambalwa abakwazi ukufinyelela kulokhu. Kungako esingakhuluma ngakho ngokujikeleza kwempilo yokuphila nokufa kwabantu benkolo. Okubehlusayo ukuthi bayakwazi ukuzuza ukuphumelela, futhi yilokhu okubehlusayo kwabangakhulwayo.

### **Ukujikeleza kwempilo Yokuphila Nokufa Kwabantu Abalandela uNkulunkulu**

---

Okulandelayo, masikhulume ngokujikeleza kwempilo yokuphila nokufa kwalabo abalandela uNkulunkulu. Lokhu kuthinta nina, ngakho lalalani. Okokuqala, cabangani ngezigaba abantu abalandela uNkulunkulu esingabehlukanisa ngazo. (Abantu abakhethiwe bakaNkulunkulu nabenzi bomsebenzi.) Zimbili: kunabakhethwa nguNkulunkulu kanye nezisebenzi Zakhe. Okokuqala sizokhuluma ngabakhethwa nguNkulunkulu, abambalwa-ke nokho. Kusho ukuthini ukuthi “abakhethwa nguNkulunkulu”? emva kokuthi uNkulunkulu edale zonke izinto kwabe sekuba nesintu, uNkulunkulu wakhetha iqeqebana labantu abamlandela, futhi babizwa kalula nje ngokuthi “ngabantu abakhethwe nguNkulunkulu.” Kunokuhlola kanye nokubaluleka endleleni uNkulunkulu akhetha ngayo laba bantu. Ukuhlola ukuthi sonke isikhathi uNkulunkulu enza umsebenzi obalulekile kumele beze—okuba yinto yokuqala ezintweni ezibenza babe ngabakhethekile. Kuyini ukubaluleka kwabo? Ukukhethwa kwabo nguNkulunkulu kusho ukuthi babaluleke kakhulu. Okuchaza ukuthi, uNkulunkulu ufisa ukubaphelelisa laba bantu, abenze bagcwaliseke, emva kokuphetha umsebenzi Wakhe wokuphatha, uzobazuza laba bantu. Akukukhulu lokhu kubaluleka? Ngalokho, laba bantu abakhethiwe bangababalulekile kakhulu kuNkulunkulu, ngokuba bayilabo uNkulunkulu afuna ukubazuza. Kanti izisebenzi Zakhe—khona-ke, masithi ukusuka ekumiselweni kusengaphambili kukaNkulunkulu, siqale ngokukhuluma ngemvelaphi. Incazelo esobala “yezisebenzi” isho lowo osebenzayo. Labo abasebenzayo bangabesikhashana; abakwenzi lokhu isikhathi eside, noma okokuphela, kodwa baqashwa noma batholwe okwesikhashana. Abanengi babo bakhethwa kulabo abangakholwayo. Uma befika emhlabeni kuba yisikhathi bekhonjwa njengabazothatha indima yokuba yizisebenzi emsebenzi kaNkulunkulu. Kungaba ukuthi bebekade beyizilwane empilweni yabo edlule, kodwa kungenzeka ukuthi bebekade bengabanye balabo abangakholwayo. Bavela lapho abasebenzela uNkulunkulu.

Make sibuyele kwabakhethwa nguNkulunkulu. Uma befa, abakhethwa nguNkulunkulu baya endaweni ehlukile kunaleyo okuya kuyo abangakholwayo kanye nabanye benkolo. Yindawo abaphelekezela kuyo yizingelosi kanye nezithunywa zikaNkulunkulu, futhi elawulwa nguNkulunkulu ngoKwakhe. Nakuba, bekule ndawo, abakhethwa nguNkulunkulu abakwazi ukubheka uNkulunkulu ngamehlo abo, akufani nakwezinye izindawo emhlabeni kamoya; yindawo lapho le ngxenye yabantu iya khona emva kokufa. Uma befa, nabo bayahlolwa kabanzi yizithunywa zikaNkulunkulu. Yini ehlolwayo? Izithunywa zikaNkulunkulu ziphenya izindlela ezathathwa yilaba bantu empilweni yabo yonke yokukholwa kuNkulunkulu, noma ngabe, ngesikhathi sabo, bamphikisile uNkulunkulu, noma bamqalekisile, noma benze izono ezimbi nobubi noma cha. Lokhu kuhlolwa kubheka uhlangothi lokuthi laba bantu bayahamba noma bayahlala yini. Kusho ukuthini ukuthi “bayahamba”? nguNkulunkulu. “Ukuhlala” kusho ukuthi bangahlala nabantu abapheleliswe nguNkulunkulu ngesikhathi sezinsuku zokugcina. Kulabo abahlalayo, uNkulunkulu unezinhlelo ezikhethekile. Ngesikhathi ngasinye somsebenzi Wakhe, uNkulunkulu uzothumela labo bantu ukuthi babe ngabafundi noma benze umsebenzi wokuvuselela amasonto, noma bawanakekele. Kodwa abantu abakwazi ukwenza lowo msebenzi ababuyiselwa enyameni kaningi njengabangakholwayo, abaphinda bazalwe njalo-njalo; esikhundleni salokho, babuyiselwa emhlabeni ngokwezidingo kanye nezinyathelo zomsebenzi kaNkulunkulu, kanti ababona abanye balabo ababuyiselwa njalo enyameni. Ngabe ngalokho ikhona yini imithetho ebhekele ukuthi uma sebebuyiseliwe enyameni? Ngabe bafika kanye eminyakeni embalwa? Ngabe beza kaningi kunjalo? Akunjalo. Lokhu kuncike emsebenzini kaNkulunkulu, ezinyathelweni zomsebenzi Wakhe, nasezidingweni Zakhe, futhi akukho mithetho. Umthetho okungukuphela kwawo ngukuthi uma uNkulunkulu enza isinyathelo sokugcina somsebenzi Wakhe ezinsukwini zokugcina, abantu Bakhe abakhethiweyo laba bazokuza. Uma befika bonke, kuzoba yisikhathi sokugcina lesi sokuthi babuyiselwe enyameni. Kungani kunjalo? Lokhu kuncike emiphumeleni ezotholakala ngesikhathi uNkulunkulu enza isinyathelo sokugcina somsebenzi Wakhe—ngokuthi ngalesi sikhathi sesinyathelo sokugcina somsebenzi, uNkulunkulu uzobaphelelisa ngokugcwele laba bantu abakhethiweyo. Kusho ukuthini lokhu? Uma, ngesikhathi sesinyathelo sokugcina, bepheleliswa laba bantu, futhi benziwa abangenasici, ngeke ngaleso sikhathi babuyiselwe enyameni njengakuqala; isikhathi sabo sokuba ngabantu sizofika ekuphelelisweni kokugcina, njengoba kuzokwenzeka ekubuyiselweni enyameni. Lokhu kukhuluma ngalabo abazosala. Bayaphi-ke labo abangakwazi ukuhlala? Labo abangakwazi ukuhlala banendawo efanele abaya kuyo. Okokuqala, njengomphumela wokwenza kwabo okubi, amaphutha abawenzile, kanye nezono abawenzile, nabo futhi bayajeziswa. Emva kokujeziswa, uNkulunkulu uzobalungisela ukuthi babe nabangakholwayo, kungenjalo babe nabantu abehlukahlukene benkolo, njengokufaneleka kwezimo. Okusho ukuthi, zimbili izimo ezingenzeka kubo: Okokuqala ukuthi, emva kokujeziswa, mhlawumbe bahlale nabantu benkolo ethile emva kokuvukela kwesinye isimo, okunye kube ukuba ngabangakholwa. Uma beba ngabangakholwa, bazowalahla wonke amathuba. Kanti uma beba ngabantu benkolo—uma, isibonelo nje, beba ngamaKrestu—basenethuba lokubuyela ezikhundleni zokuba ngabakhethwa nguNkulunkulu; kuhlobene ngendlela eyinxakanxaka lokhu. Kafushane nje, uma oyedwa wabakhethwa nguNkulunkulu edelela uNkulunkulu, uzojeza njengawo wonke omunye umuntu. Bheka uPawulu, njengesibonelo, okukhulunyiwe ngaye ekuqaleni. UPawulu uyisibonelo salabo abajeziswayo. Niyawuthola kodwa umqondo walokhu engikhuluma ngakho? Ngabe ukuhlola abakhethwa nguNkulunkulu kuyalungiseka? (Yebo kabanzana.) Ingxenye enkulu iyalungiseka, kodwa ingxenye encane ayilungiseki. Kungani kunjalo? Lapha, ngibhekise esizathwini esisobala: ukwenza okubi. Uma benza okubi, uNkulunkulu akabafuni, kanti uma uNkulunkulu engabafuni,

Okulandelayo ukujikeleza kwempilo yokufa nokuphila kwezisebenzi. Siqeda kukhuluma ngokuqala kwezisebenzi, okungukuthi, zabuyiselwa enyameni kade zingabangakholwayo futhi ziyizilwane empilweni yazo yangaphambili. Ukufika kwesinyathelo sokugcina somsebenzi, uNkulunkulu ukhethe kwabangakholwayo iqegebana labantu abanjalo, kanti yiqegebana elikhethekile. Inhloso kaNkulunkulu yokukhetha abantu abanje ukuthi benze umsebenzi Wakhe. “Umsebenzi” akulona igama elihle nelizwakalayo, noma into noma ngubani angangena alingane kahle kuyo, kodwa kumele sibheke ukuthi libhekiswe kubani. Kunokubaluleka okukhethekile ebukhoneni bezisebenzi zikaNkulunkulu. Akekho omunye ongenza umsebenzi wazo, ngoba zakhethwa nguNkulunkulu. Futhi liyini iqhaza elibanjwa yilezi zisebenzi? Ukusebenzela abakhethwa nguNkulunkulu. Ikakhulu, iqhaza lazo ukwenza umsebenzi kaNkulunkulu, ukubambisana nomsebenzi kaNkulunkulu, kanye nokubambisana ekupheleliseni kukaNkulunkulu abakhethwa Bakhe. Ngaphandle kokuthi bayasebenza, benza umsebenzi othile, noma banikwe okuthile kokwenziwa, siyini isidingo sikaNkulunkulu kulaba bantu? Ngabe uNkulunkulu ufuna okungaphezu kokwenza kubo? (Cha, uNkulunkulu ucela kuphela ukuthi bethembeke.) Izisebenzi kumele zethembeke. Kungakhathaleki ukuthi imvelaphi yakho iyiphi, noma kungani uNkulunkulu ekhethe wena, kumele wethembeke kuNkulunkulu, kulokho uNkulunkulu akwethwese khona, nasemsebenzini osemahlombe akho kulokho obekelwe ukuthi ukwenze. Uma izisebenzi zikwazi ukwethembeka, zimenelisa uNkulunkulu, isiphelo sazo sizoba yini? Zizokwazi ukusala. Ngabe kuyisibusiso ukuba yisisebenzi esisalayo? Kusho ukuthini ukusala? Sisho ukuthini lesi sibusiso? Ngokwezinga, zibukeka zingafani nabakhethwa nguNkulunkulu, zibukeka zehlukile. Eqinisweni, nokho, ngabe lokho ezikuzuza zikujabulele kule mpilo akufani nokwabakhethwa nguNkulunkulu? Eziningeni eliphansi kulokhu, kule mpilo kuyafana. Anikuphiki lokhu, yebo? Amazwi kaNkulunkulu, umhawu kaNkulunkulu, ukuhlinzekela kukaNkulunkulu, izibusiso zikaNkulunkulu—ngubani ongekujabulele lokhu? Wonke umuntu uyayijabulela inala engaka. Okuchaza kabanzi isisebenzi ukuthi yisisebenzi, kodwa kuNkulunkulu, bonke abayizisebenzi bangenye yezinto azidalile—ukuthi nje iqhaza lazo ngelokuthi yizisebenzi. Njengesinye sezidalwa zikaNkulunkulu, ukhona umahluko phakathi kwesisebenzi sikaNkulunkulu nokhethwe nguNkulunkulu? Ngokucacile, awukho. elibanjwayo ukhona umahluko, kodwa uNkulunkulu akabehlukanisi laba bantu. Kungani pho laba bantu bechazwa njengezisebenzi? Kumele niqonde lokhu. Izisebenzi ziphuma kwabangakhulwayo. Ukuphathwa kwegama elithi abangakhulwayo kusitshela ukuthi imuva labo libi: Bonke bangabangakhulwa ukuthi uNkulunkulu ukhona, empilweni yabo edlule bebengabangakhulwa ukuthi uNkulunkulu ukhona, abakhulwanga kuNkulunkulu, bamelene noNkulunkulu, neqiniso, kanye nezinto ezamukelekayo. Abakhulwanga kuNkulunkulu futhi abakhulwanga ukuthi ukhona uNkulunkulu, ngakho-ke ngabe bamelwe ukukwazi ukuqonda amazwi kaNkulunkulu? Kuyemukeleka ukusho ukuthi, ngokwezinga elikhulu, abaqondi. Njengoba izilwane zingawaqondi amazwi omuntu, izisebenzi aziqondi ukuthi uNkulunkulu uthini, udingani, kungani akha izidingo ezinjengalezo—abaqondi, lezo zinto aziqondakali ezisebenzini, zihlezi zingakhanyiselekile. Ngalesi sizathu, laba bantu abanalo uhlobo lwempilo esesikhulume ngalo. Ngaphandle kwempilo, bangaliqonda abantu iqiniso? Kungabe bahlomile ngeqiniso? Kungabe bahlomile ngamava kanye nolwazi lwamazwi kaNkulunkulu? (Cha.) Injalo imvelaphi yezisebenzi. Kodwa ngoba uNkulunkulu wenza laba bantu babe yizisebenzi, kusekhona imigomo ezidingweni Zakhe ngabo; akababukeli phansi, akabi ngongabacabangeli. Nakuba bengawaqondi amazwi Akhe, bengenayo nempilo futhi, uNkulunkulu usenawo umusa kubo, isekhona nemigomo yezidingo Zakhe kubo. Nihulume ngale migomo: Ukwethembeka kuNkulunkulu, kanye nokwenza lokho akushoyo. Emsebenzini wakho kumele usebenze lapho kudingeka khona, futhi usebenze kuze kube sekugcineni. Uma ungaba yizisebenzi esethembekile, ukwazi ukusebenza kuze kube sekugcineni futhi ugcwalise umsebenzi owethweswe nguNkulunkulu, kusho ukuthi uzophila impilo ebalulekile, futhi uzokwazi ukusala. Uma uthi ukwengeza kancane ngaphezulu kwalokho okwenzayo, uma uzama kakhudlwana, ukwazi ukuphinda kabili okwenzayo ukuze umazi uNkulunkulu, ukwazi ukukhuluma kancane ngolwazi lukaNkulunkulu, ukwazi ukufakaza ngoNkulunkulu, kuthi nangaphezulu, ukwazi ukuqonda okuthile okuyintando kaNkulunkulu, ubambisana emsebenzini kaNkulunkulu, ubhekisisa ngandlela thile intando kaNkulunkulu, wena lapho, njengesisebenzi, izoguquka inhlanhla yakho.
