## I. Izigaba Ezintathu Zomsebenzi

### Amazwi KaNkulunkulu Ansukuzonke (Okucashuniwe 1)

Lonke uhlelo Lwami lokuphatha, uhlelo oluhlanganisa iminyaka eyizinkulungwane eziyisithupha, lunezigaba ezintathu, noma izinkathi ezintathu: Inkathi yoMthetho ekuqaleni; Inkathi yoMusa (ephinde yaziwe ngokuthi Inkathi yokuHlengwa); neNkathi Yombuso ezinsukwini zokugcina. Umsebenzi Wami kulezi zinkathi ezintathu wehluka kokuqethe ngokohlobo lwenkathi ngayinye, kodwa esigabeni ngasinye uhambisana nezidingo zomuntu—noma ukuqonda ngqo, wenziwa ngokwamaqhinga asetshenziswa uSathane empini engiyilwa naye. Inhloso yomsebenzi Wami ukunqoba uSathane, ukubonakalisa ukuhlakanipha Kwami nokuba namandla onke, ukuveza obala wonke amaqhinga kaSathane, ngalokho bese ngisindisa sonke isintu, esiphila ngaphansi kokubusa kwakhe. Kuwukukhombisa ukuhlakanipha nokuba namandla onke Kwami ngibe ngembula ububi bukaSathane obungabekezeleki. Ngaphezu kwalokho, kuwukufundisa izidalwa Zami ukuthi zikwazi ukwahlukanisa phakathi kokuhle nokubi, ukubona ukuthi nginguMbusi wazo zonke izinto, ukubona kahle ukuthi uSathane uyisitha sesintu, ophansi kunakho konke, omubi, nokwehlukanisa ngokunesiqiniseko phakathi kokuhle nokubi, iqiniso namanga, ubungcwele nokungcola, ubukhulu nobuphansi. Ngale ndlela, isintu esingenalwazi sizokwazi ukungifakazela ukuthi akuyimina owonakalisa isintu, futhi Yimi kuphela—iNkosi yendalo—ongasindisa isintu, engingabeka phezu komuntu izinto zokubathokozisa; futhi bazi ukuthi nginguMbusi wazo zonke izinto nokuthi uSathane ungomunye nje wezidalwa engazidala, wabuye wangiphendukela. Uhlelo Lwami lokuphatha lweminyaka eyizinkulungwane eziyisithupha luhlukene izigaba ezintathu ukuze kutholakale umphumela olandelayo: ukuvumela izidalwa Zami zibe ofakazi Bami, zazi intando Yami, zibone ukuthi ngiyiqiniso. Ngakho, esigabeni sokuqala somsebenzi Wami ohlelweni Lwami lokuphatha lweminyaka eyizinkulungwane eziyisithupha, ngenza umsebenzi womthetho, okwakuwumsebenzi lapho uJehova ayehola khona abantu Bakhe. ### Amazwi KaNkulunkulu Ansukuzonke (Okucashuniwe 99)

Incazelo yokuba sesimweni somuntu ukuthi uNkulunkulu ubonakala enyameni, futhi ufika ezosebenza phakathi kwesintu esidalwe Nguye esesimweni senyama. Ngakho, ukuze uNkulunkulu athathe isimo somuntu, kumele aqale abe yinyama, inyama enobuntu obujwayelekile; lokhu kuyisidingo esibaluleke kakhulu. Eqinisweni, okuqondiwe ngokuthatha isimo somuntu kukaNkulunkulu ukuthi uNkulunkulu uphila futhi asebenze enyameni, uNkulunkulu engqikithini Yakhe uqobo uthatha umzimba wenyama, uba ngumuntu. Ukuphila Kwakhe esengumuntu nokusebenza kuhlukaniswa izigaba ezimbili. Esokuqala, yimpilo ayiphilayo ngaphambi kokuba enze inkonzo Yakhe. Uphila emndenini ojwayelekile wabantu, ebuntwini obujwayeleke kakhulu impela, elalela imithetho yokuziphatha kanye nemithetho ejwayelekile yokuphila komuntu, enezidingo zomuntu eziwayelekile (ukudla, okokugqoka, indawo yokuhlala, ukulala), ubuthakathaka bomuntu obujwayelekile kanye nemizwa yomuntu ejwayelekile. Ngamanye amazwi, kulesi sigaba sokuqala uphila impilo engenabo ubunkulunkulu, enobuntu obujwayeleke ngokuphelele, owenza zonke izinto ezenziwa abantu abajwayelekile. Abanye abantu bazobuza, “Uyini umehluko phakathi komsebenzi owenziwe nguNkulunkulu onesimo somuntu nalowo wabaprofethi nabaphostoli bezinkathi ezedlule? UDavide naye wayebizwa ngeNkosi, kanjalo noJesu, yize umsebenzi ebebewenza bewehlukile, bebebizwa ngento efanayo. Kungani ubuza ukuthi, bebengafani yini? Okwabonwa nguJohane kwaba ngumbono, lowo owavela kuMoya oNgcwele, wakwazi ukusho amazwi ayehloswe ukushiwo uMoya oNgcwele, kungani uJohane engafani noJesu?” Amazwi akhulunywe nguJesu akwazile ukumela uNkulunkulu ngokugcwele emela nemisebenzi kaNkulunkulu ngokuphelele. UJohane wabona umbono, kanti ubengakwazi ukumela ngokuphelele umsebenzi kaNkulunkulu. Kungani uJohane, uPetru kanye noPawulu bakhuluma amazwi amaningi—njengoJesu—kodwa bebe bengafani noJesu? kunomehluko ekubonakaleni kwabo, kodwa kakhulu kunomehluko emsebenzini owenziwe. Ngemva kokuba uPawulu ashaywa wawa phansi, ewela phambi kweNkosi, ubeholwa nguMoya oNgcwele ukuba asebenze, waba ngothunyiweyo. Ngakho wabhalela amabandla izincwadi, zonke lezi zincwadi zalandela izimfundiso zikaJesu. UPawulu wayethunywe yiNkosi ukuba azosebenza egameni leNkosi uJesu, kodwa ngenkathi uNkulunkulu eza Ngokwakhe, akazange asebenze ngaphansi kwanoma yiliphi igama, wangamela muntu kodwa wamela uMoya kaNkulunkulu emsebenzini Wakhe. UNkulunkulu weza ukuzokwenza umsebenzi Wakhe Ngokwakhe: Akazange apheleliswe ngumuntu, kanti nomsebenzi Wakhe awenziwanga ngezimfundiso zanoma yimuphi umuntu. Babengenakho ababehlangene nakho okungokwabo ngaphambi kokuba uJesu ahole indlela. Bekungemva kokuba uJesu ahole indlela lapho bezwa khona amazwi ayekhulunywa nguJesu, nendlela eyayiholwa Nguye; kulokhu bafunda lukhulu, babhala nezincwadi. Ngakho, ulwazi lomuntu alufani nomsebenzi kaNkulunkulu, kanti umsebenzi kaNkulunkulu awufani nolwazi oluchazwe yimiqondo nolwazi lwabantu. Sengisho, izikhathi eziningi, ukuthi namuhla ngihola indlela entsha, nokuthi ngenza nomsebenzi omusha, futhi umsebenzi Wami namazwi Ami kwehlukile kulokho okwakukhulunywa ngoJohane nabo bonke abanye abaprofethi.
